Item: Special Use Permit #3-21 for Paint/Craft Studio with Alcohol Sales

Case Manager: Don Harp, Principal Planner

GENERAL INFORMATION

Owner: Alan Ament

Applicant: Timasha Thornton, Tee Tees Nachos, paint/craft studio with alcohol sales

Address/Parcel #: 550 North Morrison Street, Unit D – Rooms 3, 4, 5 and 6 (Tax Id #31-2-0586-00)

Petitioner's Request: The applicant is requesting a Special Use Permit for a paint/craft studio with alcohol sales.

BACKGROUND

On March 18, 2020, the Common Council adopted ordinances 24-20 - 57-20 related to Chapter 23 of the Zoning Ordinance relating to allowing paint/craft studios with alcohol sales by Special Use Permit in the CBD Central Business District, C-2 General Commercial District and C-1 Neighborhood Mixed Use District.

Painting/Craft Studio with alcohol sales means a use that is primarily engaged in the business of providing to customers instruction in the art of painting and/or making crafts and that offers customers the opportunity to purchase food and alcoholic beverages for consumption while they paint and/or make crafts.

On October 8, 2021, the applicant applied for and filed a Class B Beer license with the City Clerk's Office.

On November 10, 2021, the Plan Commission held this item until their December 8, 2021 meeting to allow time for the applicant to attend the Plan Commission meeting to address questions related to the daily business operations.

On November 16, 2021, staff contacted the applicant by telephone and via email to provide an update of what happened at the November 10, 2021 Plan Commission meeting. Staff recommended the applicant make arrangements to attend the December 8, 2021 Plan Commission meeting to answer any questions that may be asked about the daily business operations of the proposed paint/craft studio use.

STAFF ANALYSIS

Project Summary: The applicant proposes to establish a painting/craft studio with alcohol sales. The proposed painting/craft studio with alcohol sales will occupy approximately 892 feet in a lower level tenant space (Unit D, Rooms 3, 4, 5, and 6) of the existing building. The operations of the business will primarily focus on the production of arts and crafts, and the service of beer is offered as an additional amenity (customers are not required to purchase alcohol). The proposed alcohol service will be ancillary and subordinate to the primary use as a painting/crafts studio (i.e., an amenity for the customers).

Operational Information: A plan of operation is attached to the staff report.

Outdoor Seating Area: No outdoor alcohol sales and service is requested with this application.

Existing Site Conditions: The existing multi-tenant building totals approximately 17,800 square feet, including other lower level, first and second floor commercial uses. The 32,288 square foot site also includes a 43 stall off-street parking lot. Access is provided by curb cuts on North Morrison Street and East Pacific Street.

Current Zoning and Procedural Findings: The subject property has a zoning designation of C-2 General Commercial District. Per Section 23-113(e) of the Municipal Code, a paint/craft studio with alcohol sales requires a Special Use Permit in the C-2 District. The Plan Commission makes a recommendation to the Common Council who will make the final decision on the Special Use Permit. A two-thirds vote of the Common Council is required for approval.

Surrounding Zoning and Land Uses: The surrounding area is under the jurisdiction of the City of Appleton (north, south, east, and west). The uses are generally commercial and residential in nature.

North: R-1C Central City Residential District and CBD Central Business District. The adjacent land uses to the north are currently a mix and single-family residential and the railroad.

South: R-2 Two-family District and R-1C Central City Residential District. The adjacent land uses to the south are currently a mix of single and two-family residential.

East: C-2 General Commercial District, R-2 Two-family District and R-1C Central City Residential District. The adjacent land uses to the east are currently a mix of single and two-family residential.

West: CBD Central Business District and P-I Public Institutional District. The adjacent land uses to the west are Appleton Area School District facility office building and railroad tracks.

Appleton Comprehensive Plan 2010-2030: Community and Economic Development staff has reviewed this proposal and determined it is compatible with the Mixed Use District designation shown on the City's *Comprehensive Plan 2010-2030 Future Land Use Map*. Listed below are related excerpts from the City's *Comprehensive Plan 2010-2030*.

Goal 1 – Community Growth

Appleton will continue to provide opportunities for residential, commercial, and industrial growth, including appropriate redevelopment sites within the downtown and existing neighborhoods, and greenfield development sites at the City's edge.

