## SECTION 2 – PREMISE AMENDMENT

Please describe the change in premises:  
**\*A drawing/diagram of the proposed area must also be submitted with this application\***  
 Due to instability of the ground under the patio, and subsequent closing of our current patio, we would like to extend our liquor license to the ground level area to the West, East and South of the patio. (The area highlighted in green) This allows us to offer our customers outdoor dining with the option of cocktails, as well as allows us the flexibility of accommodating private event customers who need outdoor seating. Once the patio is stabilized, it will allow for much sought after additional outdoor seating. The closing of the patio has cut our revenue in half. Also, we request to extend to the rest of Unit 1. Again, we have private event requests for that room, and being able to accommodate them would help immensely. We greatly appreciate your consideration.

Is this change Permanent?	If this is temporary please specify the reason for the amendment:
