Abstained: 1 - Mayor Jake Woodford

Aldersperson Hartzheim moved, seconded by Aldersperson Wolff, that the Resolution be amended by substitution (Therefore Be It Resolved section) to replace it to read: Therefore Be It Resolved that, based on the evolving evidence regarding best practices for a balanced approach to pollinator support and turf maintenance, the Common Council of the City of Appleton hereby takes formal action to remove the language in the current code, rescinding the No Mow May program. This includes working with the City Attorney's Office to repeal Ordinance 26-22 adopted on April 6, 2022, and restore Section 12-58 to its form prior to that date in order to enforce the city's long grass ordinance during the entire growing season, including the month of May; and

Be It Further Resolved, that the Common Council of the City of Appleton directs city staff to replicate the Slow Mow Summer program information as promoted by the Thousand Islands Environmental Center in Kaukauna, WI, making it compatible with City of Appleton branding. This includes but is not limited to the following actions:

- 1) the permanent posting of Slow Mow Summer graphics and information, branded for the City of Appleton, as in the example found online (copy with link attached) on the City of Appleton's website,
- 2) a monthly posting of this information and/or link to this Slow Mow Summer city website page on at least one City of Appleton social media platform at least once per month each May through November, and
- 3) the development and inclusion of a one-page Support Pollinators document as in the example found online (copy with link attached) in each year of the city's Public Works Guide.

PROCLAMATION

Office of the Mayor

WHEREAS, the City of Appleton recognizes that investment in creative economy development, creative placemaking, and civic engagement through the arts and creativity are important to the health and vibrancy of the community and its future; and

WHEREAS, the City of Appleton appreciates that creative economy development and community cultural engagement are directly related to economic vitality, education for the 21st century, engaged residents, and a community's vibrancy and success; and

WHEREAS, the City of Appleton recognizes that investment in its creative economy is critical for local and statewide success for these reasons:

- The annual Arts and Cultural Production Satellite Account (ACPSA) study tracks the economic impact of arts and cultural production nationally from 35 nonprofit and commercial industries. Among the report's findings, Wisconsin's arts and cultural production account for \$11.9 billion, or 3.01%, of the Wisconsin economy.
- Those industries support 89,169 jobs and create \$6.6 billion in compensation for creative workers, according to the report.
- In 2022, the national average annual growth rate in the contribution of arts and culture was 2.9%, a decline from a high of 4% in 2002.

WHEREAS, the City of Appleton celebrates the many creative economy activities, projects, and initiatives, such as education programs at museums, revitalization initiatives, and civic engagement projects happening in communities across Wisconsin.

NOW, THEREFORE, BE IT RESOLVED, THAT I, JACOB A. WOODFORD, Mayor of the City of Appleton, do hereby proclaim the week of July 29-August 4, 2024, as

Creative Economy Week

in Appleton to celebrate and promote the arts, creativity, and vitality in and for our community.

Signed and sealed this 29th day of July 2024.

JACOB A. WOODFORD
MAYOR OF APPLETON

PROCLAMATION

Office of the Mayor

WHEREAS, human milk feeding is the biological norm for infant feeding and a proven foundational prevention strategy for life-long health and wellness; and

WHEREAS, major medical authorities, including the American Academy of Pediatrics, recommend exclusive human milk feeding for the first six months of a child's life, with continued human milk feeding as long as is mutually desired by mother and child for two years or beyond; and

WHEREAS, the Center for Disease Control and Prevention's latest analysis of birth certificate data reports that among infants born in 2019, only 24.9% were exclusively breastfed through six months of age; and

WHEREAS, human milk provides a safe, reliable, and renewable food source, especially critical during emergency situations, such as the recent formula shortage; and

WHEREAS, there are substantial racial and ethnic disparities in access to lactation support resulting in reduced breastfeeding rates and an associated increase in the risk of a variety of negative health outcomes; and

WHEREAS, breastfeeding support requires evidence-based, unbiased information, wrap-around community support, and support from partners, families, workplaces, and communities to create an environment that empowers parents to breastfeed.

NOW THEREFORE, BE IT RESOLVED, THAT I, JACOB A. WOODFORD, Mayor of the City of Appleton, Wisconsin, do hereby proclaim the month of August 2024, as

Breastfeeding Awareness Month

in Appleton and encourage citizens to join healthcare and breastfeeding advocates in celebrating and promoting awareness of the benefits of breastfeeding and supporting parents in doing so.

Signed and sealed this 30th day of July 2024.

JACOB A. WOODFORD
MAYOR OF APPLETON

CITY OF APPLETON

Date: August 7, 2024
To: Members of the Common Council
From: Mayor Jacob A. Woodford
Subject: Public Works Director Recommendation

The Public Works Director position was vacated by resignation on June 7, 2024. I am pleased to recommend an exceptional candidate for the role – one who brings 17 years of professional experience within the public sector.

A highly qualified Professional Engineer with significant experience in the construction industry and public communication, the candidate holds a Bachelor of Science degree in Environmental Engineering from the University of Wisconsin – Platteville. She has previously served as a civil engineer for neighboring municipalities and, most recently, as the Director of Public Works for the City of Menasha. Her extensive experience encompasses leadership in key projects, including storm sewer and storm lateral systems, sustainability initiatives, pedestrian safety enhancements, parking area reconstruction, development of detention basins, as well other various infrastructure improvement efforts.

It is my honor to recommend for your consideration Laura Jungwirth to serve as the City of Appleton's next Public Works Director. Her resume is attached for your reference.

Please be in contact should you have any questions or concerns.

LAURA JUNGWIRTH, P.E.

Project Highlights

Menasha Public Works Facility Solar Project Expansion, 2023

- Expanded the rooftop Solar PV system by nearly 170kW that would successfully cover all electricity expenditures for the facility.
 - Challenged by working through a multitude of funding sources and the required documentation for each source to execute the project. Funds included Winnebago County Spirit Funds, FOCUS on Energy Incentives, Department of Energy ITC Incentives, and WPPI Borrowing.
- 

High Intensity Activated Crosswalk (HAWK) System, 2022

- Safety concerns became apparent for students having to cross Midway Road, a 4-lane 35 mph roadway, at the Menasha Joint School District's Maplewood Middle School.
- Coordination with multiple entities was required to proceed with the researched best practice alternative of a HAWK System for the location. Menasha Joint School District, Winnebago County, Village of Fox Crossing and City of Menasha were cost-share partners due to shared municipal limits, county roadway, and school district interests.
- Drafted Memorandum of Understanding and presented project to obtain funding at multiple municipal levels.

Libbey/Nicolet-North Main Street Detention Basins, 2018-2019

- Operated as Project Manager on wet and dry detention basin project.
- Reviewed plans and reports submitted by consultants, applied for WisDOT Right of Way and Utility Permits, WDNR Notice of Intent, and Winnebago County Erosion Control Permit.
- Monitored construction progress, completed change orders and pay estimates, coordinated with property owners on assessments and project questions, reviewed and managed contract bulletins.

Otter Ave/Ceape Ave Parking Lot Reconstruction, 2018 and 2019

- Completed design and HydroCAD and WinSLAMM modeling for a 2-phased parking lot reconstruction project to show compliance with local and state storm water regulations and requirements.
- Applied for and coordinated with WDNR on state permitting and City of Oshkosh Inspections Division for local plumbing, electrical and building permits.

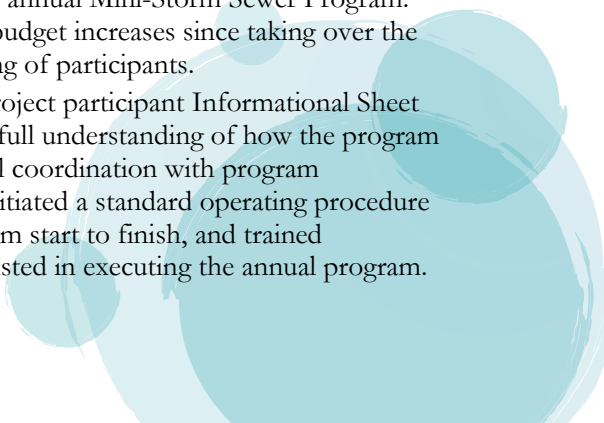

South Park Lagoons Retrofit, 2017-2018

- Operated as Project Manager for lagoon retrofit, park improvements, and parking lot reconstruction project at one of two original parks in Oshkosh.
- Presented on project at 2018 Fox Wolf Watershed Alliance Conference at Lambeau Field
- Conducted site walk-through tours with Storm Water Utility Committee, Parks Advisory Board and Kiwanis Club upon project completion. Co-presented planning and construction efforts to the Oshkosh Rotary Club with City of Oshkosh Parks Director.

9th and Washburn Area Detention Basin, 2015

- Stepped in as Project Manager midway through construction on a storm water detention facility to oversee project to its completion.

Mini-Storm Sewer/Storm Lateral Program, 2009-2019

- Served as Project Engineer on annual Mini-Storm Sewer Program. Successfully obtained annual budget increases since taking over the program due to a near doubling of participants.
 - Created and implemented a project participant Informational Sheet for property owners to gain a full understanding of how the program operates and to have continual coordination with program participants. Compiled and initiated a standard operating procedure for the project for all tasks from start to finish, and trained engineering staff that later assisted in executing the annual program.

MEMORANDUM

Date: 07/16/2024
To: Municipal Services Committee
From: Pete Neuberger, Deputy Director of Public Works
Mark Lahay, Assistant City Engineer
Subject: Approve Utility Easement Release of Rights for I-41 Project Water Main Relocation

This request is related to the Ballard Road / I-41 interchange project scheduled for 2025 construction. Currently, the City has a water main within an easement just outside of the DOT's right of way along I-41. This water main needs to be relocated due to the widening of I-41 and Ballard Road. The City will be reimbursed by the DOT for this water main relocation.

The new location for the relocated water main will be just inside the DOT's new right of way. Because the DOT's new right of way will encompass the area where the City has an easement, the City needs to release the rights to this easement.

The Department of Public Works requests approval for City signature of the three attached WisDOT documents, (DT2216, DT1660, DT1661) to continue with the water main relocation process and WisDOT reimbursement.

TEMPORARY CONSTRUCTION EASEMENT

Wisconsin Department of Transportation
DT2216 7/2017 s.84.09(1) Wis. Stats.

City of Appleton, Grantor, which has an interest in the lands described below, grants to the Wisconsin Department of Transportation, Grantee, the right and permission to occupy Grantor's easement area for highway improvement purposes, which may include but are not limited to: 1) Constructing slopes and drainage facilities on the following described lands, including the right to operate necessary equipment thereon; 2) The right of ingress and egress, as long as required for such public purpose, including the right to preserve, protect, remove or plant thereon any vegetation that the highway authorities may deem desirable to prevent erosion of the soil, provided such activities are consistent with the rights held by the Grantor under its easement.

Legal Description:
SEE ATTACHED

This Temporary Construction Easement establishes the right of Grantee to occupy lands on which Grantor has easement interests. However, Grantor reserves to itself the right to continue to use said easement area with its present and future overhead and/or underground facilities in a manner which is consistent with this grant, and further, that the costs of any relocation or alteration of any facilities of Grantor required by Grantee to accomplish its work, now or in the future, will be paid by Grantee.

This Temporary Construction Easement shall terminate upon completion of Construction Project No. 1130-65-76 for which this instrument is given.

The Grantor has an easement or prescriptive right and therefore grants this Temporary Construction Easement as a holder of a property interest and not as a property owner.

The Grantor's easement is recorded as SEE ATTACHED in the OUTAGAMIE County Register of Deeds Office or exists by prescriptive rights as defined by Section 893.28 Wisconsin Statutes.

The undersigned certify that this instrument is executed with the full right, power and authority to do so on behalf of GRANTOR.

