Number 24-0754 approve the request from Lil Taco for a street occupancy permit to place tables and chairs and 106 South State Street.

Aldersperson Vered Meltzer (District 2) 05:03

Move to approve.

Aldersperson Brad Firkus (District 3) 05:04

Second.

Aldersperson Denise Fenton (District 6) 05:05

All right, we have a motion and a second. Is there any discussion on this item? I do have one question. I noticed that, like, the concern was—and it can either be to Attorney Behrens or Deputy Director Neuberger. When we held this at our last meeting, the concern was the fact that it was picnic tables, but I just happened to notice that there are picnic tables on College Avenue as well. So, I'm assuming that—I mean, we read the answer from the attorney on this, so just...

Deputy Director Pete Neuberger (Public Works) 05:42

Right, it—so my understanding, it wasn't so much the fact that it was picnic tables as a form factor as "Oh, it's hard to move picnic tables. If we wanted to put restrictions on time of day on this, it would be very difficult to move picnic tables out of that location." So, there was a sort of there was some follow up discussion, got some input from PD on this, and based on that input, my understanding is that that's kind of satisfied some of the concerns among some of the committee members in terms of whether the picnic tables would be an issue to stay out for an extended period of time and knowing that it would be hard to move them.

Aldersperson Denise Fenton (District 6) 06:23

Thank you. Thank you. I think that was—I mean, I know that we'd read the input but I just wanted to kind of put that out there in the record. All right. Alder Meltzer.

Aldersperson Vered Meltzer (District 2) 06:33

Yeah, speaking of the record, I've found Chief Olsen's comments to be very enlightening, and if we could get those attached to this agenda as well for the, you know, so that when constituents come back to check the meeting and see the video so that that can be there also. I think that after reading after reading her email I have no more concerns about this item.

Aldersperson Denise Fenton (District 6) 06:59

All right, anything else? All right, let's go ahead and vote. All those in favor please signify by saying aye. Aye. That passes five zero.

Aldersperson William Siebers (District 1) 07:09

Chair, I vote nay.

Aldersperson Denise Fenton (District 6) 07:11

Oh, I am so sorry. I did not understand you, Alder Siebers. So that's—my apologies, Attorney Behrens. Four one with Alder Siebers voting nay.
