		<u>Attachments:</u> <u>Memo_R</u>	Reorganization_CEDandDPW_F	Final.pdf
		Public W	Vorks DRAFT 3.27.23.pdf	
		<u>Commur</u>	nity & Economic Development D	DRAFT 3.2023.pdf

7. Adjournment

Notice is hereby given that a quorum of the Common Council may be present during this meeting, although no Council action will be taken.

Any questions about items on this meeting are to be directed to Kara Homan, Director, Community and Economic Development Department at 920-832-6468.

Reasonable Accommodations for Persons with Disabilities will be made upon Request and if Feasible.

*We are currently experiencing intermittent issues/outages with our audio/video equipment. Meeting live streams and recordings are operational but unreliable at times. This is due to delays in receiving necessary system hardware components. We continue to look for solutions in the interim and we hope to have these issues resolved soon.

Meeting Minutes - Final

Community & Economic Development Committee

Wednesday, March 22, 2023	4:30 PM	Council Chambers, 6th Floor
		,

1. Call meeting to order

Chair Alfheim called the meeting to order at 4:30 p.m.

2. Roll call of membership

Present: 4 - Thao, Alfheim, Wolff and Jones

Absent: 1 - Del Toro

Others present: Tara Prahl, Pillars, 605 E. Hancock Street

3. Approval of minutes from previous meeting

<u>23-0259</u> CEDC Minutes from 3-8-23

Attachments: CEDC Minutes 3-8-23.pdf

Jones moved, seconded by Wolff, that the Minutes be approved. Roll Call. Motion carried by the following vote:

Aye: 4 - Thao, Alfheim, Wolff and Jones

Absent: 1 - Del Toro

4. Public Hearings/Appearances

5. Action Items

<u>23-0215</u>	Development	oprove the REVISED 2023-2024PY Community Block Grant (CDBG) funding as specified in the attached artner allocation recommendations
	<u>Attachments:</u>	Alloc Recs 2023 Final Award Memo to CEDC 3-22-23.pdf
		2023 CDBG Community Partner Award Recommendations <u>Updated.pdf</u> 2023 CDBG Simple Summary Award Recommendations Updated.pdf

		econded by Thao, that the Report Action Item be recommended oll Call. Motion carried by the following vote:
	Aye: 4 - Tha	ao, Alfheim, Wolff and Jones
	Absent: 1 - De	I Toro
Information It	ems	
<u>23-0213</u>	2022 Growth	Report for the City of Appleton
	Attachments:	2022 Growth Report Summary_CEDC 3-22-23.pdf
		2022 City of Appleton Growth Report.pdf

This item was presented and discussed.

7. Adjournment

6.

Wolff moved, seconded by Jones, that the meeting be adjourned at 4:53 p.m. Roll Call. Motion carried by the following vote:

Aye: 4 - Thao, Alfheim, Wolff and Jones

Absent: 1 - Del Toro

Appleton Housing Overview

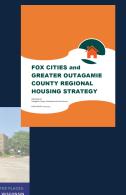

Community & Economic Development Committee April 2023

Kara Homan, Director Jessica Titel, Principal Planner Community & Economic Development Department

Policy Framework / Guiding Documents

- Regional:
 - Housing Strategy for the Fox Cities and Greater Outagamie County Region
- Local:
 - College Avenue North Neighborhood Plan (city-wide market study) - 2022
 - 2010 2030 Comprehensive Plan updated in 2017
 - Housing Affordability Report updated annually
- Other:
 - A User's Guide to Wisconsin Neighborhood Affordability (supported by the League of WI Municipalities)

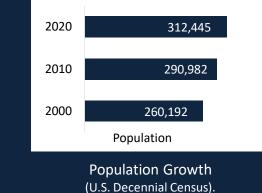

Housing markets are regional

They're affected by:

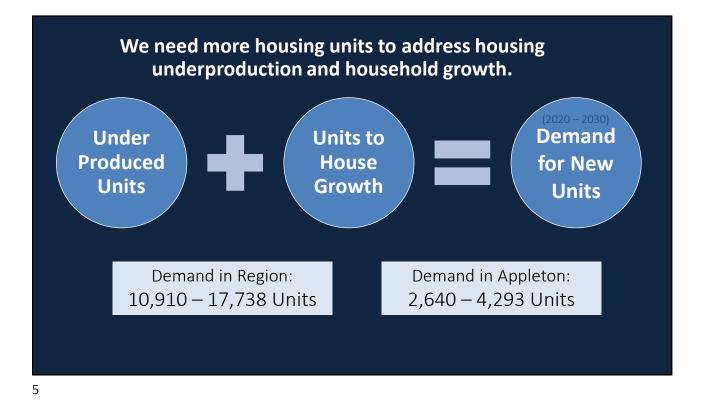

- Policy at all levels of government
- Land use rules that vary by jurisdiction
- Employee & business locations
- Our transportation network
- Decisions made by developers
- The choices of thousands of households

Regional Housing Context:

A Snapshot of Residential Vacancies throughout the Region (ACS 2016-2020).

Projected City housing need between 2020 and 2030

Total Need			2020-2030 2.850-3.250	Total # of Owner Occupied Units needed (57-61%)
Total Owner Occupied	850-900	900-950	1.750-1.850	
Affordable Low: <\$125,000		ate in the existing	, ,	
Affordable Moderate: \$125k-\$200,000		29%		
Moderate Market: \$200k-\$250,000		24%		
Market: \$250k-\$400,000		27%		Total # of Renter Occupied
High Market: Over \$400,000		20%		Units needed (38-40%)
Total Renter Occupied	550-600	600-650	1.150-1.250	
Low. Less than \$650	Will not	be supplied by t	he market	
Affordable: \$650-\$1,000		31%		
Market: \$1,000-\$1,500		27%		
High Market: \$1,500+		21%

* Source: College Avenue North Neighborhood Plan – Market Study				

We need housing that is affordable to households & families of ALL incomes.

	Extremely Low Income	Very Low Income	Low Income	Moderate Income	High Income
Household Income:	< \$25K	\$25k - \$42K	\$42K - \$67K	\$67K - \$101K	> \$101K
Affordable Housing Cost (Monthly):	< \$630	\$630 - \$1,000	\$1,000 - \$1,700	\$1,700 - \$2,500	> \$2,500
Share of Households:	15%	15%	21%	21%	28%
Cashier \$22,860	Preschool (Teacher \$26,590	Construction Laborer \$39,400	Licensed Practical Nurse \$48,580	Police Officer \$62,840	Computer / IT Managers \$126,050

7

We need greater housing choice to accommodate our changing demographics and to address growing affordability challenges.

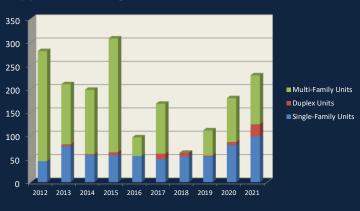

We need to continue to preserve and maintain our existing housing stock.

- Improve housing that has fallen into disrepair
- Improve the functionality of older homes
- Stop the deterioration of units before condemnation
- Improve neighborhood performance (property values, curb appeal, etc.)
- Preserve the property tax base
- Incorporate ADA-accessible home improvements

Where have we been? – City Housing Trends

What has the City done to implement housing strategies and support housing development?

