We do not have any public hearings or appearances for today. Let's moving on to action items. Action item number 24-0340 resolution number 3-R-24 environmental education resolution.

**Aldersperson Sheri Hartzheim (District 13) 01:25**

Move to hold indefinitely.

**Aldersperson Chris Croatt (District 14) 01:26**

Second.

**Aldersperson Vaya Jones (District 10) 01:27**

All right, we have a move to hold indefinitely and a second. Is there any conversation we'd like to have on this?

**Aldersperson Sheri Hartzheim (District 13) 01:37**

Thank you, Chair. I made this motion in response to a memo that was received by hand. It wasn't included in the agenda packet from the mayor in this regard. Some very valid points were made. And again, his recommendation is to hold it indefinitely or deny it. So I again move to hold indefinitely.

**Aldersperson Vaya Jones (District 10) 01:57**

Aldersperson Croatt.

**Aldersperson Chris Croatt (District 14) 01:58**

Thank you, and for all the same reasons I made the second. Thank you.

**Aldersperson Vaya Jones (District 10) 02:02**

Alder Van Zeeland.

**Aldersperson Katie Van Zeeland (District 5) 02:04**

I'll just add that I know that there are some talks about the website going on right now that may even satisfy some of the valid concerns that the authors believe that they have in submitting the resolution about education, just so everyone's aware that something is being worked on for alder participation.

**Aldersperson Patrick Hayden (District 7) 02:27**

Even that said, as someone who works in this space. The size of the IT staff, when you get into content creation, I worry about the ability to manage this long term, because it's one thing to add this language out there, but it's another to maintain it year over year over year. It puts a strain on any department.

**Aldersperson Vaya Jones (District 10) 02:50**

Do any of the directors have any feedback on this? Thoughts? All right. Any other discussion? All right, let's go ahead and vote for an indefinite hold. All those in favor say aye. Aye. Any nays? Any abstentions? That will be passed five zero as an indefinite hold.
