Mayor Jake Woodford 33:01

Alright, move on now to the item from safety and licensing committee. This is item 23-1187 regarding an operator license for [Katie B.]. We have a motion and a second to approve. Alright. Alder Croatt.

Aldersperson Chris Croatt (District 14) 33:26

Thank you, Mayor. I just want to make sure we're clear on the action here. It's listed on the Council agenda as a recommendation to deny the operator's license for [Katie B.]. It came out of committee tonight, just before the public hearing, on a recommendation to approve the license. And that was based on the special meeting that was held tonight, where we were we acquired the documentation, a release form that took care of some things that we didn't have at the first meeting when this was taken up. So however, we need to make this vote clear, maybe not withstanding up or down on the license application. But the recommendation from committee was five zero to approve this operator's license.

Mayor Jake Woodford 34:17

And that would be what the council's voting on now. So just to be clear, we have we do have a motion and a second to approve the committee's recommendation which was a recommendation to approve. So, we should be all set.

Aldersperson Chris Croatt (District 14) 34:30

Right but it's listed on the tablets and on the paper agenda as a denial and just want to make sure we're all clear.

Mayor Jake Woodford 34:35

Yes, thank you. Any further discussion? Hearing none, we have a motion and a second to approve. Please cast your votes. Motion passes 15 to zero. The item has been approved.