ACCOMPLISHMENTS FROM CHAPTER 14: DOWNTOWN PLAN

Recommendation Implementation Strategy 4.8: Support private sector Created Tax Increment Financing Districts efforts to redevelop and invest in #11 and #12 for the east and west ends downtown. of downtown in 2017. Strategy 3.4: Revise CBD zoning to Amended CBD zoning in 2018 to allow permit first floor dwellings on parcels ground floor residential (except along which do not front College Avenue. College Ave.) and standalone residential. Strategy 3.1: Encourage mixed-use and Revamped the C-1 zoning district in 2020 mid-density residential redevelopment to accommodate mixed-use infill and on the edge of downtown. redevelopment. Strategy 1.3: Implement appropriate Completed the Downtown Streetscape streetscaping projects throughout the Design Guide in 2021 to inform decisions as street reconstruction projects occur. downtown.

What has the City done to implement housing strategies and support housing development?

- Updated zoning code to allow for more housing options and flexible re/development
 - Increased multi-family residential densities (no maximum density in the CBD, C-1 or C-2 zoning districts)
 - Amended the C-1 Neighborhood mixed use district (increased lot coverage, reduced parking requirements, no maximum MF density, reduced setbacks, encourage parking to the rear of the buildings)
 - Accessory Dwelling Units are now allowed in residential districts
 - Allow for zero lot line dwellings
- Support redevelopment of existing infill properties C-1 zoning district updates and CBD district

What has the City done to implement housing strategies and support housing development?

- Preserve existing housing stock City Housing Rehab Program
- Allocated \$3 M of ARPA funds towards affordable housing.
- Incentivized housing stock production through TIF Development Agreements.
- Inventoried every vacant residentially-zoned parcel.
- Developed, & began implementing College Avenue North plan to reimagine redevelopment.
- Site assessment and master plan of Valley Transit Site potential housing joint development concept.
- Community Development Block Grant funds awarded to agencies that create & rehabilitate affordable housing

How do we compare to best practice recommendations?

Recommendations from *Enabling Better Places: A User's Guide to Neighborhood Affordability – February 2022* (supported by the League of WI Municipalities)

- 1. Realign lot widths and areas to match historic patterns favoring narrower lots.
 - City already has relatively small and narrow lot minimums (i.e. R-1B = 6,000 SF and 50' width, R-1C 4,000 SF and 40' width for detached single family).
- 2. Reduce setbacks to historic distances to allow greater use of existing lots.
 - R-1C district allows for a 10' front yard setback (20' on arterials).
- 3. Allow accessory dwellings by right for all single-family zoning districts.
 - ADUs and JADUs allowed in all residential districts.
- 4. Permit residential uses within downtown and Main Street zoning districts.
 - Stand alone multi-family is allowed in the CBD and C-1 districts. Residential is allowed as an accessory use in the C-2 districts. No density maximums.

How do we compare to best practice recommendations? Continued.....

- 5. Permit residential uses, including multi-family, in commercial districts.
 See #4 above.
- 6. Manage residential density with building types not units per acre in each district.
 - No maximum residential density in the C-1, CBD or C-2 districts. Also recently double the allowed MF density in the R-3 district.
- 7. Reduce or eliminate parking minimums.
 - No parking required in the CBD district, 50% parking reduction in the C-1 district and allow for a 20% administrative parking reduction/adjustment in all districts.
- 8. Assess and streamline the subdivision and workforce housing application process, including standards that direct development outcomes and a time limit on municipal response.
 - Staff is currently meeting internally to streamline the subdivision review process and updates to Subdivision Code Chapter 17 are on the horizon.

MEMORANDUM

meeting community needs...enhancing quality of life."

- TO: Human Resources/IT Committee
- FROM: Kara Homan, AICP, Director of Community & Economic Development Danielle Block, PE, Director of Public Works
- DATE: March 31, 2023
- RE: Proposed Table of Organization Changes – DPW and CED

Background & Overview:

The Department of Public Works (DPW) and the Community & Economic Development (CED) Department have undergone significant leadership transitions, most recently in CED with the promotion of David Kress to Deputy Director; and in DPW with the promotion of Pete Neuberger, PE to Deputy Director/City Engineer, pending the retirement of Ross Buetow, PE in early April. DPW and CED leadership felt it prudent to evaluate organizational structures within and between our departments with the following goals: alignment of related functional areas; enhanced customer experience; balancing of workload and supervisory oversight; and improved collaboration and coordination within and between departments. With this in mind, the following is being proposed (see attached proposed Tables of Organization):

Realignment of Principal Planners within CED. The three principal planners reporting structure will shift from the Director of CED to the Deputy Director. This will create a division focused on planning and development, and allow for better integration of policy and programming between the functional areas of long-range planning, GIS, community development, and economic development.

