PROCLAMATION

Office of the Mayor

WHEREAS, human milk feeding is the biological norm for infant feeding and a proven foundational prevention strategy for life-long health and wellness; and

WHEREAS, major medical authorities, including the American Academy of Pediatrics, recommend exclusive human milk feeding for the first six months of a child's life, with continued human milk feeding as long as is mutually desired by mother and child for two years or beyond; and

WHEREAS, the Center for Disease Control and Prevention's latest analysis of birth certificate data reports that among infants born in 2019, only 24.9% were exclusively breastfed through six months of age; and

WHEREAS, human milk provides a safe, reliable, and renewable food source, especially critical during emergency situations, such as the recent formula shortage; and

WHEREAS, there are substantial racial and ethnic disparities in access to lactation support resulting in reduced breastfeeding rates and an associated increase in the risk of a variety of negative health outcomes; and

WHEREAS, breastfeeding support requires evidence-based, unbiased information, wrap-around community support, and support from partners, families, workplaces, and communities to create an environment that empowers parents to breastfeed.

NOW THEREFORE, BE IT RESOLVED, THAT I, JACOB A. WOODFORD, Mayor of the City of Appleton, Wisconsin, do hereby proclaim the month of August 2023, as

Breastfeeding Awareness Month

in Appleton and encourage citizens to join healthcare and breastfeeding advocates in celebrating and promoting awareness of the benefits of breastfeeding and supporting parents in doing so.

Signed and sealed this 27th day of July 2023.

JACOB A. WOODFORD
MAYOR OF APPLETON

PROCLAMATION

Office of the Mayor

WHEREAS, the City of Appleton recognizes that investment in creative economy development, creative placemaking, and civic engagement through the arts and creativity are important to the health and vibrancy of the community and its future; and

WHEREAS, the City of Appleton appreciates that creative economy development and community cultural engagement are directly related to economic vitality, education for the 21st century, engaged residents, and a community's vibrancy and success; and

WHEREAS, the City of Appleton recognizes that investment in its creative economy is critical for local and statewide success for these reasons:

- The annual Arts and Cultural Production Satellite Account (ACPSA) study tracks the economic impact of arts and cultural production nationally from 35 nonprofit and commercial industries. Among the report's findings, Wisconsin's arts and cultural production account for \$10.8 billion, or 2.9%, of the Wisconsin economy.
- Those industries support 87,185 jobs and create \$6.3 billion in compensation for creative workers, according to the report.
- In 2022, the national average annual growth rate in the contribution of arts and culture was 2.9%, a decline from a high of 4% in 2002.

WHEREAS, the City of Appleton celebrates the many creative economy activities, projects, and initiatives, such as education programs at museums, revitalization initiatives, and civic engagement projects happening in communities across Wisconsin.

NOW, THEREFORE, BE IT RESOLVED, THAT I, JACOB A. WOODFORD, Mayor of the City of Appleton, do hereby proclaim the week of July 31-August 6, 2023, as

Creative Economy Week

RE: Action: Award the City of Appleton’s “2023 MSB CEA Shop HVAC Replacement Project” contract to Southport Engineered Systems in the amount of \$664,550 with a contingency of 8% for a project total not to exceed \$717,714.

The 2023 Capital Improvement Plan includes \$750,000 to replace the HVAC system for the MSB CEA Shop. Of that amount, \$24,485 has been utilized for design, leaving a construction balance of \$725,515. The project will include replacing the existing make-up air units, exhaust fans, and controls. The current HVAC units are at the end of their useful life and are in need of replacement.

The bids were received as follows:

Southport Engineered Systems (low bid)	\$664,550
August Winter and Sons, Inc.	\$670,500
Great Lakes Mechanical, Inc.	\$691,209

Our consulting engineer has written the City of Appleton a formal letter of recommendation to award the contract to Southport Engineered Systems. The Parks, Recreation, and Facilities Management Department has also reviewed the bids and is in agreement with the engineer’s recommendation. Therefore, we recommend awarding the contract to Southport Engineered Systems in the amount of \$664,550 plus a contingency of 8% only to be utilized as needed.

