CITY OF APPLETON POLICY		TITLE: GENERAL POLICY STATEMENT ON ALCOHOL BEER/LIQUOR LICENSING	
ISSUE DATE: unknown	LAST UPDATE: June 2017 May 2021		
POLICY SOURCE: Office of the City Clerk		TOTAL PAGES: 10	
Reviewed by Attorney's Office Date: June 2017	Safety and Licensing Committee Approval Date: July 29, 2010 Update approved: Oct. 28, 2010 Update approved: Oct. 13, 2011 Update approved: April 9, 2015 Update approved: May 25, 2016 Update approved: June 21, 2017	Council Approval Date: August 4, 2010 Update: November 3, 2010 Update: October 19, 2011 Update: April 22, 2015 Update: June 1, 2016 Update: June 14, 2017	

I. PURPOSE

The City of Appleton believes the safety and welfare of its citizens and neighborhoods are of highest priority and the judicious dispensing of alcohol is in keeping with this belief. The possession of a beer or liquor license in the city is a privilege and not a right; a privilege that must not be taken for granted but rather must be continually conditioned by the holder's adherence to applicable laws and regulations.

II. POLICY

All licenses granted and issued for the sale of fermented or intoxicating liquors shall be carried out under the provisions of W.S.A. Chapter 125 and the City of Appleton Municipal Code, Chapter 9, Article III.

Safety and Licensing Committee shall consider the application at a public meeting at which ~~all~~ interested parties ~~may~~ will be given an opportunity to be heard, at the discretion of the chair. The Committee will, by a majority vote of those present, make a recommendation to the Common Council which shall consider the application at its next regularly scheduled meeting.

In performing its review and preparing its recommendation for approval or denial ~~disapproval~~, the Safety and Licensing Committee shall take into consideration the type of operation in relation to the following community matters ~~under consideration~~:

~~The existence of the community need will be assessed by the committee. In this regard, such things as the type of operation proposed will be assessed for area and community impact.~~

- Adverse impact on traffic;

- Adverse impact on the peace, quiet and cleanliness of the neighborhood where the establishment is located;
- Insufficient parking for patrons;
- Proximity to other licensed establishments, residential areas, schools, churches, or hospitals;
- Ability or inability of the police to provide law enforcement services to the new establishment and the impact of the new establishment on the ability of the police to provide law enforcement services to the balance of the community at all times.
- ~~A building should not only be appropriate to the intended use, but should also be appropriate from an aesthetic and tax revenue standpoint.~~
- ~~The number of licensed premises within the immediate geographic area of the proposed location will be considered.~~

III. DISCUSSION

Where required, no corporation, partnership or individual will be issued an alcohol beer/liquor license for the premises until a Special Use Permit application has been submitted. This would allow for the Community and Economic Development Department to review and determine whether or not the applicant must apply for and receive approval of a Special Use Permit pursuant to the current Zoning Code.

Sale of Fermented Malt Beverages in a Park by the City

The City cannot grant a license to sell fermented malt beverages to itself. However, pursuant to W.S.A. 125.06, the sale of fermented malt beverages can occur in a public park operated by a municipality without a license as long as the municipality authorizes the sale. The Parks and Recreation Committee has jurisdiction to consider whether the sale of fermented malt beverages shall be allowed in a park. The Committee will, by a majority vote of those present, make a recommendation to the Common Council. If the ~~Parks and Recreation Committee and the~~ Common Council authorizes the sale of fermented malt beverages in any park the following will apply:

2. The police department will periodically conduct inspections and Controlled Alcohol Transaction (CAT) checks at these locations.
3. The police department shall report any violations to the Park and Recreation Committee and the Safety and Licensing Committee.

5. The Park and Recreation Committee shall suspend the authorization granted pursuant to W.S.A. 125.06 to sell fermented malt beverages in any public park for not less than 10 days or more than 90 days if the location accumulates demerit points totaling 150-199 within a 12 month period.

- of ~~alcoholintoxicating liquors~~. The date of letter will be the defining date for determining a one year period.
5. The license holder may request an extension of the one--year period. An extension may be granted for good cause. Any extension of the one--year period shall be reviewed ~~and approved~~ by the Safety and Licensing Committee and Common Council prior to the expiration of the one--year deadline.