Inspections Division moves from DPW to CED. The Inspections Division reporting structure will be realigned from the Deputy Director of Public Works/City Engineer table of organization, to reporting directly to the Director of Community & Economic Development. This will allow for close integration with the short-range planning function and enhanced coordination and workflows through the life-cycle of development projects - from concept to planning, approval, permitting, inspection, and enforcement. This will still require significant coordination with DPW/Engineering, Health, and Fire, but will centralize one department (CED) as the coordinating/facilitating entity for all things related to private development / real property.

This organizational structure (aligning inspections/permitting with planning/development) is one that is used by mid-sized communities throughout the Fox Valley (e.g. Neenah,

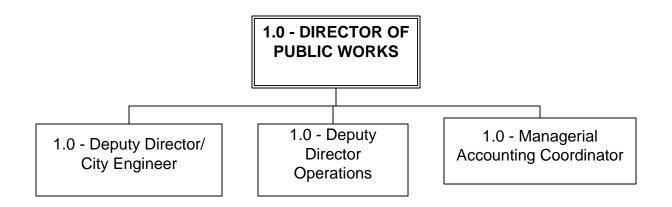

Menasha, Kaukauna, DePere, Green Bay, Oshkosh, Fond du Lac) and throughout the State (e.g. Eau Claire, Waukesha, Stevens Point, Marshfield, Sun Prairie, among others).

Fiscal Impact: This proposal is budget NEUTRAL.

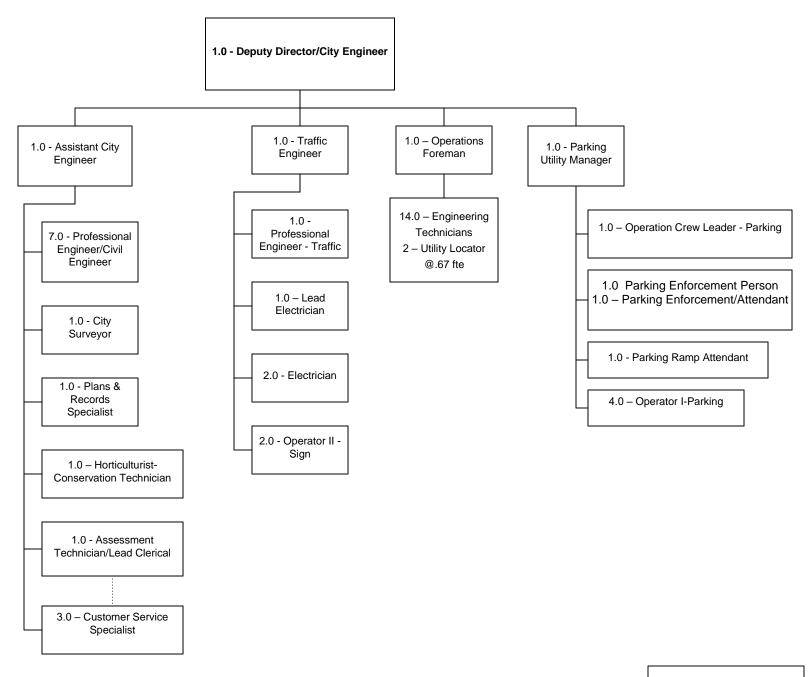

Staff Recommendation:

DPW and CED Directors recommend approval of the proposed reorganization of our respective tables of organization.