**STATE/MUNICIPAL AGREEMENT
FOR A STATE- LET LOCAL
BRIDGE PROJECT**

Program Name: Local Bridge

Sub-program #: 205

Cycle: 2024-2029

Date: **JULY 12, 2024**

I.D.: **4984-24-76/77**

Road Name: **Lawe Street**

Bridge ID: **P-44-0719**

Location: **C APPLETON, LAWE STREET**

Limits: **NAVIGATIONAL CANAL BRIDGE REHAB**

County: **Outagamie**

Project Length: **560 FT**

Facility Owner: **City of Appleton**

Project Sponsor: **City of Appleton**

Construction scheduled for State Fiscal Year: **2027**

The signatory, City of Appleton, hereinafter called the Municipality, through its undersigned duly authorized officers or officials, hereby requests the State of Wisconsin Department of Transportation, hereinafter called the State, to initiate and effect the highway, street or local bridge improvement hereinafter described.

The authority for the Municipality to enter into this agreement with the State is provided by Sections 86.25(1), (2), and (3) and Section 66.0301 of the Statutes.

NEEDS AND ESTIMATE SUMMARY:

All components of the project must be defined in the environmental document if any portion of the project is federally funded. The Municipality agrees to complete all participating and any non-participating work included in this improvement consistent with the environmental document. No work on final engineering and design may occur prior to approval of the environmental document.

Funding is limited to the minimum eligible project scope necessary for a safe and effective facility per WisDOT Performance-Based Practical Design policy. The funding for the project for both structure and approach is limited to:

- replacement or rehabilitation of the existing facility,
- or, meeting minimum bridge standards as outlined in the WisDOT Facilities Development Manual (FDM) or applicable TRANS code,
- or, an approved justification based on engineering principles that exceed either Performance-Based Practical Design or the FDM.

The Municipality may elect to construct alternative designs but approved Local Bridge Improvement Assistance Program (s84.18(2)(e)) funding will be limited to a maximum of 80 percent of the cost of the minimum eligible scope of the project.

Non-participating work, additional notes:

Describe non-participating work included in the project and other work necessary to completely finish the project that will be undertaken independently by the Municipality. Please note that non-participating components of a project/contract are considered part of the overall project and will be subject to applicable federal requirements:

A municipality may elect to design a bridge or elements that exceed the current Performance-Based Practical Design policy, or that exceed minimum bridge standards as outlined in the WisDOT Facilities Development Manual (FDM) or applicable TRANS code, or are not justified as necessary based on current engineering principles. All costs for these features will be paid for 100% by the Municipality.

None identified at this time.

The Municipality agrees to the following 2024-2029 Local Bridge Program project funding conditions:

Project Design costs are funded with up to **80%** state/federal funding up to a funding limit of **\$147,952**. The Municipality agrees to provide the remaining **20%** and any funds in excess of the **\$147,952** state/federal funding limit. **Any real estate, railroad, or utility costs are 100% locally funded.**

Project Construction costs are funded with up to **80%** state/federal funding up to a funding limit of **\$1,241,264**. The Municipality agrees to provide the remaining **20%** and any funds in excess of the **\$1,241,264** state/federal funding limit. **Any real estate, railroad, or utility costs are 100% locally funded.**

Non-participating costs are 100% the responsibility of the Municipality. Any work performed by the Municipality prior to federal authorization is not eligible for federal funding. The Municipality will be notified by the State that the project is authorized and available for charging.

This project is currently scheduled in State Fiscal Year **2027**. Sunset date: **June 30, 2032**.

Sunset Date is determined based on the date a project is scheduled to be authorized. Sunset date is calculated as six years from the beginning of the state fiscal year (SFY) in which a project is initially scheduled. Extensions may be available upon approval of a written request by or on behalf of the Municipality to State per WisDOT Change Management policy. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.

The dollar amounts shown in the Summary of Costs Table below are estimates. The final Municipal share is dependent on the final federal/state participation, and actual costs will be used in the final division of cost for billing and reimbursement.

In no event shall federal or State funding exceed the estimate in the Summary of Costs table, unless such increase is approved in writing by the State through the State’s Change Management policy prior to the Municipality incurring the increased costs.

Additional funds will not be approved for projects where increased costs are due to changes outside of the project scope that were identified in the original application or the most recent State Municipal Agreement (SMA) (whichever is most current). Exceptions to this policy will be allowed when the change is necessary based on safety, conformance with applicable minimum federal and state standards, projected traffic needs, or other factors as determined by WisDOT.

GENERAL TERMS AND CONDITIONS:

1. All projects must be in an approved Transportation Improvement Program (TIP) or State Transportation Improvement Program (STIP) prior to requesting authorization.
2. Work prior to federal authorization is ineligible for federal or state funding.
3. The Municipality, throughout the entire project, commits to comply with and promote all applicable federal and state laws and regulations that include, but are not limited to, the following:
 - a. Environmental requirements, including but not limited to those set forth in the 23 U.S.C. 139 and National Environmental Policy Act (42 U.S.C. 4321 et seq.)
 - b. Equal protection guaranteed under the U.S. Constitution, WI Constitution, Title VI of the Civil Rights Act and Wis. Stat. 16.765. The municipality agrees to comply with and promote applicable federal and state laws, executive orders, regulations, and implementing requirements intended to provide for the fair and equitable treatment of individuals and the fair and equitable delivery of services to the public. In addition, the Municipality agrees not to engage in any illegal discrimination in violation of applicable federal or state laws and regulations. This includes but is not limited to Title VI of the Civil Rights Act of 1964 which provides that “no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.” The Municipality agrees that public funds, which are collected in a nondiscriminatory manner, should not be used in ways that subsidize, promote, or perpetuate illegal discrimination based on prohibited factors such as race, color, national origin, sex, age, physical or mental disability, sexual orientation, or retaliation.
 - c. Prevailing wage requirements, including but not limited to 23 U.S.C 113.
 - d. Buy America Provision and its equivalent state statutes, set forth in 23 U.S.C. 313 and Wis. Stat. 16.754.
 - e. Competitive bidding and confidentiality requirements set forth in 23 U.S.C 112 and Wis. Stat. 84.06. This includes the sharing of financial data prior to the conclusion of the competitive bid period.
 - f. All applicable Disadvantaged Business Enterprise (DBE) requirements that the State specifies.
 - g. Federal statutes that govern the Highway Bridge Replacement and Rehabilitation Program, including but not limited to 23 U.S.C. 144.

- h. State statutes that govern the Local Bridge Program, including but not limited to Wis. Stat. 84.18.
- i. Bridge approaches funding policy. The Federal Highway Administration (FHWA) and Wis. Stat. 84.18(2)(e) limit bridge approach costs to only those approach costs that are necessary to render the bridge serviceable (to reach the attainable touchdown points using current standards). On a program level, FHWA has determined that, on average, bridge approach costs should amount to no more than 10% of the cost for constructing the bridge, and the municipality should be prepared to offer a justification of costs for any bridge project where the approach costs exceed that percentage.
- j. State administrative rule that implements Local Bridge Program: Ch. Trans 213.

STATE RESPONSIBILITIES AND REQUIREMENTS:

- 4. Funding of each project phase is subject to inclusion in Wisconsin's approved 2024-2029 Local Bridge Program. Federal/state financing will be limited to participation in the costs of the following items, as applicable to the project:
 - a. The grading, base, pavement, and curb and gutter, sidewalk, and replacement of disturbed driveways in kind.
 - b. The substructure, superstructure, grading, base, pavement, and other related bridge and approach items.
 - c. Storm sewer mains necessary for the surface water drainage.
 - d. Catch basins and inlets for surface water drainage of the improvement, with connections to the storm sewer main.
 - e. Construction engineering incident to inspection and supervision of actual construction work (except for inspection, staking, and testing of sanitary sewer and water main).
 - f. Signing and pavement marking.
 - g. New installations or alteration of street lighting and traffic signals or devices.
 - h. Landscaping.
 - i. Preliminary engineering and design.
 - j. State review services.
- 5. State is authorized by Wis. Stat. 84.18(6) to exercise whole supervision and control over the construction of the project. The work will be administered by the State and may include items not eligible for federal/state participation.
- 6. As the work progresses, the State will bill the Municipality for work completed which is not chargeable to federal/state funds. Upon completion of the project, a final audit will be made to determine the final division of costs subject to project funding limits in the Summary of Costs Table. If reviews or audits show any of the work to be ineligible for federal/state funding, the Municipality will be responsible for any withdrawn costs associated with the ineligible work.

MUNICIPAL RESPONSIBILITIES AND REQUIREMENTS:

- 7. Work necessary to complete the 2024–2029 Local Bridge Program improvement project to be financed entirely by the Municipality or other utility or facility owner includes the items listed below.
 - a. New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.

- b. Damages to abutting property after project completion due to change in street or sidewalk widths, grades or drainage.
 - c. Detour routes and haul roads. The municipality is responsible for determining the detour route.
 - d. Conditioning, if required and maintenance of detour routes.
 - e. Repair of damages to roads or streets caused by reason of their use in hauling materials incident to the improvement.
 - f. All work related to underground storage tanks and contaminated soils.
 - g. Street and bridge width in excess of standards.
 - h. Real estate for the improvement.
8. This line intentionally left blank.
 9. FHWA limits bridge approach costs to only those approach costs that are necessary to render the bridge serviceable (to reach the attainable touchdown points using current standards). On a program level, FHWA has determined that, on average, bridge approach costs should amount to no more than 10% of the cost for constructing the bridge, and the Municipality should be prepared to offer a justification of costs for any bridge project where the approach costs exceed that percentage.
 10. The construction of the subject improvement will be in accordance with the appropriate standards unless an exception to standards is granted by State prior to construction. The entire cost of the construction project, not constructed to standards, will be the responsibility of the Municipality unless such exception is granted.
 11. Work to be performed by the Municipality without federal/state funding participation, necessary to ensure a complete improvement acceptable to the Federal Highway Administration and/or the State may be done in a manner at the election of the Municipality but must be coordinated with all other work undertaken during construction.
 12. The Municipality is responsible for financing administrative expenses related to Municipal project responsibilities.
 13. The Municipality will include in all contracts executed by them a provision obligating the contractor not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability as defined in Wis. Stat. 51.01 (5), sexual orientation as defined in Wis. Stat. 111.32 (13m), or national origin.
 14. The Municipality will pay to the State all costs incurred by the State in connection with the improvement that exceed federal/state financing limits or are ineligible for federal/state financing. To guarantee the Municipality's foregoing agreements to pay the State, the Municipality, through its above duly authorized officers or officials, agrees and authorizes the State to set off and withhold the required reimbursement amount as determined by the State from any moneys otherwise due and payable by the State to the Municipality.
 15. In accordance with the State's sunset policy for Local Bridge Program projects, the subject 2024-2029 Local Bridge Program improvement must be constructed and in final acceptance within six years from the beginning of the state fiscal year (SFY) in which a project is initially scheduled. Extensions may be available upon approval of a written request by or on behalf of the Municipality to State. The written request shall explain the reasons for project implementation delay and revised timeline for project completion.
 16. If the Municipality should withdraw the project, it will reimburse the State for any costs incurred by the State on behalf of the project.
 17. The Municipality will at its own cost and expense:

- a. Maintain all portions of the project that lie within its jurisdiction (to include, but not limited to, cleaning storm sewers, removing debris from sumps or inlets, and regular maintenance of the catch basins, curb and gutter, sidewalks and parking lanes [including snow and ice removal]) for such maintenance in a manner consistent with reasonable industry standards, and will make ample provision for such maintenance each year.
- b. Regulate [or prohibit] parking at all times in the vicinity of the proposed improvements during their construction.
- c. Regulate [or prohibit] all parking at locations where and when the pavement area usually occupied by parked vehicles will be needed to carry active traffic in the street.
- d. Assume general responsibility for all public information and public relations for the project and to make fitting announcement to the press and such outlets as would generally alert the affected property owners and the community of the nature, extent, and timing of the project and arrangements for handling traffic within and around the projects.
- e. Provide complete plans, specifications, and estimates to State upon request.
- f. Provide relocation orders and real estate plats to State upon request.
- g. Use the *WisDOT Utility Accommodation Policy*, unless it adopts a policy that has equal or more restrictive controls.
- h. Provide maintenance and energy for lighting.
- i. Provide proper care and maintenance of all landscaping elements of the project including replacement of any plant materials damaged by disease, drought, vandalism or other cause.

18. It is further agreed by the Municipality that:

- a. The Municipality assumes full responsibility for the design, installation, testing and operation of any sanitary sewer and water main infrastructure within the improvement project and relieves the state and all of its employees from liability for all suits, actions, or claims resulting from the sanitary sewer and water main construction under this agreement.
- b. The Municipality assumes full responsibility for the plans and special provisions provided by their designer or anyone hired, contracted or otherwise engaged by the Municipality. The Municipality is responsible for any expense or cost resulting from any error or omission in such plans or special provisions. The Municipality will reimburse State if State incurs any cost or expense in order to correct or otherwise remedy such error or omission or consequences of such error or omission.
- c. The Municipality will be 100% responsible for all costs associated with utility issues involving the contractor, including costs related to utility delays.
- d. All signs and traffic control devices and other protective structures erected on or in connection with the project including such of these as are installed at the sole cost and expense of the Municipality or by others, will be in conformity with such *Manual of Uniform Traffic Control Devices* as may be adopted by the American Association of State Highway and Transportation Officials, approved by the State, and concurred with by the FHWA.
- e. The right-of-way available or provided for the project will be held and maintained inviolate for public highway or street purposes. Those signs prohibited under federal highway regulations, posters, billboards, roadside stands, or other private installations prohibited by federal or State highway regulations will not be permitted within the right-of-way limits of the project. The Municipality, within its jurisdictional limits, will remove or cause to be removed from the right-of-way of the project all private installations of whatever nature which may be or cause an obstruction or interfere with the free flow of traffic, or which may be or cause a hazard to traffic, or which impair the

usefulness of the project and all other encroachments which may be required to be removed by the State at its own election or at the request of the FHWA, and that now such installations will be permitted to be erected or maintained in the future.

- f. The Municipality is responsible for any damage caused by legally hauled loads, including permitted Oversize and Overweight loads. The contractor is responsible for any damage caused to haul roads if they do not obey size and weight laws, use properly equipped and maintained vehicles, and do not prevent spilling of materials onto the haul road (*WisDOT Standard Specifications* 618.1, 108.7, 107.8). The local maintaining authority can impose special or seasonal weight limitations as defined in Wis. Stat. 349.16, but this should not be used for the sole purpose of preventing hauling on the road.

The bid item 618.0100 Maintenance and Repair of Haul Roads (project) is ineligible for federal funding on local program projects as per the State/Municipal Agreement. The repair of damages as a result of hauling materials for the project is the responsibility of the Municipality as specified in the State/Municipal Agreement Terms and Conditions under "Municipal Responsibilities and Requirements."

LEGAL RELATIONSHIPS:

19. The State shall not be liable to the Municipality for damages or delays resulting from work by third parties. The State also shall be exempt from liability to the Municipality for damages or delays resulting from injunctions or other restraining orders obtained by third parties.
20. The State will not be liable to any third party for injuries or damages resulting from work under or for the Project. The Municipality and the Municipality's surety shall indemnify and save harmless the State, its officers and employees, from all suits, actions or claims of any character brought because of any injuries or damages received or sustained by any person, persons or property on account of the operations of the Municipality and its sureties; or on account of or in consequence of any neglect in safeguarding the work; or because of any act or omission, neglect or misconduct of the Municipality or its sureties; or because of any claims or amounts recovered for any infringement by the Municipality and its sureties of patent, trademark or copyright; or from any claims or amounts arising or recovered under the Worker's Compensation Act, relating to the employees of the Municipality and its sureties; or any other law, ordinance, order or decree relating to the Municipality's operations.
21. Contract modification: This State/Municipal Agreement can only be modified by written instruments duly executed by both parties. No term or provision of neither this State/Municipal Agreement nor any of its attachments may be changed, waived or terminated orally.

RE: Corner Pub, Alcohol Beverage Abandonment and Non-Renewal

Wisconsin Statutes §125.12(3) and (2)(ag) authorize an issuing municipality to refuse to renew an alcohol beverage license where the licensee has violated a local regulation adopted under §125.10. Appleton Code §9-52 is such a regulation.

Appleton Code §9-52(9) provides that abandonment of an alcohol beverage license shall be sufficient grounds for revocation or non-renewal of such license. It defines "abandonment" as "continuing refusal or failure of the licensee to use the license for the purpose for which the license was granted by the city council for a period of one (1) year." The Common Council may extend such period if good cause is shown.

On May 30, 2023, the Appleton Health Department conducted an inspection of the Corner Pub, an alcohol beverage licensed establishment located at 1123 N. Mason Street in Appleton. The inspection was prompted by a broken water pipe in the rental unit above the bar, resulting in significant damage to the licensed premises. The inspection report noted several significant areas of concern and several city departments that would need to approve of the repairs and conditions of the bar before it would be able to reopen.

On July 28, 2023, license holder Kim Williams was notified of the situation via a letter from Clerk Lynch. The letter advised Ms. Williams that if her business was not reopened by May 30, 2024, would result in grounds for her alcohol beverage license(s) to be revoked or not renewed. It advised that the letter was intended to provide her ample notice of the potential loss of her alcohol beverage license and to remedy the situation by reopening the business.

On May 30, 2024, the given deadline to reopen, the Appleton Health Department conducted an inspection to determine if the premises was compliant with requirements to reopen. The inspection report noted that the bar area was not complete, and the business did not look as though it was ready to open. It was further noted that multiple city departments were unable to confirm that the establishment was able to resume

operation. The Health, Fire, and Inspections departments had not been able to approve the condition of the premises due to necessary additional work. The establishment could not reopen.

The following day, Clerk Lynch provided written notice to Ms. Williams of the intent to not renew her alcohol beverage license(s) based upon abandonment. The letter provided her with the required opportunity to be heard on the issue of the non-renewal of her alcohol beverage license at the meeting of the Safety and Licensing Committee of the Appleton Common Council on June 26 at 5:30 PM, The same letter advised her of the option to withdraw the renewal application and have the associated license fee refunded.

Based upon the above, the alcohol license in question is considered “abandoned” and is therefore subject to revocation or non-renewal under Appleton Code §9-52(9).

Re: Notice of Non-renewal of Alcohol License for Corner Pub

Ms. Williams,

The purpose of this letter is to inform you of the status of your alcohol license application for Corner Pub, located at 1123 N Mason Street. On July 28th, 2023, you were sent a letter regarding the abandonment/non-use of your alcohol license. A copy of this letter is enclosed. Pursuant to 9-52(9) of the City of Appleton Municipal Code any licensee granted or issued a license to sell alcohol beverages that abandons such business shall forfeit any right or preference the licensee may have to the holding or renewal of such license. Abandonment shall be sufficient grounds for revocation or non-renewal of any alcohol beverage license. The referenced letter informed you of this and provided that your business must be operational by May 30, 2024 to avoid non-renewal or revocation of your alcohol license. The following departments confirmed on May 30th that your business was not operational and additional work is required before you would be able to re-open: health, fire and inspections.

A hearing for the non-renewal of your alcohol license has been scheduled for Wednesday, June 26th, 2024, before the Safety & Licensing Committee. The hearing will take place at 5:30 p.m. in the Council Chambers – 6th floor at City Hall, 100 N Appleton St., Appleton, WI 54911.

In lieu of the hearing you may surrender your alcohol license by sending an email to kami.lynch@appletonwi.gov stating your intent to surrender the license and withdraw your renewal application. This option allows you to receive a refund for the alcohol license fee.

If you have any questions related to this matter, please contact me at 920-832-6443.

Respectfully,

Kami Lynch, City Clerk

Re: Abandonment/Non-Use of Alcohol License

Appleton Municipal Code Section 9-52 (9) states that an alcohol license may be revoked or non-renewed for failure to use the license for the purpose in which it was granted for a period of 1 (one) year. As of May 30, 2023 your establishment with the trade name, Corner Pub, located at 1123 N Mason St. has remained closed to the public, and your Class "B" Fermented Malt Beverage & "Class B" Liquor License have not been used. Failure to open your business and use your alcohol license for the intended purpose of a bar/tavern by May 30, 2024 may be grounds for license revocation or non-renewal. This letter is to provide you ample notice of potential non-renewal or revocation should the business not be operational by the time specified.

If you have any questions regarding this matter, please do not hesitate to contact me at the number listed above.

Respectfully,

Kami Lynch

MEMORANDUM

Date: 7/10/24
To: Safety and Licensing Committee
From: Kurt W. Craanen, Inspection Supervisor
Subject: 1123 N. Mason St, - Corner Pub

On May 30, 2024, an inspection was conducted at the owner's request at the Corner Pub, 1123 N. Mason St. This type of scheduled inspection, involving staff from the Health, Community Dev. and Fire Department staff, is common.

The condition of the property on May 30, 2024, was such that it was not a habitable building. Inspections staff noted multiple life safety violations. The owner was instructed to hire licensed contractors to correct the code violations.

On June 6, 2024, an electrical permit was issued to Alan's Electric to correct electrical violations.

An inspection was scheduled for July 8, 2024. Staff from Community Dev., Health and Fire conducted inspections. Staff found multiple violations still existing at the property. These violations include:

- The ceiling has openings and gaps in several places that need to be properly sealed with gypsum board and fire caulk.
- Areas of walls and at door opening, have exposed wood studs.
- HVAC vent openings at wall lack grilles.
- Partitions in men's restroom lack support.
- No grab bars at toilets in restrooms.
- The gas furnace must be enclosed with a 2-hour rated ceiling and surrounding walls.
- Door to furnace room must be 1 ½ hour rated with a closer.

Based on the condition of the property and the multiple violations that still exist, staff does not support the renewal of the liquor license.

**IN THE CITY OF APPLETON,
OUTAGAMIE COUNTY, STATE OF
WISCONSIN, BEFORE THE
SAFETY AND LICENSING COMMITTEE**

IN RE THE ALCOHOL LICENSE OF KIM WILLIAMS

d/b/a Corner Pub
1123 North Mason Street
Appleton, WI 54914

**REPORT OF THE SAFETY AND LICENSING COMMITTEE
TO THE COMMON COUNCIL OF THE CITY OF APPLETON**

The above matter came before the Safety and Licensing Committee of the Common Council of the City of Appleton on June 26, 2024, as a hearing on the refusal to renew the alcohol beverage license of Kim Williams. That hearing was continued on July 10, 2024.

A copy of this report shall be given to the licensee. If the licensee files an objection to this report with the City Clerk prior to the matter being decided by the Common Council, they will have an opportunity to present arguments supporting the objection to the Common Council, who shall determine whether the arguments shall be presented orally or in writing or both.

FINDINGS OF FACT

1. Kim Williams (“Licensee”), doing business as Corner Pub, has a premises licensed by the City of Appleton for retail alcohol beverage sales located at 1123 North Mason Street in the city of Appleton, Wisconsin.
2. Licensee was granted a Combination Retail License for Class “B” Fermented Malt Beverages and “Class B” Intoxicating Liquors for the 2023-24 alcohol licensing year.
3. On May 30, 2023, Appleton Health Department inspected the Corner Pub and found several significant areas in need of repairs that required multiple other city departments to

inspect and approve before the premises could be open to the public for the sale of alcohol beverages.

4. On July 28, 2023, Licensee was sent a letter from the City of Appleton Clerk regarding the potential of non-renewal based on failure to use the alcohol license for the purpose in which it was granted for a period of one (1) year from May 30, 2023, if the business is not open to the public.
5. On March 11, 2024, Licensee applied to renew the aforementioned Combination Retail License for the 2024-25 alcohol licensing year.
6. On May 30, 2024, Appleton Health Department inspected the Corner Pub and reported that the business appeared to not be open to the public and noted that Fire and Inspections Departments have not approved the business to reopen.
7. On or about May 31, 2024, notice of intention to refuse to renew the alcohol license ("Notice") for Corner Pub was sent to Licensee.
8. The Notice provided Licensee that the reason for non-renewal is that "Pursuant to 9-52(9) of the City of Appleton Municipal Code any licensee granted or issued a license to sell alcohol beverages that abandons such business shall forfeit any right or preference the licensee may have to the holding or renewal of such license. Abandonment shall be sufficient grounds for revocation or non-renewal of any alcohol beverage license."
9. The Notice provided Licensee an opportunity for a hearing on the non-renewal of their alcohol license on June 26, 2024, at 5:30 p.m.
10. The Hearing occurred on June 26, 2024 and was continued on July 10, 2024
11. For the one (1) year period of time between May 30, 2023, and May 30, 2024, the licensed premises known as the Corner Pub was closed to the public.
12. As of July 10, 2024, the licensed premises known as the Corner Pub continued to be closed to the public.
13. While the Corner Pub was closed to the public, no retail sales of alcohol beverages occurred.

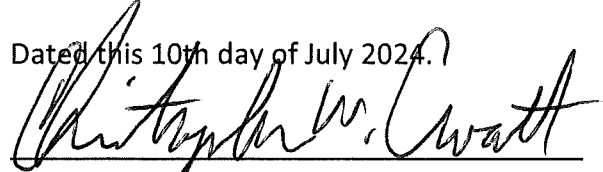

CONCLUSIONS OF LAW

1. The Safety and Licensing Committee of the Common Council of the City of Appleton has proper jurisdiction to conduct hearing for refusal to renew alcohol beverage licenses based on noncompliance with Section 9-52(9) of the Municipal Code of the City of Appleton and Wis. Stat. §125.12.
2. A violation of Section 9-52(9) of the Municipal Code of the City of Appleton is a municipal regulation adopted under Wis. Stat. §125.10 and is therefore a basis for refusing to renew an alcohol beverage license under Wis. Stat. §125.12.
3. The Safety and Licensing Committee concludes that the Licensee was not using its license to sell alcohol for the purpose of selling alcohol when it was closed to the public.
4. The Safety and Licensing Committee concludes that the Licensee d/b/a Corner Pub has ABANDONED their Combination Retail License in violation of Section 9-52(9) of the Municipal Code of the City of Appleton.

RECOMMENDATION

Based on the above Findings of Fact and Conclusions of Law, the Safety and Licensing Committee recommends that the Common Council of the City of Appleton **REFUSE TO RENEW** the Combination Retail License for Class “B” Fermented Malt Beverages and “Class B” Intoxicating Liquors issued to Kim Williams for the establishment known as the Corner Pub.

RE: Non-Renewal of the Class "B" Malt Beverage & "Class B" Liquor License for Corner Pub, 1123 N. Mason Street. Kim Williams, Agent

In response to questions and concerns raised by members of the Safety and Licensing Committee regarding the renewal of the above noted alcohol beverage license, I have compiled the following information relevant to the inspection process in this case.

For background purposes, prior to the May 30, 2023 health inspection of the licensed premises, significant damage was done to the premises as a result of a water pipe breaking in the unit above the licensed premises. As a result, significant repairs were required before the premises could reopen for business. A specific list of code violations and necessary repairs were not provided because no inspections were requested or therefore carried out beyond that conducted by the Health Department. As noted in the Health Department's inspection report, the "Bar needs to be essentially put back together and have all departments sign off prior to reopening."

The Health Department inspection report was provided to the applicant following the inspection in 2023. While typically provided via email, this report was mailed to the licensee's address because no email address was provided. This included the notification of the various departments that would need to approve of the premises before it could be permitted to reopen.

The damage to the premises was such that ceiling rafters and wall studs were exposed and the can lighting was hanging down (among other things). The work that needed to be completed required obtaining appropriate permits. It is the request for these permits that notifies the Inspections Department of the need for the kind of inspections that were necessary in this case. My understanding is that no permits for any of the necessary repairs were requested until June 6, 2024, after the May 30 deadline to reopen and avoid the license being considered abandoned.

Most of the repairs needed required the services of a licensed contractor. A licensed contractor, had one or more been employed earlier in the process, would have been in a position to seek required permits and inspections, and would be more familiar with inspections requirements. Again, no permits were sought until permit for the electrical work was obtained on June 6, 2024. This was over a year after being told of the numerous inspections that would need to be passed, and over 10 months since being warned of the May 30, 2024 deadline to reopen and avoid

license abandonment.

In summary, the applicant in this matter was provided with information needed to comply with the City's requirements and was given significant time to do so. It is only as the deadline for abandonment passed that recognizable progress began to be made on bringing the property into compliance with the City's code. It is expected that a representative of the City's Inspections Department will be available at the upcoming meeting of the Common Council to answer any questions that may remain.

The Common Council has the discretion to allow more time before considering the alcohol license in question to be considered abandoned if good cause is shown.

It does not appear that the delays in progress or in the providing of information to the applicant in this matter were the result of any action or inaction on the part of the involved departments. Assertions that the relevant departments failed to timely inspect or provide inspection results are not factually supported and should not be treated as a basis for a finding of good cause to extend the deadline for abandonment.

Should the Council find good cause based upon information supported by the record, it may exercise its discretion as it sees fit.

IN RE THE ALCOHOL LICENSE OF KIM WILLIAMS

d/b/a Corner Pub
1123 North Mason Street
Appleton, WI 54914

**REPORT OF THE SAFETY AND LICENSING COMMITTEE
TO THE COMMON COUNCIL OF THE CITY OF APPLETON
AS AMENDED ON JULY 24, 2024**

The above matter came before the Safety and Licensing Committee of the Common Council of the City of Appleton on June 26, 2024, as a hearing on the refusal to renew the alcohol beverage license of Kim Williams. That hearing was continued on July 10, 2024. *This matter was referred back by the Common Council on July 17, 2024, and was taken up again at the July 24, 2024 Safety and Licensing Committee. (Amendments to original report are italicized and underlined or struck through)*

A copy of this report shall be given to the licensee. If the licensee files an objection to this report with the City Clerk prior to the matter being decided by the Common Council, they will have an opportunity to present arguments supporting the objection to the Common Council, who shall determine whether the arguments shall be presented orally or in writing or both.

FINDINGS OF FACT

1. Kim Williams (“Licensee”), doing business as Corner Pub, has a premises licensed by the City of Appleton for retail alcohol beverage sales located at 1123 North Mason Street in the city of Appleton, Wisconsin.

2. Licensee was granted a Combination Retail License for Class “B” Fermented Malt Beverages and “Class B” Intoxicating Liquors for the 2023-24 alcohol licensing year.
3. On May 30, 2023, Appleton Health Department inspected the Corner Pub and found several significant areas in need of repairs that required multiple other city departments to inspect and approve before the premises could be open to the public for the sale of alcohol beverages.
4. On July 28, 2023, Licensee was sent a letter from the City of Appleton Clerk regarding the potential of non-renewal based on failure to use the alcohol license for the purpose in which it was granted for a period of one (1) year from May 30, 2023, if the business is not open to the public.
5. On March 11, 2024, Licensee applied to renew the aforementioned Combination Retail License for the 2024-25 alcohol licensing year.
6. On May 30, 2024, Appleton Health Department inspected the Corner Pub and reported that the business appeared to not be open to the public and noted that Fire and Inspections Departments have not approved the business to reopen.
7. On or about May 31, 2024, notice of intention to refuse to renew the alcohol license (“Notice”) for Corner Pub was sent to Licensee.
8. The Notice provided Licensee that the reason for non-renewal is that “Pursuant to 9-52(9) of the City of Appleton Municipal Code any licensee granted or issued a license to sell alcohol beverages that abandons such business shall forfeit any right or preference the licensee may have to the holding or renewal of such license. Abandonment shall be sufficient grounds for revocation or non-renewal of any alcohol beverage license.”
9. The Notice provided Licensee an opportunity for a hearing on the non-renewal of their alcohol license on June 26, 2024, at 5:30 p.m.
10. The Hearing occurred on June 26, 2024 and was continued on July 10, 2024
11. For the one (1) year period of time between May 30, 2023, and May 30, 2024, the licensed premises known as the Corner Pub was closed to the public.

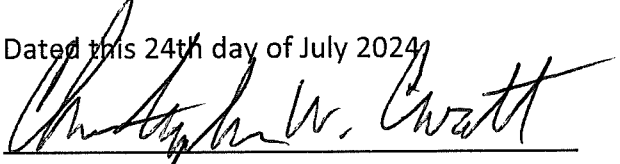

12. As of July 10, 2024, the licensed premises known as the Corner Pub continued to be closed to the public.
13. While the Corner Pub was closed to the public, no retail sales of alcohol beverages occurred.
14. Due to the catastrophic circumstances that the owner and family endured after the catastrophic circumstances that destroyed the licensed establishment, the Safety and Licensing Committee finds good cause to extend the period of time before their alcohol license will be deemed "abandoned" under Section 9-52(9) of the Municipal Code of the City of Appleton. The license will not be "abandoned" under that section if the licensee is actually open for the retail sale of alcohol beverages on or before August 15, 2024.

CONCLUSIONS OF LAW

1. The Safety and Licensing Committee of the Common Council of the City of Appleton has proper jurisdiction to conduct hearing for refusal to renew alcohol beverage licenses based on noncompliance with Section 9-52(9) of the Municipal Code of the City of Appleton and Wis. Stat. §125.12.
2. A violation of Section 9-52(9) of the Municipal Code of the City of Appleton is a municipal regulation adopted under Wis. Stat. §125.10 and is therefore a basis for refusing to renew an alcohol beverage license under Wis. Stat. §125.12.
3. The Safety and Licensing Committee concludes that the Licensee was not using its license to sell alcohol for the purpose of selling alcohol when it was closed to the public.
4. The Safety and Licensing Committee concludes that the Licensee has until August 15, 2024, to be using their retail alcohol license for the purpose of selling alcohol beverages before the license will be considered "abandoned" under Section 9-52(9) of the Municipal Code of the City of Appleton.
- ~~5. The Safety and Licensing Committee concludes that the Licensee d/b/a Corner Pub has ABANDONED their Combination Retail License in violation of Section 9-52(9) of the Municipal Code of the City of Appleton.~~

RECOMMENDATION

Based on the above Findings of Fact and Conclusions of Law, the Safety and Licensing Committee recommends that the Common Council of the City of Appleton **EXTEND THE PERIOD BEFORE ABANDONEMENT CAN BE FOUND UNTIL AUGUST 15, 2024, for REFUSE TO RENEW** the Combination Retail License for Class “B” Fermented Malt Beverages and “Class B” Intoxicating Liquors issued to Kim Williams for the establishment known as the Corner Pub.

RE: Action: Reject bid from Neumann Pools Inc. for the Mead Pool Plastering Project.

The 2024 Capital Improvement Plan includes \$350,000 to coat Mead Pool with plaster. Mead pool is currently 32 years old. In 2021 we completed a condition analysis for the entire Mead Pool facility. The condition analysis indicated that the pool and all ancillary equipment was in overall good condition, except for the existing pool coating. Only one bid was received for plastering of the pool and it was overbudget.

The bid received was as follows:

Neumann Pools, Inc. \$817,199

The bid exceeded our allocated project budget for the Mead Pool Plastering Project. After conferring with our consulting engineer (McMahon), the Parks and Recreation Department is recommending rejecting the bid, reviewing the current project bidding documents for items that can be deferred to a future year, and re-bidding with a reduction in the project scope.

CITY OF APPLETON

MEMORANDUM

Date: 07/16/2024
To: Finance Committee
From: Pete Neuberger, Deputy Director of Public Works
Subject: Request to approve Change Order No. 2 to contract 21-24 for H-23 Lightning Drive Extension Phase 1 for added drain tile and earthwork, in the amount of \$72,830.00 resulting in a decrease in contingency from \$92,934.82 to \$20,104.82. Overall contract increases from \$1,622,361.12 to \$1,695,191.12.