Whereas, the Common Council of the City of Appleton, while concerned that Act 12 also contains further limits on local control related to public safety, public health and allowing our citizens to express their views via advisory referenda, is pleased that the Legislature has recognized that the increase in municipal aid is vital in allowing cities, towns and villages to maintain infrastructure, services and public safety.

Now, Therefore, Be It Resolved, that the City of Appleton thanks the Legislature for increasing funding for the shared revenue program and directs the Clerk to send a copy of this resolution to the state legislators representing the City of Appleton, to Governor Tony Evers and to the League of Wisconsin Municipalities.

MEMORANDUM

“...meeting community needs...enhancing quality of life.”

TO: Community & Economic Development Committee (CEDC)

FROM: Matt Rehbein, Economic Development Specialist

RE: Hayden Properties, LLC Variance Request – Portion of Lots 26, 27, 28 & 29 Southpoint Commerce Park Plat No. 3 and Parcel ID #31-9-5712-00

Hayden Properties (an entity of F Street Development) has notified the City that they have secured a “build to suit” project that will utilize approximately 16 acres of the roughly 30 acres under contract in the Southpoint Commerce Park. The prospective tenant’s operations will primarily consist of manufacturing, wholesaling, warehousing, and distribution as indicated on the site plan (attached). As part of the tenant’s operations, they will have a fleet of delivery vehicles stored and maintained on-site. A “truck shop” of approximately 3,120 square feet is proposed on the site plan. This will be used exclusively for the maintenance and service of tenant delivery vehicles. No commercial truck repair will be done on-site.

The Southpoint Commerce Park Deed Restrictions and Covenants, Section 2 “Land Use”, does not provide for a truck shop. Additionally, Section 4 “Building Standards” (A) states that, “Any building erected shall be at least 7,500 square feet in area and have a gross floor area equal to at least 10 percent of the land area.”

Staff is recommending approval of this variance as the use is complementary to the primary allowed use on-site, and the gross floor area of both buildings well exceeds the 7,500 square feet and 10 percent requirements.

Hayden Properties is an entity of F Street Development. F Street has already purchased approximately 55 acres in Southpoint Commerce Park and built two manufacturing / industrial / warehousing buildings of approximately 220,000 sq. ft. and 250,000 sq. ft, with a third 250,000 sq. ft. building currently under construction.

Staff Recommendation:

A variance to Section 2 “Land Use” and Section 4(A) “Building Standards” to allow for an approximately 3,120 square foot truck maintenance facility on the approximately 16 acres of Lots 26, 27, 28 and 29 in Southpoint Commerce Park Plat No. 3 and Parcel ID #31-9-5712-00
BE APPROVED.

Matt: Thanks for your time just now on the phone.

As discussed, the prospective tenant that we are working together on finalizing the lease with will have a separate truck maintenance facility on site (see attached site plans), which accounts for less than the 3% of the total square footage between the 2 buildings.

This building will be used by the tenant exclusively for maintaining their own fleet vehicles, and not as a commercial maintenance facility that services other vehicles.

We are seeking a variance for this, and understand the timeline will be August 2nd for final approval.

Note: In terms of seeking additional variance for building materials, as discussed just now, please confirm that we will not be seeking one for this.

Jessica: I am attaching the completed signed Application for Zoning Verification Letter here. Please confirm this is accurate and correct.

Jordan: Please mail a check to the City of Appleton for \$50.

Thank you all.

3. *Nuisance Factors and Hazards*

- A. In order to protect the interests of all Tenants, no operation shall be conducted which emits offensive or objectionable noise, vibration, smoke, odors, dust, or gases. The building footprint, all parking, driveways, and loading areas, when combined, may not exceed seventy (70) percent of the total Parcel size.
- C. Buildings shall be designed by an Architect or Engineer. Complete architectural design must be given to all façades of all buildings with all sides and rear elevations being given architectural treatment compatible with the front elevation of the building.

The building materials used shall be harmonious with the natural environment and with the general character of other buildings and structures in the Park.
- G. Metal trim materials may be used when in keeping with the architectural and aesthetic character of the building or structure.

In that event, the Community Development Committee shall review and approve the location of the loading dock. The Community Development Committee may assign this review of plans to the Community Development Department.

8. ***Outdoor Storage:***

No outside storage of any kind shall be permitted unless such stored materials are visually screened from all streets and adjoining properties with a suitable fence, vegetation, berm, or combination thereof approved by the Site Plan Review Committee. and exclusive judgment, justifies the granting of same.

17. ***Enforcement:***

In the event that the owner fails to perform in accordance with these covenants and restrictions, the Common Council, upon recommendation of the Community Development Committee, may take whatever corrective measures it deems appropriate and assess the cost thereof against the property in the same manner as a special charge. The Common Council shall give at least thirty (30) days notice to the vendee of any violation and the steps required to correct it prior to taking any action to cure such violation.

18. ***Invalidation:***

The invalidation of any one of the covenants or restrictions herein set forth or the failure to enforce any of said covenants and restrictions at the time of its violation shall in no way affect any of the other covenants or restrictions nor be deemed a waiver of the right to enforce the same thereafter.

19. ***Term:***

RE: Extension of the Completion Date for Development Agreement Between 318 College Ave LLC and City of Appleton

The City of Appleton has received a request from 318 College Ave LLC for an extension of the completion date to the Development Agreement dated March 24, 2021.

Section 4.1.1 calls for completion of the project by June 30, 2023. Due to labor and supply chain issues, construction has been delayed. Developer is seeking an extension of six (6) months to Section 4.1.1 as anticipated in the original agreement. While this extension is for six (6) months, Developer expects to be complete within the next couple weeks. Per the City's Commercial Building Inspector, the residential units are complete; however, the first floor commercial units are not quite ready, so a Certificate of Occupancy cannot yet be issued.

Staff believes Developer has been working in good faith to complete this project and meet the terms of the original agreement. This amendment will only affect the completion date of the project. Developer's requirement to create \$8.1M in increment by January 1, 2024 will not change with this extension.

Staff Recommendation:

Extend the Development Agreement with 318 College Ave LLC, Section 4.1.1 for a period of an additional six (6) months **BE APPROVED**.

Hello Matt,

Thank you for the note and rest assured I really want this project completed, more than anyone else!

1) Estimated completion is ASAP! It was supposed to already be done!! I am being told a few weeks yet for finishing touches and all items code related to the white box for commercial space.

2) Reasons for delay are still material delays, sub-contractor and labor related. There seems to be some issues with back ordered materials and items not coming in, and also employees (or lack there of) for the sub contractors. Not enough of them and not the highest quality of some of the work being performed which then needs to be re-done after QC. Then scheduling conflicts and crews not being available to finish their work before the next trade comes in to start and complete their tasks.

If you are able to extend another 6 months, I am more than confident we will be fully completed long prior to expiration.

Thanks again for reaching out and I'll let you know when I am in town to give a formal tour!

Warmest regards,

Matthew Cole

Good Afternoon Matthew,

In speaking with Dan Meissner, I understand you may be seeking an amendment to Section 4.1.1 of your DA to extend the completion Date by 6 months for your project at 318 W. College from June 30. I'd be happy to help with that, all I'll need is a request from you (E-mail is fine) that includes 1) When you anticipate completion 2) reason(s) for delay. If you can get that to me by noon Wednesday (7-19), I can get this on the next committee Agenda for July 26, which would go on to Council Aug. 2 for final approval. Given you've clearly been working in good faith to complete the project, and this extension won't impact the financial obligation(s) of the City at all, I don't anticipate any issue with the request. Thank you.

City of Appleton

TAX INCREMENT DISTRICT NO. 11 DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (the "Agreement") is dated as of the 24th day of March, 2021, by and among 318 College Ave LLC, a Wisconsin limited liability company ("Developer") and the City of Appleton, a Wisconsin municipal corporation (the "City").

RECITALS

Developer and the City acknowledge the following:

A. Developer owns or will acquire the real property located 318 W. College Avenue, (Parcel 31-2-0243-00) Appleton, WI more particularly described in Exhibit A, attached hereto (hereafter the "Property").