Re: 2021 Alcohol Licensing Policy Updates & Convenience Store Regulations

The Alcohol Licensing Policy is reviewed and updated periodically to ensure it is consistent with state law, municipal code, and best practices for licensed establishments. Upon the most recent review, it was a goal to define and clarify the provisions on "Convenience Store" licenses. The current policy indicates that convenience stores selling gasoline may not hold a "Class A" liquor license, therefore some research was done to locate where this is referenced in our municipal code. After review, we are unable to confirm any action taken to create an ordinance to prohibit the issuance of "Class A" liquor licenses to convenience stores that sell gasoline. The City has operated under this policy of not allowing convenience stores selling gasoline to hold "Class A" liquor licenses since the 1990s but in order for this to continue, the City needs to adopt an ordinance that both defines convenience stores and prohibits the issuance of "Class A" liquor licenses to said stores that sell gasoline.

Therefore, as the Alcohol License Policy is before you, staff would like direction on the policy and also on the provision of convenience stores selling gasoline holding "Class A" liquor licenses. The options include:

1. Leave the provision that prohibits convenience stores selling gasoline from holding "Class A" liquor licenses and direct staff to draft an ordinance on this provision.
2. Remove the provision that prohibits convenience stores selling gasoline from the policy and allow these establishments to apply for "Class A" liquor licenses going forward.

Please do not hesitate to reach out to me if you have any questions on the Alcohol License Policy and the related implications of the convenience stores selling gasoline provision of the policy.

Respectfully,

Kami Lynch, City Clerk

2021 Heid Music Summer Concert Series COVID-19 Mitigation Plan

1.) Alternate Date(s) N/A

- We will delay our start date to July 1 and run the series through Sept. 30th.

Alternate dates are not guaranteed to be approved

2.) # of Participants:

- Up to 5000 - Attendance will vary based on band and weather.
A typical show is 2000-3000.
- Food Vendors 4
- Volunteers 20
- ADI Staff 2

3.) Describe plans to mitigate the spread of COVID-19 (social distancing, mask wearing, numbers of participants, etc.) *Note: Diagrams, drawings and maps are encouraged

Covid-19 Market Protocols:

1. The first measure we are taking is to move the event to Jones Park for all shows. Jones Park is 5.75 acres plus the parking lot area which we plan to use to further distance our infrastructure to service attendees. Layout drawings attached.
2. Masks or shields will be required for all concert staff, food vendors and volunteers until such time as the City of Appleton Health Department advise us. Each volunteer, staff and food vendor will receive a protection kit with two face shields, 2 masks and defogger.
3. Free masks available for attendees.
4. Keep It Safe Stations: 4 Stations with hand sanitizer, masks and messaging throughout the layout. Messaging: Please help keep all Downtown events safe! Remember to social distance. Wear a mask when in line. Sanitize!
5. Attendees will need to put on their own wristband with our supervision.

4.) Provide ways to keep participants adequately spaced (6 ft. apart) during the event:

1. The layout will use the Jones Park parking lot as shown in attached diagram to spread out food vendors, portable toilets and create a larger bar area to service the attendees. Chalk will be used to create service lines and distancing markers.
2. Additional signage at the food booths, wristband booth and bar with reminders on "Social Distancing" and asking to wear your mask when placing your order.
3. The wristband booth will create a four sided service area to reduce congestion.

5.) How will food/beverages be sold/served safely, in pre-packaged individual servings (if applicable)?

1. Self-serve condiments will be prohibited. Vendors must provide individual use packets.
2. Encourage the sale of prepared pre-packaged food

6.) What steps will be initiated to ensure compliance and accountability of your plan? Please provide the name of the contact person responsible for the COVID-19 mitigation plan compliance:

Jennifer Stephany, Executive Director of Appleton Downtown Inc.

Meghan Warner, Event Coordinator/Farm Market Manager

Sandy Storch, ADI Staff

- Volunteer and Vendor Communication materials will clearly state our policies.
- Concert Staff will promote safe behaviors by communicating clear expectations in opening and mid event announcements from the stage. As well as providing gentle reminders as needed throughout the event.
- Sandwich board signs with safety precautions will be placed with the Keep It Safe Stations points, plus additional signage at the bar, wristband booth and the bathrooms.