Goal 8 – Economic Development

Appleton will pursue economic development that retains and attracts talented people, brings good jobs to the area, and supports the vitality of its industrial areas, downtown, and neighborhood business districts.

OBJECTIVE 9.4 Economic Development:

Ensure the continued vitality of downtown and the City's neighborhood commercial districts.

Technical Review Group (TRG) Report: This item originally appeared on the October 19, 2021 TRG agenda. No negative comments were received from participating departments.

The following TRG comments are provided for additional background history:

Health Department and City Clerk's Office: On September 29, 2021, staff met with the applicant to obtain clarification on the responses listed on the initial liquor license application. In this meeting, the applicant was informed to contact the Community and Economic Development Department to discuss the Special Use Permit process.

Community and Economic Development Department: On September 30, 2021, staff had an initial conversation with the applicant and an email follow up explaining the Special Use Permit process for the proposed paint/craft studio with alcohol sales. Staff assisted the applicant with completing the Special Use Permit application form and provided the applicant with written correspondence on October 11, 2021, October 27, 2021, and November 4, 2021, of the initial date, time and location of the Plan Commission meeting held on November 10, 2021.

Inspections Division and Health Department: An on-site inspection of the premises was conducted on October 1, 2021 by the Inspections Division and Health Department staff. The following items were discussed with the applicant:

- 1. Food Preparation: The need for a grease hood. The applicant decided to use pre-cooked ground beef for the nachos. Since no longer planning to cook from raw meat, a grease hood would no longer needed.*

2. *Kitchen Area Improvements: The carpeting will need to be replaced with an approved floor covering, the installation of approved warewashing sinks, prep sink, mop sink, handwash sink, a grease trap and other equipment requirements.*
3. *Scaled floor plan: A scaled floor plan identifying room dimensions, restroom location with fixtures, room exits and details about the proposed use of the respective lease area would need to be prepared and be submitted to the Inspections Division for review.*
4. *Occupancy limits: Inspections indicated, 15 person maximum occupant limit for Units C and D – Rooms numbers 1, 2, 3, 4, 5 and 6 because the lease area only has one toilet fixture in the restroom. Adding an additional toilet, restroom, would allow a total of 80 occupants per DSPS building codes (Table 2902.1).*
5. *Exit Doors: The maximum number occupants that can occupy the lease area for one exit door is 49 persons per DSPS building codes (DSPS Table 1006.2.1). Two code compliant exit doors within the lease area would require additional review to establish maximum number of occupants.*

NOTE: The second door located on south wall of Unit 4 is labeled as an exit but is not a legal exit as it leads through an adjacent,/independent lease space to reach the actual exit door.

6. *Expectations: The applicant was asked to submit a scaled floor plan to the Inspections Division for their review so further assistance can be provided related to satisfying the applicable Building Codes.*

Health Department: On November 16, 2021, staff contacted the applicant. The applicant indicated the carpeting in the proposed kitchen area was replaced with new floor covering. A plumbing contractor was hired and is in the process of drawing up plans to submit to the Health Department and the Plumbing Inspector for review.

Zoning Ordinance Requirements and Substantial Evidence: When reviewing an application for a Special Use Permit, the City must determine if the applicant's proposal satisfies Municipal Code requirements and conditions. Pursuant to Section 23-66(c)(5) of the Municipal Code, the Plan Commission and Common Council must provide substantial evidence supporting their decision to approve, approve with conditions, or deny the Special Use Permit. Substantial evidence means "facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a Special Use Permit and that reasonable persons would accept in support of a conclusion." Any requirements and conditions listed for approval must be reasonable, and to the extent practicable, measurable.

Section 23-172(m) of the Municipal Code requires a minimum number of off-street parking spaces based on the use of a property. In this case, the property has historically functioned as a shopping center building, per Assessor's Office records. The proposal will not increase the gross floor area of the existing multi-tenant building. Therefore, additional off-street parking spaces are not required for the applicant's request.

Finding of Fact: This request was reviewed in accordance with the standards (proper zoning district, district regulations, special regulations, comprehensive plan and other plans, traffic, landscaping and screening, neighborhood compatibility, and impact on services) for granting a Special Use Permit under

Section 23-66(e)(1-8) of the Municipal Code, which were found in the affirmative, as long as all stipulations are satisfied.

The proposed alcohol service will be ancillary and subordinate to the primary use as a painting/crafts studio (i.e., an amenity for the customers). With the implementation of proposed stipulations of approval, the proposed use is not expected to cause or aggravate any problems in the neighborhood created by the sale of alcohol such as disturbance of the peace, excessive loud noises, traffic violations, or impact on city services.

Item: Special Use Permit #3-21 for Paint/Craft Studio with Alcohol Sales

Case Manager: Don Harp, Principal Planner

GENERAL INFORMATION

Owner: Alan Ament

Applicant: Timasha Thornton, Tee Tees Nachos, paint/craft studio with alcohol sales

Address/Parcel #: 550 North Morrison Street, Unit D – Rooms 3, 4, 5 and 6 (Tax Id #31-2-0586-00)

Petitioner's Request: The applicant is requesting a Special Use Permit for a paint/craft studio with alcohol sales.

BACKGROUND

On March 18, 2020, the Common Council adopted ordinances 24-20 - 57-20 related to Chapter 23 of the Zoning Ordinance relating to allowing paint/craft studios with alcohol sales by Special Use Permit in the CBD Central Business District, C-2 General Commercial District and C-1 Neighborhood Mixed Use District.

Painting/Craft Studio with alcohol sales means a use that is primarily engaged in the business of providing to customers instruction in the art of painting and/or making crafts and that offers customers the opportunity to purchase food and alcoholic beverages for consumption while they paint and/or make crafts.

On October 8, 2021, the applicant applied for and filed a Class B Beer license with the City Clerk's Office.

On November 10, 2021, the Plan Commission held this item until their December 8, 2021 meeting to allow time for the applicant to attend the Plan Commission meeting to address questions related to the daily business operations.

On November 16, 2021, staff contacted the applicant by telephone and via email to provide an update of what happened at the November 10, 2021 Plan Commission meeting. Staff recommended the applicant make arrangements to attend the December 8, 2021 Plan Commission meeting to answer any questions that may be asked about the daily business operations of the proposed paint/craft studio use.

STAFF ANALYSIS

Project Summary: The applicant proposes to establish a painting/craft studio with alcohol sales. The proposed painting/craft studio with alcohol sales will occupy approximately 892 feet in a lower level tenant space (Unit D, Rooms 3, 4, 5, and 6) of the existing building. The operations of the business will primarily focus on the production of arts and crafts, and the service of beer is offered as an additional amenity (customers are not required to purchase alcohol). The proposed alcohol service will be ancillary and subordinate to the primary use as a painting/crafts studio (i.e., an amenity for the customers).

Operational Information: A plan of operation is attached to the staff report.

Outdoor Seating Area: No outdoor alcohol sales and service is requested with this application.

Existing Site Conditions: The existing multi-tenant building totals approximately 17,800 square feet, including other lower level, first and second floor commercial uses. The 32,288 square foot site also includes a 43 stall off-street parking lot. Access is provided by curb cuts on North Morrison Street and East Pacific Street.

Current Zoning and Procedural Findings: The subject property has a zoning designation of C-2 General Commercial District. Per Section 23-113(e) of the Municipal Code, a paint/craft studio with alcohol sales requires a Special Use Permit in the C-2 District. The Plan Commission makes a recommendation to the Common Council who will make the final decision on the Special Use Permit. A two-thirds vote of the Common Council is required for approval.

Surrounding Zoning and Land Uses: The surrounding area is under the jurisdiction of the City of Appleton (north, south, east, and west). The uses are generally commercial and residential in nature.

North: R-1C Central City Residential District and CBD Central Business District. The adjacent land uses to the north are currently a mix and single-family residential and the railroad.

South: R-2 Two-family District and R-1C Central City Residential District. The adjacent land uses to the south are currently a mix of single and two-family residential.

East: C-2 General Commercial District, R-2 Two-family District and R-1C Central City Residential District. The adjacent land uses to the east are currently a mix of single and two-family residential.

Appleton Comprehensive Plan 2010-2030: Community and Economic Development staff has reviewed this proposal and determined it is compatible with the Mixed Use District designation shown on the City's *Comprehensive Plan 2010-2030 Future Land Use Map*. Listed below are related excerpts from the City's *Comprehensive Plan 2010-2030*.

Goal 1 – Community Growth

Appleton will continue to provide opportunities for residential, commercial, and industrial growth, including appropriate redevelopment sites within the downtown and existing neighborhoods, and greenfield development sites at the City's edge.

Goal 8 – Economic Development

Appleton will pursue economic development that retains and attracts talented people, brings good jobs to the area, and supports the vitality of its industrial areas, downtown, and neighborhood business districts.

OBJECTIVE 9.4 Economic Development:

Ensure the continued vitality of downtown and the City's neighborhood commercial districts.

Technical Review Group (TRG) Report: This item originally appeared on the October 19, 2021 TRG agenda. No negative comments were received from participating departments.

The following TRG comments are provided for additional background history:

Health Department and City Clerk's Office: On September 29, 2021, staff met with the applicant to obtain clarification on the responses listed on the initial liquor license application. In this meeting, the applicant was informed to contact the Community and Economic Development Department to discuss the Special Use Permit process.

Community and Economic Development Department: On September 30, 2021, staff had an initial conversation with the applicant and an email follow up explaining the Special Use Permit process for the proposed paint/craft studio with alcohol sales. Staff assisted the applicant with completing the Special Use Permit application form and provided the applicant with written correspondence on October 11, 2021, October 27, 2021, and November 4, 2021, of the initial date, time and location of the Plan Commission meeting held on November 10, 2021.

Inspections Division and Health Department: An on-site inspection of the premises was conducted on October 1, 2021 by the Inspections Division and Health Department staff. The following items were discussed with the applicant:

- 1. Food Preparation: The need for a grease hood. The applicant decided to use pre-cooked ground beef for the nachos. Since no longer planning to cook from raw meat, a grease hood would no longer needed.*

2. *Kitchen Area Improvements: The carpeting will need to be replaced with an approved floor covering, the installation of approved warewashing sinks, prep sink, mop sink, handwash sink, a grease trap and other equipment requirements.*
3. *Scaled floor plan: A scaled floor plan identifying room dimensions, restroom location with fixtures, room exits and details about the proposed use of the respective lease area would need to be prepared and be submitted to the Inspections Division for review.*
4. *Occupancy limits: Inspections indicated, 15 person maximum occupant limit for Units C and D – Rooms numbers 1, 2, 3, 4, 5 and 6 because the lease area only has one toilet fixture in the restroom. Adding an additional toilet, restroom, would allow a total of 80 occupants per DSPS building codes (Table 2902.1).*
5. *Exit Doors: The maximum number occupants that can occupy the lease area for one exit door is 49 persons per DSPS building codes (DSPS Table 1006.2.1). Two code compliant exit doors within the lease area would require additional review to establish maximum number of occupants.*

NOTE: The second door located on south wall of Unit 4 is labeled as an exit but is not a legal exit as it leads through an adjacent,/independent lease space to reach the actual exit door.

6. *Expectations: The applicant was asked to submit a scaled floor plan to the Inspections Division for their review so further assistance can be provided related to satisfying the applicable Building Codes.*

Health Department: On November 16, 2021, staff contacted the applicant. The applicant indicated the carpeting in the proposed kitchen area was replaced with new floor covering. A plumbing contractor was hired and is in the process of drawing up plans to submit to the Health Department and the Plumbing Inspector for review.

Zoning Ordinance Requirements and Substantial Evidence: When reviewing an application for a Special Use Permit, the City must determine if the applicant's proposal satisfies Municipal Code requirements and conditions. Pursuant to Section 23-66(c)(5) of the Municipal Code, the Plan Commission and Common Council must provide substantial evidence supporting their decision to approve, approve with conditions, or deny the Special Use Permit. Substantial evidence means "facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a Special Use Permit and that reasonable persons would accept in support of a conclusion." Any requirements and conditions listed for approval must be reasonable, and to the extent practicable, measurable.

Section 23-172(m) of the Municipal Code requires a minimum number of off-street parking spaces based on the use of a property. In this case, the property has historically functioned as a shopping center building, per Assessor's Office records. The proposal will not increase the gross floor area of the existing multi-tenant building. Therefore, additional off-street parking spaces are not required for the applicant's request.