B. The Property is located within the City in Tax Increment District #11 (the "District") which was created in 2017 pursuant to Section 66.1105, Wis. Stats. along with a plan for the redevelopment of the District (the "District Plan") that provides for, among other things, the financial assistance set forth in this Agreement.

C. Subject to obtaining the financial assistance set forth herein, Developer has proposed improvements to the Property to create an approximately one floor of commercial/retail space and four floors consisting of approximately thirty-nine (39) market rate living units offering one, two and three bedrooms with approximate square footage ranging from 750 to 1,460 per unit (the "Project"). All references to the Project include the Property.

D. The City has determined that the Project will spur economic development, expand the City's tax base and create new jobs; that such financial assistance is a Project Cost under the Tax Incremental Law; that the amount of financial assistance provided pursuant to this Agreement is the amount necessary to induce development of the Project; and, that the Project will not proceed without the financial assistance set forth in this Agreement.

E. Subject to obtaining financial assistance as set forth herein, Developer intends to undertake a redevelopment of the property that will increase the value of the Property and provide other tangible benefits to the surrounding neighborhoods and to the City as a whole, consistent with the District Plan. The City finds that this redevelopment of the Property and the fulfillment, generally, of the terms and conditions of this Agreement are in the vital and best interests of the City and its residents and serves a public purpose in accordance with state and local law.

F. The City, pursuant to Common Council Action dated March 17, 2021 has approved this Agreement and authorized the execution of this Agreement by the proper City officers on the City's behalf.

G. The Developer has approved this Agreement and authorized the appropriate officers to execute this Agreement on the Developer's behalf.

H. The base value of the Property for purposes of this Agreement, including calculating increment generated by the Project, is Eight Hundred Twenty-Seven Thousand Dollars (\$827,000). The Developer estimates the project will create up to an additional Seven Million Two Hundred Seventy-Three Thousand Dollars (\$7,273,000) in incremental value.

I. All terms that are capitalized but not defined in this Agreement and that are defined under the Tax Increment Law shall have the definitions assigned to such terms by the Tax Increment Law.

AGREEMENT

NOW, THEREFORE, in consideration of the Recitals and the promises and undertakings set forth herein, the parties mutually agree and covenant as follows:

ARTICLE I UNDERTAKINGS OF THE DEVELOPER

1.1 Developer's Project shall include improvements to, and development of, the Property as set forth in Exhibit B that will result in an increase in the Property's assessed value. All aspects of the Project shall be in accordance with all applicable City zoning and building codes, ordinances and regulations.

1.2 Project Costs shall include, without limitation, costs incurred after approval of this agreement for the construction of improvements (including infrastructure improvements), environmental remediation costs, demolition, interior remodeling and development of the project.

1.3 Developer warrants and represents to the City that but for the assistance provided by the City under Article II, herein, Developer would not be able to proceed with the Project.

1.4 Developer and City acknowledge that several of the specific undertakings of the parties may require approvals from directors, boards or the City Council as applicable. The parties' agreements are conditioned upon the obtaining of all such approvals in the manner required by law. The parties cannot assure that all such approvals will be obtained; however, they agree to use their best good faith efforts to obtain them on a timely basis.

ARTICLE II UNDERTAKINGS OF THE CITY

2.1 The City shall appropriate sufficient funds for the performance of the City's obligations under this Agreement.

2.2 City shall cooperate with Developer throughout the Project and shall promptly review and/or process all submissions and applications in accordance with applicable City ordinances.

2.3 Subject to all of the terms, covenants and conditions of this Agreement and applicable provisions of law, and as an inducement by the City to Developer to carry out the Project, upon completion of the Project (which shall be defined as issuance of occupancy permits for all floors of the Project (hereafter "completion")) the City will provide payments to Developer solely from the future Tax Increments (derived from both real and personal property) to assist with Developer's Project Costs. The City's total payment of Tax Increment Revenue to the Developer shall not exceed the lesser of i) \$1,309,140 or ii) Eighteen percent (18%) of the Tax Increment Value as of January 1, 2023, plus interest thereon (the "Contribution").

The Contribution will be paid to Developer as follows:

2.3.1 As the sole source for payment of the Contribution, the City agrees to pay the Developer an amount equal to ninety percent (90%) of the Tax Increment Revenue attributable to, and actually received from, the Property during the calendar year.

2.3.2 Payments under this Agreement shall be due in annual installments on August 15 of the calendar year following the first tax year after completion of the Project and continuing on each August 15 thereafter for a period of time described in Sec. 4.2

2.3.3 Interest on the Contribution shall begin to accrue upon completion of the Project. The interest rate on the Contribution shall be lesser of 1) the interest rate paid by the Developer to the primary lender for the Project, as evidenced by the note indicating the loan amount; or, 2) five percent (5%).

2.3.4 The Contribution shall be a special and limited obligation of the City and not a general obligation. Payments shall first apply to accrued interest and then to the principal balance of the Contribution. Unpaid interest in any year shall be added to the principal balance of the Contribution and accrue interest. The City may prepay the Contribution, in its sole discretion, at any time, with no prepayment penalty.

2.4 This Agreement fully evidences the City's obligation to pay the Contribution. No separate instrument will be prepared to evidence the City's obligation to pay the Contribution. The Contribution shall not be included in the computation of the City's statutory debt limitation because the Contribution is limited and conditional and no taxes will be levied or pledged for its payment. Nothing in this Agreement shall be deemed to change the nature of the City's obligation from a limited and conditional obligation to a general obligation.

2.5 The City covenants to Developer that until the Contribution plus interest thereon has been paid in full, the City shall not close the District prior to its statutory expiration date.

2.6 The City shall, upon Developer's request, provide to Developer an accounting of the status of the District including, but not limited to, the outstanding principal balance of the Contribution and annual Tax Increments received from the District.

2.7 Developer hereby acknowledges that, as a result of the special and limited nature of the City's obligation to pay the Contribution, Developer's recovery of the full amount of the Contribution depends on factors including, but not limited to, future mill rates, changes in the assessed value of the Property, the failure of the Property to generate the Tax Increments at the rate expected by Developer, reduction in Tax Increments caused by revenue-sharing, changes in the Tax Increment Law, and other factors beyond the City's and/or Developer's control.

ARTICLE III PAYMENT OF TAXES

3.1 As long as the District is in existence, the Property and all buildings and improvements thereon shall be owned and taxable for real estate tax and special assessment purposes. The City may waive any or all of the restrictions upon execution of a payment in lieu of taxes (PILOT) agreement on a form acceptable to the City.

3.2 Throughout the duration of this agreement, all ad valorem property taxes properly assessed against the Property will be paid timely and in full.

3.3 In the event that any property owned by Developer within the District becomes exempt from ad valorem property taxes during the life of the District, then for the remaining life of the District, the Developer will make (or cause to be made) annual payments in lieu of taxes in amounts equal to what the ad valorem property taxes would have been for such other property had it not been exempt. If the Developer conveys the Property within the District to any party (related or unrelated), the terms of such sale shall impose as a covenant upon all successor owners of the property the foregoing obligation for payments in lieu of taxes during the life of the District. The City shall be a beneficiary of such covenant and entitled to enforce same against the successor owners.

ARTICLE IV CONDITIONS TO PAYMENT; TERMINATION OF AGREEMENT

4.1 The City shall have no obligation to pay any portion of the Contribution to Developer unless and until all of the following conditions shall have been met:

4.1.1 The Project's completion on or before December 31, 2022 subject to reasonable extensions, not to exceed six (6) months each, for Force Majeure which shall include, but not be limited to, any delays caused by pandemic or other acts beyond the reasonable control of the Developer. Such extensions shall be by mutual written agreement and, in considering any requested extension, the City and Developer agree that each will act in good faith, cooperate in expeditious and timely approvals, and said extensions shall not be unreasonably withheld, conditioned or delayed by City.

4.1.2 The Property's assessed value is no less than Eight Million One Hundred Thousand Dollars (\$8,100,000) on or after January 1, 2023.

4.2 This Agreement, and the City's obligation to make, or continue, any payments of the Contribution, shall terminate when any of the following shall have occurred:

4.2.1 The conditions in Section 4.1 are not met.

4.2.2 The Contribution is paid in full or August 15, 2039, whichever occurs first.

ARTICLE V CONFLICT OF INTEREST

5.1 No member, officer or employee of the City, during his/her tenure or for one year thereafter, will have or shall have had any interest, direct or indirect, in this Agreement or any proceeds thereof.

RE: PARK CENTRAL - EXECUTIVE SUMMARY

318 College Ave, LLC (the “Developer”) has been established to undertake the successful purchase, rehabilitation and redevelopment of the Park Central building, located at 318 West College Avenue in downtown Appleton, Wisconsin.

The Developer believes in the City of Appleton’s past and current efforts to attract and retain businesses and residents while improving the community with growth management and capital projects. We intend to serve a current housing need and enhance the community by re-developing this property and holding it as a viable, long term investment.

The Park Central property is located in the heart of the Central Business District in Appleton, and will be transformed into a state-of-the-art 75,000 sq. ft. building with over 16,500 square feet of Class A commercial space sub divided for multiple business occupants. The mixed-use improvements to Park Central will include a redeveloped second floor and an additional three floors of IIIB new construction slated for rental apartment use. The new apartments will offer a mix of one, two and three-bedroom units, yielding a total of 51 bedrooms in 39 apartments. Through careful planning, design and the use of quality construction techniques, and premium building materials, including glass, steel, brick and high-end finishes, we will provide modern, luxurious yet affordable residential units and commercial spaces serving Appleton residents and businesses.

Our vision for the building at 318 W. College Ave is to provide an iconic structure for the Fox Valley and downtown Appleton. The Park Central development will become a staple in the community through an energetic and vibrant atmosphere for the commercial businesses and a welcoming home to the residents with a focus on security, cutting edge technology, desired amenities, convenience and a positive environment for all tenants. The apartments will cater to many demographics including retirees/empty nesters, young professionals, young families, and students. Park Central will feature unmatched levels of customer service and attention to detail with dedicated on-site property management, building amenities and secure residential access.

The existing structure is a two story over basement ~45,000 sq. ft. building in need of significant structural, mechanical, and aesthetic repairs. The building was purchased for \$1,065,000.00 in June of 2019. The 30,000 sq. ft. addition and improvements in the development project are estimated to be completed by Fall of 2022 at a cost of ~\$8.5MM plus the purchase price and carrying costs. This project will come to fruition in partnership with local Gries Architecture Group, Performa Architects & Engineers and Blue Sky Contractors. Estimated project cost breakdown are provided below;

RE: Amend 2023A Stormwater Management Plan Review contract with Brown and Caldwell by an increase of \$20,000 for a total contact amount not to exceed \$55,000.

The Department of Public Works is requesting an amendment to the contract with Brown and Caldwell (BC) for 2023 Stormwater Management Plan Reviews by an increase of \$20,000 for a total contact amount not to exceed \$55,000. After this contract amendment, \$811,000 will remain in the 2023 stormwater consulting budget.

Work under this contract is charged on an hourly basis and is therefore only used as needed. In order to keep projects moving forward, staff is requesting this amendment now, before the current contract is completely spent.

Re: Adopt the Proposed Revised Reid Golf Course and Appleton Memorial Park Stormwater Utility Agreements for Stormwater Ponds

The Stormwater Utility provides "annual rent" payment for stormwater ponds located at Reid Golf Course and Appleton Memorial Park. The Utility is responsible for the operations that oversee the collection, distribution and dissipation of stormwater that accumulates within the City of Appleton.

There are currently two ponds within Appleton Memorial Park and one pond at Reid Golf Course. The Appleton Memorial Park agreement was developed in 2010 with an annual payment of \$40,000 and the Reid Golf Course agreement was developed in 2014 with an annual payment of \$15,210.