The Department of Public Works is requesting approval of Change Order #2 as a contract amendment for contract 21-24, H-23 Lightning Drive Extension Phase 1, for drain tile, for removing unsuitable soil and importing additional clay fill, in the amount of \$72,830.00 resulting in a decrease in contingency from \$92,934.82 to \$20,104.82. Overall contract increases from \$1,622,361.12 to \$1,695,191.12.

Frequent rainfall has continued to impact the moisture-sensitive soils on the H-23 Lightning Drive Phase 1 project. The soils encountered in the initial excavation efforts of the stormwater pond are both wet and too sandy to be left in place as a clay liner for the pond or used as fill on the project. As a result, all the clay liner for the pond as well as additional clay material for road fill will need to be imported to the project site and additional unsuitable material will need to be removed from the site.

Additionally, to aid in keeping the road subgrade dry enough to support construction traffic and continue construction, DPW plans to add drain tile to the storm sewer system beneath the road.

As identified on the attached Change Order Form, the proposed additional work would be funded from account 5230.6809.4 (stormwater). The total available project budget under that account is sufficient for the identified contract expenditures and new contract contingency. After adding the proposed \$72,830.00 to the contract value under the 5230.6809.4 account, the new total contract value under that account will be \$1,092,532.54.

The other accounts within the H-23 contract and contingency would be unchanged.

RE: Action: Award the "2024 Police Station Gun Range Door Project" to IEI general contractor in the amount of \$44,838 with a contingency of 10% not to exceed \$49,322.

Action: Approve balance transfer of \$3,502 from the "2024 Fire Station Fire Alarm upgrade project" to "2024 Police Station Gun Range Door Project."

The 2024 Capital Improvement Plan includes \$162,000 to make upgrades to the firing range at the Police Station. Of the \$162,000, \$109,475 is allocated for Target upgrades and \$52,525 is allocated to adding a double door to allow large items including a vehicle in the range for training. The engineering and design for the door replacement cost \$6,705 and the lowest bid is \$44,838 leaving only \$982 for contingency. This action item requests transferring a positive balance of \$3,502 from the Fire Station Fire Alarm upgrades to allow for a responsible contingency of 10% to be used only if required.

The proposals for the flooring were received as follows:

IEI General Contractors	\$44,838
RJM Construction	\$58,282
10 % contingency	\$4,484
Total:	\$49,322

MEMORANDUM

Date: July 16, 2024
To: Chairperson Vered Meltzer
CC: Ryan Rice, Utilities Deputy Director
From: Chris Stempa, Utilities Director
Subject: **Action: Reject base bid from August Winter & Sons in the amount of \$2,617,900 for the Appleton Wastewater Treatment Plant Primary Clarifier #1-#4 Rehabilitation Project**

BACKGROUND:

There are six primary clarifiers at the Appleton Wastewater Treatment Plant (AWWTP). Primary Clarifiers #1 and #2 were originally constructed in 1936 with Primary Clarifiers #3 and #4 later constructed as part of a 1961 expansion project. The last major maintenance or CIP project completed on Primary Clarifiers #1 through #4 was in 2001. As part of that project, all four primary clarifiers were modified to raise the bridge elevations and install new drive mechanisms.

A rehabilitation project was formulated based on the findings of a conditions assessment. The project that was to be carried forward would restore the original concrete grout layer which has deteriorated over the 60 plus years of continuous use and address steel coating system deterioration of major clarifier operating components.

BIDS:

On Wednesday, June 24, 2024, the City opened and reviewed the bids from two contractors which are summarized in Table 1 below. Each bid met the submittal requirements.

Table 1: Bid Tab Summary

Item	August Winter and Sons, Inc	Rohde Brothers
Base Bid	\$2,617,900	\$3,325,000

August Winter and Sons, Inc provided the least cost base bid but their base bid exceeded the available budget by over \$1,000,000. There were two primary factors that contributed to the higher bid costs. First and foremost was the expanded base bid scope which included new stainless steel scum baffles and scum beaches/troughs, cure-in-place pipe lining of the Primary #1 and #2 sludge suction pipe, and replacement primary sludge pump. These additional scope items were added late in the preliminary design process knowing there was available unused funding from other construction projects that could be recaptured. Unfortunately, the preliminary cost estimates fell well short of what bidding process revealed. Second, was the timing of the bid processes. The late June bid date was not advantageous from a contractors perspective because of a compressed schedule that would have been required subsequent to contract execution to complete core scope tasks (e.g. coating and grouting) within a limited warm weather window. The substantial completion date was extended into mid-2025 to account for this but it did not provide the level of bid cost relief that would have been needed to advance this contract.

After conferring internally and with our consulting engineer, the Utilities Department is recommending rejecting the bid. All the current project bidding documents will be deferred to a future year. That delay will not jeopardize existing clarifier operations or treatment efficiencies. The intent would be to rebudget accordingly based on the expanded scope of work that will address all long-term needs within this area of treatment.

RECOMMENDATION:

I am recommending the rejection of the base bid from August Winter and Sons in the amount of \$2,617,900 for the Appleton Wastewater Treatment Plant Primary Clarifier #1-#4 Rehabilitation Project.

MEMORANDUM

Date: July 19, 2024
To: Chairperson Brad Firkus and Members of the Finance Committee
From: Chris Stempa, Utilities Director
CC: Ryan Rice, Utilities Deputy Director
Kelli Rindt, Enterprise Fund Accounting Manager
Subject: **Action: Approve Change Order #1 to Sabel Mechanical as part of the AWWTP Final Clarifier Tank Underdrain and Tank Drain Rehabilitation Contract Project totaling \$8,837 resulting in a decrease in contingency from \$6,662 to \$0 with the balance of \$2,175 covered by available project funds.**

BACKGROUND:

On February 7, 2024, Common Council approved a contract for the Appleton Wastewater Treatment Plant (AWWTP) Final Clarifier Tank Underdrain and Tank Drain Rehabilitation Contract Project to Sabel Mechanical as part of the AWWTP Final Clarifier Tank Underdrain and Tank Drain Rehabilitation Contract Project totaling \$44,411 with 15% contingency of \$6,662 for a project total not to exceed \$51,073. The change order task summarized below represents work added to the original contract scope of work (per Section IV P of the Procurement and Contract Management Policy) or deleted from, which alters the original contract amount.

CHANGE ORDER #1

Change Order #1 reflects the labor, material, and equipment costs for safety grate installation at two wetwell openings. The current wetwells are located adjacent to one another. Neither wetwell has integral fall protection features which has become a Utilities Department standard for any project involving existing or new infrastructure.

RECOMMENDATION:

I am requesting approval of Change Order #1 to Sabel Mechanical for fall protection equipment totaling \$8,837. The remaining Change Order balance of \$2,175 would be funded with available project funds.

If you have any questions or require additional information regarding this project, please contact Chris Stempa at 920-832-5945.

**COMMON COUNCIL
OF THE
CITY OF APPLETON, WISCONSIN**

August 7, 2024

Resolution No.: None

**A Resolution Authorizing and Providing for the Sale and Issuance of
\$13,500,000 General Obligation Promissory Notes, Series 2024,
and All Related Details**

RECITALS

The Common Council (the “**Governing Body**”) of the City of Appleton, Wisconsin (the “**Issuer**”) makes the following findings and determinations:

1. The Issuer needs funds to finance improvements to pedestrian crosswalks, safety cameras, asphalt, concrete, grade & gravel, and sidewalk programs for the Department of Public Works; improvements to stormwater, watermain, sanitary sewer, concrete, grade and gravel, and other infrastructure improvements in Tax Incremental District No. 13; improvements to municipal buildings and grounds, including, but not limited to, electrical, lighting, hardscape infrastructure, HVAC, and safety and security; acquisition and improvements of information technology equipment and infrastructure; public safety equipment; and development of and improvements to parks and public grounds (collectively, the “**Project**”).
2. The Issuer now wishes to borrow the funds needed for the Project by selling and issuing its \$13,500,000 General Obligation Promissory Notes, Series 2024 (the “**Obligations**”) pursuant to the provisions of Section 67.12(12) of the Wisconsin Statutes.
3. The Issuer has taken all actions required by law and has the power to sell and issue the Obligations.
4. The Governing Body is adopting this resolution to sell the Obligations and provide for their issuance upon the terms and conditions set forth in this resolution.

RESOLUTIONS

The Governing Body resolves as follows:

Section 1. Definitions.

In addition to the capitalized terms defined in the recitals above, capitalized terms not otherwise defined in this resolution shall have the meanings set forth below unless the context requires another meaning.

“**Book-Entry System**” means a system in which no physical distribution of certificates representing ownership of the Obligations is made to the owners of the Obligations but instead all outstanding Obligations are registered in the name of a securities depository appointed by the Issuer, or in the name of such a depository’s nominee, and the depository and its participants record beneficial ownership and effect transfers of the Obligations electronically.

“**Code**” means the Internal Revenue Code of 1986, as amended.

“**Continuing Disclosure Agreement**” means the Continuing Disclosure Agreement, dated as of the Original Issue Date, to be executed by the Issuer and delivered on the closing date of the Obligations.

“**Debt Service Fund**” means the fund created by the Issuer pursuant to Section 67.11 of the Wisconsin Statutes to provide for the payment of debt service on its general obligations.

“**Debt Service Fund Account**” has the meaning set forth in Section 16 of this resolution.

“**Depository**” means DTC or any successor appointed by the Issuer and acting as securities depository for the Obligations.

“**Director of Finance**” means the Issuer’s Director of Finance.

“**DTC**” means The Depository Trust Company, New York, New York.

“**Fiscal Agent**” means the Director of Finance, or any successor fiscal agent appointed by the Issuer to act as authentication agent, paying agent, and registrar for the Obligations pursuant to Section 67.10(2) of the Wisconsin Statutes.

“**Governing Body**” has the meaning set forth in the recitals to this resolution.

“**Issuer**” means the City of Appleton, Wisconsin.

“**Municipal Officers**” means the Mayor and the Clerk of the Issuer. These are the officers required by law to execute general obligations on the Issuer’s behalf.

“**Obligations**” means the \$13,500,000 City of Appleton, Wisconsin General Obligation Promissory Notes, Series 2024, which will be issued pursuant to this resolution.

“**Original Issue Date**” means August 28, 2024.

“**Project**” has the meaning set forth in the recitals to this resolution.

“**Purchase Agreement**” means the purchase agreement signed and presented by the Purchaser to evidence the purchase of the Obligations.

“**Purchase Price**” means \$ _____, plus payment by the Purchaser on behalf of the Issuer of \$ _____ for the costs of issuing the Obligations.

“**Purchaser**” means Robert W. Baird & Co. Incorporated, or a group that it leads.

“**Record Date**” means the 15th day (whether or not a business day) of the calendar month just before a regularly scheduled interest payment date for the Obligations.

“**Recording Officer**” means the Issuer’s Clerk.

“**Register**” means the register maintained by the Fiscal Agent at its designated office, in which the Fiscal Agent records:

- (i) The name and address of the registered owner of each Obligation.
- (ii) All transfers of each Obligation.

Section 2. Exhibits.

The attached exhibits are also a part of this resolution as though they were fully written out in this resolution:

- (i) *Exhibit A* — Form of Obligation.
- (ii) *Exhibit B* — Notice to Electors of Sale.

Section 3. Purposes of Borrowing; Issuance of Obligations.

The Governing Body authorizes the Obligations and orders that they be prepared, executed, and issued. The Obligations will be fully registered, negotiable, general obligation promissory notes of the Issuer in the principal amount of \$13,500,000. The Obligations will be issued pursuant to the provisions of Section 67.12(12) of the Wisconsin Statutes to pay the costs of the Project and issuing the Obligations (including, but not limited to, printing costs and fees for underwriting, financial consultants, bond counsel, fiscal agent, rating agencies, bond insurance, and registration, as applicable).

Section 4. Terms of Obligations.

The Obligations will be named “City of Appleton, Wisconsin General Obligation Promissory Notes, Series 2024.” The Obligations will be dated the Original Issue Date, even if they are actually issued or executed on another date. Each Obligation will also be dated the date on which it is authenticated by the Fiscal Agent. That date is its registration date.