Finding of Fact: This request was reviewed in accordance with the standards (proper zoning district, district regulations, special regulations, comprehensive plan and other plans, traffic, landscaping and screening, neighborhood compatibility, and impact on services) for granting a Special Use Permit under

Section 23-66(e)(1-8) of the Municipal Code, which were found in the affirmative, as long as all stipulations are satisfied.

The proposed alcohol service will be ancillary and subordinate to the primary use as a painting/crafts studio (i.e., an amenity for the customers). With the implementation of proposed stipulations of approval, the proposed use is not expected to cause or aggravate any problems in the neighborhood created by the sale of alcohol such as disturbance of the peace, excessive loud noises, traffic violations, or impact on city services.

RECOMMENDATION

Staff recommends, based on the above analysis, that Special Use Permit #3-21 for a paint/craft studio with alcohol sales located at 550 North Morrison Street Unit D – Rooms 3, 4, 5 and 6 (Tax Id #31-2-0586-00) as shown on the attached maps and per attached plan of operation, along with the attached resolution, **BE APPROVED** to run with the land, subject to the following conditions:

1. The applicant shall receive approval of a Liquor License from the City Clerk prior to serving alcohol on the premises.

Substantial Evidence: This condition provides notice to the applicant that a Liquor License is also needed prior to serving alcohol.

2. The use shall conform to the standards established in Chapter 9, Article III, Alcoholic Beverages, of the Appleton Municipal Code.

Substantial Evidence: This condition is one of the special regulations included in Section 23-66(h)(6) of the Zoning Ordinance for this particular use.

3. The site shall be kept free of litter and debris.

Substantial Evidence: This condition is one of the special regulations included in Section 23-66(h)(6) of the Zoning Ordinance for this particular use.

4. All Zoning, Building, Fire, Engineering, Utility and other Municipal Codes, and all applicable State and Federal laws shall be complied with.

Substantial Evidence: This condition is one of the special regulations included in Section 23-66(h)(6) of the Zoning Ordinance for this particular use.

5. The serving and consumption of alcohol is limited to the interior lower level tenant space, as identified on the attached development plan and floor plan drawings. Any future expansions for the serving and/or consumption of alcohol may require a major or minor amendment request to this Special Use Permit, pursuant to Section 23-66(g) of the Municipal Code.

Substantial Evidence: Standardized condition that establishes parameters for the current application and identifies the process for review of any future changes to the special use.

6. The serving and consumption of alcohol is limited to customers who are participating in the production of an arts and crafts project.

Substantial Evidence: This condition provides notice to the applicant that alcohol can only be consumed by customers when they paint and/or make crafts which is specified in the definition term for "Painting/Craft Studio with alcohol sales" pursuant to Section 23-22 of the Zoning Ordinance.

7. This Special Use Permit is needed for a paint/craft studio with on-site alcohol sales and consumption. Compliance with the plan of operation is required at all times. Changes to the plan of operation, including any future changes to the agent/operator, shall be submitted to the Community and Economic Development Department for review and approval.

Substantial Evidence: Standardized condition that establishes parameters for the current application and identifies the process for review of any future changes to the special use.

SECTION 2 – PREMISE AMENDMENT

Please describe the change in premises:

A drawing/diagram of the proposed area must also be submitted with this application

Due to instability of the ground under the patio, and subsequent closing of our current patio, we would like to extend our liquor license to the ground level area to the West, East and South of the patio. (The area highlighted in green) This allows us to offer our customers outdoor dining with the option of cocktails, as well as allows us the flexibility of accommodating private event customers who need outdoor seating. Once the patio is stabilized, it will allow for much sought after additional outdoor seating. The closing of the patio has cut our revenue in half. Also, we request to extend to the rest of Unit 1. Again, we have private event requests for that room, and being able to accommodate them would help immensely. We greatly appreciate your consideration.