Land market values and rates of return have been reviewed by city staff and are recommending the following increases to the stormwater pond agreements.

Appleton Memorial Park	\$41,769
Reid Golf Course	\$21,060

Approval of the revised stormwater utility agreements is contingent upon approval by both the Parks and Recreation Committee and the Utilities Committee.

The Department of Public Works request approval of the revised Reid Golf Course and Appleton Memorial Park stormwater utility agreements.

RE: *Award Contract to Fiberglass Solutions Inc. for Hypochlorite Fiberglass Reinforced Plastic Tank Relining Services in the amount of \$24,262 plus a 15% contingency of \$3,639 for a total not to exceed of \$27,901*

BACKGROUND:

Among the chemicals stored at the AWTF for various treatment purposes, sodium hypochlorite is utilized as a cleaning and disinfection chemical. Sodium hypochlorite is housed in three (3) 10,000-gallon fiberglass-reinforced plastic (FRP) bulk sodium hypochlorite storage tanks. Tank manufacturers typically expect up to 15 years of life when storing 12.5% sodium hypochlorite in an FRP tank before relining is necessary to restore the interior protective coating layers. Bulk Storage Tank No. 1 and No. 2 were relined in 2022 with Tank No. 3 budgeted for 2023.

QUOTE PROCESS:

Four qualified firms were selected based upon their ability to provide relining services described in the RFQ. Two of the four firms were responsive with the others indicating they were unable to meet the scheduled completion date prior to December 31, 2023. Quotations are summarized in Table 1. Fiberglass Solutions provided the least cost quote and could meet the required completion date.

Table 1: Summary of Quotations

Firm	Total Quote
American Fiberglass Tank	DNQ
ECC Corrosion Inc.	\$77,706
Fiberglass Solutions	\$24,262
GPI Composites	DNQ

DNQ: Did not quote.

Re: Recommendation to Award Appleton's Public Website to Revize

Background

On March 16, 2022, the Appleton Common Council approved Resolution #2-R-22 (Resolution to Improve Communication, Technology, & Pedestrian Safety) that included "\$100,000 for an Appleton.org website re-design" (File 22-0054). On March 22, 2023, I published an RFP for the website redesign. The City received twenty proposals by the time the RFP closed on April 28, 2023.

Panel Review and Demonstrations

The I.T. Department proceeded with a three-member panel review of the proposals based upon pre-established criteria covering Project Specifications and Requirements, Qualifications and Experience, Terms and Conditions, Appleton/Fox Valley Business Advantage, and Price. Proposals were scored and ranked.

The three highest-scoring proposals and the highest-scoring proposal from a local supplier were selected as finalists to present demonstrations to City staff. City representatives from the departments of Communications, Community and Economic Development, Information Technology, Parks and Recreation, Police, and Public Works were invited to attend the four demonstrations.

The four finalists and their products were:

1. CivicPlus CivicEngage (Manhattan, Kansas)
2. Granicus Government Experience Cloud (incumbent provider from Denver, Colorado)
3. Revize eGov CMS (Troy, Michigan)
4. Webfitters (Green Bay, Wisconsin)

Recommendation

Following the four demonstrations, a significant majority of City representatives agreed that Revize presented the best public website solution. After receiving largely positive feedback from the nearly all nine references, the City’s Manager of Communications and Public Engagement and I brought forward the recommendation to Mayor Woodford. Following discussion, Mayor Woodford advised me to present Revize to the Common Council for approval.

Financing

Revize’s implementation cost of \$92,500 will be funded using the \$100,000 set aside in Resolution #2-R-22. The excess \$7,500 will be held as a contingency to cover branding and style guide assistance as well as other unforeseen expenses that could come up during the design process.

To provide a long-term cost illustration, the table below lays out a five-year cost comparison between the proposals submitted by Revize and the incumbent, Granicus. Yearly recurring costs will be included in the 2024 annual budget to be adopted later this year.

If you have any questions regarding this recommendation, please contact Corey Popp at corey.popp@appleton.org or 832-5892. Thank you for your consideration.

	Year 1	Year 2	Year 3	Year 4	Year 5	Total