The face amount of each Obligation will be \$5,000 or any multiple thereof up to the principal amount authorized for that maturity.

The Obligations will bear interest from the Original Issue Date. Interest will be due and payable on each April 1 and October 1, beginning on April 1, 2025, until the principal of the Obligations has been paid. Interest on each Obligation will be (i) computed on the basis of a 360-day year of twelve 30-day months and (ii) payable to the entity or person in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date. The

Issuer and the Fiscal Agent may treat the entity or person in whose name any Obligation is registered on the Register as the absolute owner of the Obligations for all purposes whatsoever under this resolution. The Obligations will be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing the Obligations. The following table shows when the Obligations will mature and the rate of interest each maturity will bear:

<u>Maturity Date</u> <u>(April 1)</u>	<u>Principal Amount</u>	<u>Interest Rate</u>
2025	\$ 655,000	.00%
2026	420,000	.00
2027	420,000	.00
2028	980,000	.00
2029	1,305,000	.00
2030	1,750,000	.00
2031	1,840,000	.00
2032	1,940,000	.00
2033	2,040,000	.00
2034	2,150,000	.00

The principal of, and interest on, the Obligations will be payable in lawful money of the United States of America.

Section 5. Fiscal Agent.

The Issuer appoints the Fiscal Agent to act as authentication agent, paying agent, and registrar for the Obligations. Among other things, the Fiscal Agent shall maintain the Register.

Section 6. Appointment of Depository.

The Issuer appoints DTC to act as securities depository for the Obligations. An authorized representative of the Issuer has previously executed a blanket issuer letter of representations with DTC on the Issuer's behalf, and the Issuer ratifies and approves that document.

Section 7. Book-Entry System.

On the date of their initial delivery, the Obligations will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the Issuer's relationship with DTC is terminated, then the Issuer may appoint another securities depository to maintain the Book-Entry System.

If on any date the Obligations are not being maintained in a Book-Entry System, then the Issuer will do the following:

- (i) At its expense, the Issuer will prepare, authenticate, and deliver to the beneficial owners of the Obligations fully-registered, certificated Obligations in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.
- (ii) The Issuer will appoint a fiscal agent to act as authentication agent, paying agent, and registrar for the Obligations under Section 67.10(2) of the Wisconsin Statutes.

Section 8. Redemption.

The Obligations maturing on and after April 1, 2032 are subject to redemption before their stated maturity dates, at the Issuer's option, in whole or in part, in the order of maturity selected by the Issuer, on April 1, 2031 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all outstanding Obligations are redeemed, then the Obligations will be redeemed in \$5,000 multiples in accordance with Sections 9 and 10 hereof.

Section 9. Manner of Payment/Transfers/Redemption Notices Under Book-Entry System.

So long as the Obligations are being maintained in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Obligations by wire transfer to the Depository or its nominee in accordance with the Depository's rules that are then in effect.

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the surrender of the Obligations to the Fiscal Agent, the Issuer will issue new fully registered Obligations in the same aggregate principal amount to the successor securities depository, and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If less than all the principal amount of a specific maturity is redeemed, then on or after the redemption date and upon surrender to the Fiscal

Agent of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

Section 10. Manner of Payment/Transfers/Redemption Notices Not Under Book-Entry System.

If on any date the Obligations are not being maintained in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Obligation upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and the Fiscal Agent will pay, on each interest payment date, the interest on each Obligation by wire or other electronic funds transfer or by check of the Fiscal Agent sent by first class mail to the person or entity in whose name the Obligation is registered on the Register at the end of the day on the applicable Record Date.

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Issuer will issue one or more new fully registered Obligations in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after the Obligation has been called for redemption.

Partial Redemptions. If less than all the Obligations of a particular maturity are to be redeemed, then the Issuer or the Fiscal Agent will randomly select the Obligations to be redeemed. If an Obligation has been called for redemption but less than the entire principal amount thereof is redeemed, then on or after the redemption date and upon surrender of the Obligation to the Fiscal Agent, the Issuer will issue a new Obligation in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date to the registered owners of the Obligations to be redeemed at the respective addresses set

forth in the Register. A notice of optional redemption may be revoked by sending a notice, by first class mail, not less than 15 days prior to the proposed optional redemption date to the registered owners of the Obligations which have been called for optional redemption.

Section 11. Form of Obligations.

The Obligations shall be in substantially the form shown in Exhibit A. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution. The Issuer may cause the approving opinion of bond counsel to be printed or reproduced on the Obligations.

Section 12. Execution of Obligations.

The Obligations shall be signed by the persons who are the Municipal Officers on the date on which the Obligations are signed. The Obligations shall be sealed with the Issuer's corporate seal (or a facsimile), if the Issuer has one, and the Obligations shall also be authenticated by the manual signature of the Fiscal Agent.

The Obligations will be valid and binding even if before they are delivered any person whose signature appears on the Obligations is no longer living or is no longer the person authorized to sign the Obligations. In that event, the Obligations will have the same effect as if the person were living or were still the person authorized to sign the Obligations.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 13. Continuing Disclosure.

The appropriate officers of the Issuer are directed to sign the Continuing Disclosure Agreement, and the Issuer agrees to comply with all its terms.

Section 14. Sale of Obligations.

The Issuer awards the sale of the Obligations to the Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Obligations. The Issuer approves and accepts the Purchase Agreement. The Municipal Officers are directed (i) to sign the Purchase Agreement in the Issuer's name and (ii) to take any additional actions needed to complete the sale of the Obligations.

The Municipal Officers are directed to sign the Obligations and to arrange for delivery of the Obligations to the Purchaser through the facilities of DTC in accordance with the Purchase Agreement and this resolution. The Obligations may be delivered to the Purchaser upon payment by the Purchaser of the Purchase Price, plus any accrued interest, as required by this resolution.

Unless waived by the Purchaser, the delivery of the Obligations is conditioned upon the Issuer furnishing the following items to the Purchaser:

- (i) The Obligations, together with the written, unqualified approving opinion of the law firm of Foley & Lardner LLP, bond counsel, evidencing the legality of the Obligations and that interest on the Obligations will be excluded from gross income for federal income tax purposes.
- (ii) A transcript of the proceedings relating to the issuance of the Obligations.
- (iii) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Obligations or the right of the Issuer to issue them at the time of their delivery.

Section 15. General Obligation Pledge; Tax Levy.

For the prompt payment of the principal of, and interest on, the Obligations, the Issuer irrevocably pledges its full faith and credit. The Issuer hereby levies upon all taxable property in its territory a direct, annual, and irrevocable tax in an amount sufficient to pay, and for the express purpose of paying, the interest on the Obligations as it falls due and also to pay and discharge the principal of the Obligations on their maturity dates.

This tax shall be carried from year to year into the Issuer’s tax roll. It shall be collected in addition to all other taxes and in the same manner and at the same time as all other taxes. The amount of this tax that is carried into the Issuer’s tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account available to pay debt service on the Obligations for such year. The tax for each year the levy is made will be in the following amounts:

<u>Levy Year</u>	<u>Debt Service Amount Due in Following Year</u>	<u>Levy Year</u>	<u>Debt Service Amount Due in Following Year</u>
2024	\$.00	2029	\$.00
2025	.00	2030	.00
2026	.00	2031	.00
2027	.00	2032	.00
2028	.00	2033	.00

Section 16. Debt Service Fund Account.

The Issuer shall create a separate account within the Debt Service Fund solely for the Obligations (the “**Debt Service Fund Account**”), which shall be maintained and administered as provided in Section 67.11 of the Wisconsin Statutes. The Director of Finance is directed to keep the proceeds of the taxes levied under this resolution, when they are collected, in

the Debt Service Fund Account. Any accrued interest received on the Original Issue Date and the premium, if any, paid to the Issuer by the Purchaser in excess of the stated principal amount of the Obligations shall be deposited into the Debt Service Fund Account and used to pay interest on the Obligations. If the money in the Debt Service Fund Account is insufficient to make a payment of principal of, or interest on, the Obligations on a date on which such a payment is due, then the Issuer will promptly provide the necessary funds to make the payment from other available sources.

Section 17. Borrowed Money Fund.

The sale proceeds of the Obligations (not including any accrued interest or premium received) shall be deposited in and kept by the Director of Finance in a separate fund. The fund shall be designated with both the name of the Obligations and the name Borrowed Money Fund (the “**Borrowed Money Fund**”). Money in the Borrowed Money Fund, including any earnings, shall be (a) used to pay the costs of the Project and issuing the Obligations, or (b) transferred to the Debt Service Fund Account as provided by law.

Section 18. Official Statement.

The Issuer ratifies and approves the preliminary offering document prepared and distributed in connection with the sale of the Obligations, and the Issuer authorizes and directs the final version of such document (the “**Official Statement**”) to be prepared prior to the issuance of the Obligations; *provided, however*, that the Official Statement shall be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers approve. The Municipal Officers are directed to deliver copies of the Official Statement to the Purchaser and, if the Purchaser requests, execute one or more copies on behalf of the Issuer. Execution and delivery of the Official Statement will conclusively evidence the approval of the Municipal Officers.

Section 19. Publication of Notice.

The Recording Officer is directed to publish notice that the Issuer has agreed to sell the Obligations. The notice shall be published in the Issuer’s official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes promptly after the execution of the Purchase Agreement. The notice shall be in substantially the form shown in Exhibit B. The Recording Officer shall obtain proof, in affidavit form, of the publication, and shall compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 20. Authorization of Officers.

The appropriate officers of the Issuer are directed to prepare and furnish the following items to the Purchaser and the attorneys approving the legality of the Obligations:

- (i) Certified copies of proceedings and records of the Issuer relating to the Obligations and to the financial condition and affairs of the Issuer.
- (ii) Other affidavits, certificates, and information that may be required to show the facts about the legality of the Obligations, as such facts appear on the

books and records under the officer's custody or control or as are otherwise known to the officer.

All certified copies, affidavits, certificates, and information furnished for such purpose will be representations of the Issuer as to the facts they present.

Section 21. Tax Law Covenants.

The Issuer covenants that it will comply with all requirements of the Code and the Treasury Regulations promulgated thereunder, that must be satisfied so that interest on the Obligations will be excluded from gross income for federal income tax purposes.

Section 22. Further Authorization.

The Issuer authorizes its officers, attorneys, and other agents or employees to do all acts required of them to carry out the purposes of this resolution.

Section 23. Conflict with Prior Acts.

In case any part of a prior action of the Governing Body conflicts with this resolution, that part of the prior action is hereby rescinded.

Section 24. Severability of Invalid Provisions.

If a court holds any provision of this resolution to be illegal or invalid, then the illegality or invalidity shall not affect any other provision of this resolution.

Section 25. Effective Date.

This resolution takes effect upon its adoption and approval in the manner provided by law.

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ DOLLARS

THE CITY OF APPLETON, WISCONSIN (herein called the “**Issuer**”), hereby acknowledges itself to owe and for value received promises to pay the Principal Amount to the Registered Owner on the Maturity Date, and to pay interest on the Principal Amount from the Original Issue Date at the annual rate of the Interest Rate. Interest is due and payable on each April 1 and October 1, beginning on April 1, 2025, until the Principal Amount has been paid. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Obligation is one of a duly authorized issue of notes (the “**Obligations**”) of the Issuer of an aggregate principal amount of \$13,500,000, all of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the Issuer pursuant to the provisions of Section 67.12(12) of the Wisconsin Statutes, and is authorized by the resolution duly adopted by the governing body of the Issuer on August 7, 2024, entitled: “A Resolution Authorizing and Providing for the Sale and Issuance of \$13,500,000 General Obligation Promissory Notes, Series 2024, and All Related Details” (the “**Resolution**”). The Obligations are issuable only in the form of fully registered notes.