REPORT TO SAFETY AND LICENSING COMMITTEE

Meeting Date: October 27, 2021

Premise Amendment Request Received from City Clerk's Office:
October 11, 2021

Item: Reserve "Class B" Liquor and Class "B" Beer License Permanent Premise Amendment Application for Fox River Boat Holdings Co. d/b/a River Tyme Bistro, Candice Mortara, Agent, Located at 425 W. Water Street Unit 100

From: Don Harp, Principal Planner

Pursuant to Section 9-77 of the Municipal Code and Section V. Procedures of the current General Policy Statement on Beer/Liquor Licensing, the Community and Economic Development Department investigation determines the following:

Outdoor Dining Request With or Without Alcohol Service

1. Currently, the site has 128 off-street parking spaces to accommodate customer and employee parking for the Atlas Mill building and Fratello's Riverfront Restaurant. In accordance with Sections 23-42(c) and 23-172(m) of the Zoning Ordinance, all existing off-street parking spaces shall be maintained as parking spaces. The proposed expansion of the outdoor dining into the 10 off-street parking spaces (highlighted green) located on the west side of the building will cause a deficiency of 10 parking spaces on the site.
2. The proposed expansion of the outdoor dining into the interior parking lot landscape island (highlighted green) located on the west side of the building will cause a deficiency in the required amount of interior parking lot landscape islands. In accordance with Section 23-172(f)(1)a. of the Zoning Ordinance, the interior parking lot landscape islands shall be maintained as is for their intended purpose.

Recommendation: Based on the above findings, staff recommends the request for alcohol license permanent premise amendment for the expansion of the outdoor dining with or without alcohol service within the 10 off-street parking spaces and the interior parking lot landscape islands (highlighted green) be **DENIED** because request causes the property to be **NOT** in compliance with Section(s) 23-42(c), 23-172(m) and 23-172(f)(1)a. of the Zoning Ordinance as specified above.

Interior Expansion Within Unit 1

3. Special Use Permit #01-06 was transferred to River Tyme Bistro on January 20, 2020 (see attached). Condition Number 2 of said transfer states, " Any future expansions into any area of building/property not part of this approval for the purpose of serving and/or consumption of

alcohol will require a *new Special Use Permit* application or a minor amendment request to be applied for and approved.”

Note: A new Special Use Permit has not been applied for by the owner/applicant. Approval of a new Special Use Permit for a restaurant with alcohol sales is required prior to the issuance of the amended liquor license.

Section III of the General Policy Statement on Beer/Liquor Licensing states, “Where required, no corporation, partnership or individual will be issued a beer/liquor license for the premises until a Special Use Permit application has been submitted. This would allow for the Community and Economic Development Department to review and determine whether or not the applicant must apply for and receive approval of a Special Use Permit pursuant to the current Zoning Code.”

Recommendation: Based on the above findings, the owner/applicant shall apply for and receive approval of a new Special Use Permit from the Common Council prior to the issuance of the request to expand alcohol service into the remaining area of Unit 1 located inside the building and the expanded outdoor premises area in compliance with all applicable Municipal Codes.

We recommend applicant/owner contact the Community and Economic Development Department at (920) 832-6468 to discuss the Special Use Permit approval process and assist with working out a solution to develop a proposal that satisfies the applicable Municipal Code regulations regarding the outdoor dining area.

The Plan of Operation/Floor Plan submitted for River Tyme Bistro, appears to meet the general intent and character of previously approved Special Use Permit #01-06. Therefore, Special Use Permit #01-06 can be transferred from Atlas Coffee Mill & Cafe to the owner of River Tyme Bistro for the operation of a restaurant with alcohol sales and consumption, including the use of the deck (outside space) on the south side of the building located at 425 West Water Street, Suite #100 within the highlighted area shown on the attached floor plan Sheet A-2, provided the above listed conditions are complied with.

City of Appleton Special Issuance of License by Mayor

Pursuant to Sec. 9-25 of the municipal code, the Mayor may issue a license or permit when an applicant appears they are entitled to such license/permit and a meeting of the governing body is the only obstacle for the applicant in obtaining such license/permit.

Applicant: Creative Downtown Appleton (ADI)

Event: Light Up Appleton 11-20-2021

Meeting Date: Recommended for approval at 10/27/21 S&L

Notes: As outlined in the Municipal Code, the Safety & Licensing Committee has the authority to issue temporary alcohol licenses without requiring Council approval. ADI (Creative Downtown) contacted the Clerk's office indicating that they inadvertently did not check the box for a Temporary Class "B" Fermented Malt Beverage license in addition to the Temporary "Class B" Wine License that was approved by Safety & Licensing Committee. ADI (Creative Downtown) is requesting the issuance of the Temporary Class "B" Beer license, in addition to the Temporary "Class B" Wine license that was previously approved.