On the date of their initial delivery, the Obligations will be maintained in a system in which no physical distribution of certificates representing ownership of the Obligations is made to the owners of the Obligations but instead all outstanding Obligations are registered in the name of a securities depository appointed by the Issuer (a “**Depository**”), or in the name of the Depository’s nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Obligations electronically (a “**Book-Entry System**”). So long as the Obligations are maintained in a Book-Entry System, then the principal of, and interest on, this Obligation will be paid by wire transfer to the Depository or its nominee in accordance with the Depository’s rules that are then in effect by the Director of Finance of the Issuer, or any successor fiscal agent appointed by the Issuer under Section 67.10(2) of the Wisconsin Statutes (the “**Fiscal Agent**”), which will act as authentication agent, paying agent, and registrar for the Obligations.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then (i) the principal of this Obligation will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity date or earlier redemption date at the designated office of the Fiscal Agent, and (ii) the interest on this Obligation will be paid by the Fiscal Agent, on each interest payment date, by wire or other electronic money transfer or by check of the Fiscal Agent sent by first class mail to the person or entity in whose name this Obligation is registered on the register (the “**Register**”) maintained by the Fiscal Agent at the end of the day on the 15th day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date (the “**Record Date**”). The Issuer and the Fiscal Agent may treat the entity or person in whose name this Obligation is registered on the Register as the absolute owner of this Obligation for all purposes.

The principal of, and interest on, this Obligation is payable in lawful money of the United States of America. For the prompt payment of the principal of and interest on this Obligation, the Issuer has irrevocably pledged its full faith and credit. The Issuer has levied upon all taxable property in its territory a direct, annual, and irrevocable tax sufficient in amount to pay, and for the express purpose of paying, the interest on this Obligation as it falls due and the principal of this Obligation on the Maturity Date.

The Obligations maturing on or after April 1, 2032 are subject to redemption before their stated maturity dates, at the Issuer’s option, in whole or in part, in the order of maturity selected by the Issuer, on April 1, 2031 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of an Obligation called for redemption has been made or provided for, then interest on the Obligation stops accruing on the stated redemption date. If less than all outstanding Obligations are redeemed, then such Obligations will be redeemed in multiples of \$5,000 as set forth below.

So long as the Obligations are being maintained in a Book-Entry System, the following provisions apply:

Transfers. The Obligations are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Obligations and the Issuer appoints a successor securities depository. If that happens, then upon the

surrender of the Obligations to the Fiscal Agent, the Issuer will issue new fully registered Obligations in the same aggregate principal amount to the successor securities depository and the Obligations will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Obligations to be redeemed. If less than all the principal amount of a specific maturity is redeemed, then on or after the redemption date and upon surrender to the Fiscal Agent of the Obligation, the Issuer will issue one or more new Obligations in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

If on any date the Obligations are *not* being maintained in a Book-Entry System, then the following provisions apply:

Transfers. Each Obligation is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Obligation shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Issuer will issue one or more new fully registered Obligations, in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Obligations and upon the payment of a charge sufficient to reimburse the Issuer or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Obligations (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Obligations, or (ii) with respect to any particular Obligation, after such Obligation has been called for redemption.

Partial Redemption. If less than all the Obligations of a particular maturity are to be redeemed, then the Issuer or the Fiscal Agent will randomly select the Obligations to be redeemed. If an Obligation has been called for redemption but less than the entire principal amount thereof is redeemed, then on or after the redemption date and upon surrender of the Obligation to the Fiscal Agent, the Issuer will issue a new Obligation in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Obligations shall be sent by first class mail, not less than 30, and not more than 60, days before the redemption date, to the registered owners of any Obligations to be redeemed, at the respective addresses set forth in the Register. A notice of optional redemption may be revoked by sending a notice by first class mail, not less than 15 days prior to the proposed optional redemption date, to the registered owners of the Obligations which have been called for optional redemption.

The Issuer certifies, recites, and declares that all acts, conditions, and procedures required by law to exist, to have happened, and to be performed, leading up to and in the issuing of this Obligation and of the issue of which it is a part, do exist, have happened, and have been performed in regular and due form, time, and manner as required by law; that the indebtedness of the Issuer, including this Obligation and the issue of which it is a part, does not exceed any limitation, general or special, imposed by law; and that a valid, direct, annual and irrepealable tax has been levied by the Issuer sufficient to pay the interest on this Obligation when it falls due and also to pay and discharge the principal of this Obligation at maturity.

IN WITNESS WHEREOF, the Issuer, by its governing body, has caused this Obligation to be executed in its name and on its behalf by the manual or facsimile signatures of its Mayor and Clerk and to be sealed with its corporate seal (or a facsimile thereof), if any, all as of the Original Issue Date.

CERTIFICATIONS BY CLERK

I, Kami Lynch, certify that I am the duly qualified acting Clerk of the City of Appleton, Wisconsin (the “**Municipality**”), and as such I have in my possession, or have access to, the complete corporate records of the Municipality and of its Common Council (the “**Governing Body**”), and that attached to this certificate is a true, correct, and complete copy of the resolution (the “**Resolution**”) entitled:

**A Resolution Authorizing and Providing for the Sale and Issuance of
\$13,500,000 General Obligation Promissory Notes, Series 2024,
and All Related Details**

I further certify as follows:

1. **Meeting Date.** On August 7, 2024, a meeting of the Governing Body was held beginning at _____ p.m.
2. **Posting.** On August ____, 2024 (and not less than 24 hours prior to the meeting), I posted, or caused to be posted, at the Municipality’s offices in Appleton, Wisconsin a notice setting forth the date, time, location, and subject matter of said meeting. The notice specifically referred to the Resolution.
3. **Notification of Media.** On August ____, 2024 (and not less than 24 hours prior to the meeting), I communicated or caused to be communicated, the date, time, location, and subject matter of said meeting to those news media that have filed a written request for such notice and to the official newspaper of the Municipality, if any. The communication specifically referred to the Resolution.
4. **Open Meeting Law Compliance.** The meeting was a regular meeting of the Governing Body that was held in open session in compliance with Subchapter V of Chapter 19 of the Wisconsin Statutes and any other applicable local rules and state statutes.
5. **Members Present.** The meeting was duly called to order by the Mayor (the “**Presiding Officer**”), who chaired the meeting. Upon roll call, I noted and recorded that there were ____ members of the Governing Body present at the meeting, such number being a quorum of the Governing Body.
6. **Consideration of and Roll Call Vote on Resolution.** Various matters and business were taken up during the course of the meeting without intervention of any closed session. One of the matters taken up was the Resolution. A proper quorum of the Governing Body was present for the consideration of the Resolution, and each member of the Governing Body had received a copy of the Resolution. All rules of the Governing Body that interfered with the consideration of the Resolution, if any, were suspended by a two-thirds vote of the Governing Body. The Resolution was then introduced, moved, and seconded, and after due consideration, upon roll call, ____ of the Governing Body members voted Aye, ____ voted Nay, and ____ Abstained.

7. **Adoption of Resolution.** The Resolution was supported by the affirmative vote of a majority of a quorum of the members of the Governing Body in attendance. The Presiding Officer then declared that the Resolution was adopted, and I recorded the adoption of the Resolution.

8. **Approval of Presiding Officer.** The Resolution was approved by the Presiding Officer on August ____, 2024, and I have recorded the approval. The approval is evidenced by the signature of the Presiding Officer on the copy of the Resolution to which this certificate is attached.

9. **Publication of Notice.** I have caused the Notice to Electors, in the form of Exhibit B to the Resolution, to be published in the place specified in the Resolution.

IN WITNESS WHEREOF, I have signed my name and affixed the seal of the Municipality, if any, on this certificate on August ____, 2024.

**COMMON COUNCIL
OF THE
CITY OF APPLETON, WISCONSIN**

August 7, 2024

Resolution No.: None

**A Resolution Authorizing and Providing for the Sale and Issuance of
\$12,910,000 Sewerage System Revenue Bonds, Series 2024,
and All Related Details**

RECITALS

The Common Council (the “**Governing Body**”) of the City of Appleton, Wisconsin (the “**Municipality**”) makes the following findings and determinations:

1. The Municipality currently owns and operates a municipal sewerage system (the “**System**”, as more fully defined below), which is a “public utility” (within the meaning of Section 66.0621 (1)(b) of the Wisconsin Statutes).

2. Under the provisions of Section 66.0621 of the Wisconsin Statutes, as amended (the “**Act**”), the Municipality may, by action of the Governing Body, provide for purchasing, acquiring, leasing, constructing, extending, adding to, improving, conducting, controlling, operating, or managing the System, and the refunding of municipal obligations issued for such purposes, from the proceeds of obligations that are payable only from the income and revenues derived from the operation of the System.

3. On September 21, 2005, the Governing Body adopted a resolution, which was amended on October 5, 2005 (together, the “**2005 Resolution**”), authorizing the issuance of the Municipality’s \$4,735,000 Sewerage System Revenue Refunding Bonds, Series 2005, dated October 15, 2005 (the “**Series 2005 Bonds**”). The Series 2005 Bonds were retired on May 1, 2010.

4. On September 5, 2018, the Governing Body adopted a resolution (the “**2018 Resolution**”), authorizing the issuance of the Municipality’s \$5,245,000 Sewerage System Revenue Refunding Bonds, Series 2018, dated October 9, 2018 (the “**Series 2018 Bonds**”). The Series 2018 Bonds are currently outstanding in the aggregate principal amount of \$2,010,000.

5. On July 15, 2020, the Governing Body adopted a resolution (the “**2020 Resolution**”), authorizing the issuance of the Municipality’s \$10,850,000 Sewerage System Revenue Refunding Bonds, Series 2020, dated August 6, 2020 (the “**Series 2020 Bonds**”). The Series 2020 Bonds are currently outstanding in the aggregate principal amount of \$8,640,000.

6. On July 21, 2021, the Governing Body adopted a resolution (the “**2020 Resolution**”), authorizing the issuance of the Municipality’s \$8,845,000 Sewerage System

Revenue Refunding Bonds, Series 2021, dated August 11, 2021 (the “**Series 2021 Bonds**”). The Series 2021 Bonds are currently outstanding in the aggregate principal amount of \$7,570,000.

7. On May 18, 2022, the Governing Body adopted a resolution (the “**2022 Resolution**”), authorizing the issuance of the Municipality’s \$11,710,000 Sewerage System Revenue Bonds, Series 2022, dated June 15, 2022 (the “**Series 2022 Bonds**”). The Series 2022 Bonds are currently outstanding in the aggregate principal amount of \$10,970,000.

8. No other outstanding obligations are payable from the income and revenues derived from the operation of the System.

9. The Municipality needs funds to finance certain additions, extensions, and improvements to the System, including, but not limited to, construction of and improvements to sewer mains and laterals, and equipment and building improvements at the wastewater treatment facility (collectively, the “**Project**”).

10. The Governing Body wishes to finance the costs of the Project by authorizing, selling, and issuing its \$12,910,000 Sewerage System Revenue Bonds, Series 2024 (the “**Bonds**”). The Bonds will be issued pursuant to the provisions of the Act, on the terms and conditions described in this resolution, and will be secured by and payable from the income and revenues derived and to be derived from the operation of the System. The Bonds will be issued on a parity and equality of rank with the Series 2018 Bonds, the Series 2020 Bonds, the Series 2021 Bonds, and the Series 2022 Bonds (collectively, the “**Outstanding Bonds**”).

11. Section 21 of the 2005 Resolution (the “**Additional Bonds Test**”), which section is continued under each of the resolutions authorizing the issuance of the Outstanding Bonds, authorizes the issuance of additional bonds on a parity and equality of rank with the Outstanding Bonds upon compliance with the conditions set forth under the Additional Bonds Test. All conditions set forth under the Additional Bonds Test have been or will be satisfied prior to the issuance of the Bonds.

12. In accordance with the provisions of Section 66.0621 (4)(a)2 of the Wisconsin Statutes and this resolution (i) interest on the Bonds will be payable at least annually, and (ii) payment of principal of the Bonds will commence not later than 3 years after the date of issuance of the Bonds. The requirement each year to pay both principal of and interest on the Bonds will be reasonable and in accordance with prudent municipal utility management practices.

13. Robert W. Baird & Co. Incorporated (the “**Bond Purchaser**”), or a group that it represents, has offered to purchase the Bonds for \$ _____, plus payment by the Bond Purchaser on behalf of the Municipality of \$ _____ for the costs of issuing the Bonds (the “**Purchase Price**”).

14. The Municipality has taken all actions required by law and has the power to sell and issue the Bonds.

15. The Governing Body will adopt this resolution to sell and issue the Bonds.

RESOLUTIONS

The Governing Body resolves as follows:

Section 1. Definitions.

In addition to the capitalized terms defined in the recitals above, capitalized terms not otherwise defined in this resolution shall have the meanings set forth below unless the context requires another meaning.

“**Act**” means Section 66.0621 of the Wisconsin Statutes, as amended.

“**Bond Counsel**” means (i) as of the Original Issue Date, Foley & Lardner LLP, and (ii) after the Original Issue Date, either Foley & Lardner LLP or any other nationally recognized firm of attorneys, employed by the Municipality, experienced in municipal finance whose legal and tax opinions are generally accepted by purchasers of municipal obligations.

“**Bonds**” means the \$12,910,000 City of Appleton, Wisconsin Sewerage System Revenue Bonds, Series 2024, which will be issued pursuant to this resolution.

“**Bond Purchase Agreement**” means the purchase agreement signed and presented by the Bond Purchaser to evidence the purchase of the Bonds.

“**Bond Purchaser**” has the meaning given in the recitals to this resolution.

“**Bond Register**” means the register maintained by the Fiscal Agent at its designated office, in which the Fiscal Agent records:

- (i) the name and address of the owner of each Bond.
- (ii) all transfers of each Bond.

“**Book-Entry System**” means a system in which no physical distribution of certificates representing ownership of the Bonds is made to the owners of the Bonds but instead all outstanding Bonds are registered in the name of a securities depository appointed by the Municipality, or in the name of such a depository’s nominee, and the depository and its participants record beneficial ownership and transfers of the Bonds electronically.

“**Code**” means the Internal Revenue Code of 1986, as amended.

“**Continuing Disclosure Agreement**” means the Continuing Disclosure Agreement, dated as of the Original Issue Date, to be executed by the Municipality and delivered on the closing date of the Bonds.

“**Current Expenses**” means the reasonable and necessary cost of operating, maintaining, administering, insuring, and repairing the System as determined in accordance with generally accepted accounting principles and shall include, but not be limited to, salaries, premiums for insurance, wages, cost of materials and supplies, insurance, and audits but shall

exclude allowances for depreciation, debt service on obligations of the System, tax equivalents, capital expenditures, and accumulations of reserves.

“**Depository**” means DTC or any successor appointed by the Municipality and acting as securities depository for the Bonds.

“**DTC**” means The Depository Trust Company, New York, New York.

“**Financial Officer**” means the Municipality’s Director of Finance.

“**Fiscal Agent**” means the Municipality’s Director of Finance, or any successor fiscal agent appointed by the Municipality to act as authentication agent, paying agent, and registrar for the Bonds pursuant to Section 67.10 (2) of the Wisconsin Statutes.

“**Fiscal Year**” means the twelve-month period beginning on January 1 of each year and ending on December 31 of each year. The Municipality may change the Fiscal Year of the System if the Original Purchasers consent to the change. If the Original Purchasers consent to the change, then the change will not constitute a modification, change, amendment, or alteration of this resolution for purposes of Section 24 of this resolution.

“**Governing Body**” means the Municipality’s Common Council.

“**Gross Revenues**” means the gross revenues of the System from all sources, excluding (i) customer deposits, (ii) collected taxes imposed by other governmental entities, and (iii) earnings on amounts held in the Special Redemption Fund, the Depreciation Fund, and any construction or proceeds fund created under this resolution or under a resolution authorizing the issuance of Parity Bonds.

“**Independent Consultant**” means a recognized engineer or firm of engineers or a recognized certified public accountant or firm of certified public accountants who or which is not an officer or regular employee of the Municipality or the System and who or which is not devoting substantially all of his, her or its time and efforts to the affairs of the System.

“**Minimum Reserve Amount**” means the maximum annual debt service coming due in any future year on the Bonds and Parity Bonds then outstanding.

“**Municipal Officers**” means the Mayor and Clerk of the Municipality. These are the officers required by law to execute revenue obligations on the Municipality’s behalf.

“**Municipality**” means the City of Appleton, Wisconsin.

“**Net Revenues**” means Gross Revenues after deduction of Current Expenses, plus earnings on moneys held in the Special Redemption Fund.

“**Original Issue Date**” means August 28, 2024.

“**Original Purchasers**” means the Bond Purchaser and the initial purchaser of each issue of Parity Bonds (including the Outstanding Bonds), so long as the issue of Parity Bonds remains outstanding.

“**Outstanding Bonds**” has the meaning given in the recitals to this resolution.

“**Parity Bonds**” means all other obligations payable from the revenues of the System (including the Outstanding Bonds) other than the Bonds, but issued on a parity and equality with the Bonds and the Outstanding Bonds pursuant to the restrictive provisions of the applicable sections of the Prior Resolutions and of Section 21 of this resolution.

“**Prior Resolutions**” means the 2018 Resolution, the 2020 Resolution, the 2021 Resolution, and the 2022 Resolution, each as defined in the recitals to this resolution.

“**Project**” has the meaning given in the recitals to this resolution.

“**Purchase Price**” has the meaning given in the recitals to this resolution.

“**Record Date**” means the 15th day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date for the Bonds.

“**Recording Officer**” means the Municipality’s Clerk.

“**Reserve Account**” means the Reserve Account of the Special Redemption Fund.

“**Special Redemption Fund**” means the fund designated as such and described in Section 18 of this resolution.

“**System**” means the sewer utility of the Municipality, which shall include all property of every nature now or hereafter owned by the Municipality for the collection, treatment, storage, metering, transmission, and disposal of domestic, industrial, and public sewage, including all improvements and extensions thereto made by the Municipality while any of the Bonds or Parity Bonds remain outstanding and including all appurtenances, contracts, leases, franchises, and other intangibles.

Section 2. Exhibits.

The attached exhibits are also a part of this resolution as though they were fully written out in this resolution:

- (i) *Exhibit A* - Form of Bond.
- (ii) *Exhibit B* - Notice to Electors of Sale.

Section 3. Purposes of Borrowing; Issuance of Bonds.

The Governing Body authorizes the Bonds and orders that they be prepared, executed, and issued. The Bonds will be fully registered, negotiable, sewerage system revenue bonds of the Municipality in the aggregate principal amount of \$12,910,000. The Bonds will be

issued pursuant to the Act to pay the costs of the Project and issuing the Bonds (including, but not limited to, printing costs and fees for underwriting, financial consultants, bond counsel, fiscal agent, rating agencies, bond insurance, and registration, as applicable).

Section 4. Terms of Bonds.

The Bonds will be named “City of Appleton, Wisconsin Sewerage System Revenue Bonds, Series 2024.” The Bonds will be dated the Original Issue Date, even if they are actually issued or executed on another date. Each Bond will also be dated the date on which it is authenticated by the Fiscal Agent. That date is its registration date.

The face amount of each Bond will be \$5,000 or any multiple thereof up to the principal amount authorized for that maturity.

The Bonds will bear interest from the Original Issue Date. Interest on the Bonds will be payable on each May 1 and November 1, beginning on May 1, 2025, until the principal of the Bonds has been paid. Interest on each Bond will be (i) computed on the basis of a 360-day year of twelve 30-day months and (ii) payable to the entity or person in whose name the Bond is registered on the Bond Register at the end of the day on the applicable Record Date. The Municipality and the Fiscal Agent may treat the entity or person in whose name any Bond is registered on the Bond Register as the absolute owner of the Bonds for all purposes whatsoever under this resolution. The Bonds will be numbered consecutively as may be required to comply with any applicable rules or customs or as determined by the Municipal Officers executing the Bonds.

The following table shows when the Bonds will mature and the rate of interest each maturity will bear:

Principal Maturity Date (May 1)	Principal Amount	Interest Rate	Principal Maturity Date (May 1)	Principal Amount	Interest Rate
2026	\$200,000	.00%	2036	\$700,000	.00%
2027	440,000	.00	2037	735,000	.00
2028	465,000	.00	2038	775,000	.00
2029	490,000	.00	2039	820,000	.00
2030	515,000	.00	2040	865,000	.00
2031	540,000	.00	2041	910,000	.00
2032	570,000	.00	2042	955,000	.00
2033	600,000	.00	2043	995,000	.00
2034	630,000	.00	2044	1,040,000	.00
2035	665,000	.00			

The principal of, and interest on, the Bonds will be payable in lawful money of the United States of America.

Section 5. Fiscal Agent.

The Municipality appoints the Fiscal Agent to act as authentication agent, paying agent, and registrar for the Bonds. Among other things, the Fiscal Agent shall maintain the Bond Register.

Section 6. Appointment of Depository.

The Municipality appoints DTC to act as securities depository for the Bonds. An authorized representative of the Municipality has previously executed a blanket issuer letter of representations with DTC on the Municipality's behalf, and the Municipality ratifies and approves that document.

Section 7. Book-Entry System.

On the date of their initial delivery, the Bonds will be registered in the name of DTC or its nominee and maintained in a Book-Entry System. If the Municipality's relationship with DTC is terminated, then the Municipality may appoint another securities depository to maintain the Book-Entry System.

If on any date the Bonds are not being maintained in a Book-Entry System, then the Municipality will do the following:

- (i) At its expense, the Municipality will prepare, authenticate, and deliver to the beneficial owners of the Bonds fully-registered, certificated Bonds in the denomination of \$5,000 or any multiple thereof in the aggregate principal amount then outstanding. The beneficial owners will be those shown on the records of the Depository and its direct and indirect participants.
- (ii) The Municipality will appoint a fiscal agent to act as authentication agent, paying agent, and registrar for the Bonds under Section 67.10 (2) of the Wisconsin Statutes.

Section 8. Redemption.

The Bonds maturing on and after May 1, 2033 are subject to redemption before their stated maturity dates, at the Municipality's option, in whole or in part, in the order of maturity selected by the Municipality, on May 1, 2032 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed, plus accrued interest to the redemption date, and no premium will be paid. If payment of a Bond called for redemption has been made or provided for, then interest on the Bond stops accruing on the stated redemption date. If less than all outstanding Bonds are redeemed, then the Bonds will be redeemed in \$5,000 multiples in accordance with Sections 9 and 10 hereof[, and if a portion, but not all, of a maturity that is subject to mandatory partial redemptions by operation of a sinking fund (as

described below) is being redeemed, then the Municipality will select the amounts to be redeemed on future Sinking Fund Redemption Dates (as defined below) that are reduced as a result of the partial redemption].

[The Term Bonds are also subject to mandatory partial redemptions prior to their stated maturity dates by operation of a sinking fund. On the following redemption dates (each a “**Sinking Fund Redemption Date**”), the Municipality will redeem the following principal amounts (subject to reduction as provided in the immediately preceding paragraph) of the Term Bonds:]

Term Bonds Maturing May 1, 20

Sinking Fund Redemption Date (May 1)	Principal Amount To be Redeemed
20	\$,000
20 (Stated Maturity)	,000

Term Bonds Maturing May 1, 20

Sinking Fund Redemption Date (May 1)	Principal Amount To be Redeemed
20	\$,000
20	,000
20 (Stated Maturity)	,000

[The redemption price will be 100% of the principal amount redeemed, plus accrued interest thereon to the Sinking Fund Redemption Date, and no premium will be paid. The particular Term Bonds to be redeemed will be selected in accordance with Sections 9 and 10 hereof, and the Municipality will give notice of the redemption in the manner stated in this resolution.].

Section 9. Manner of Payment/Transfers/Redemption Notices Under Book-Entry System.

So long as the Bonds are being maintained in a Book-Entry System, the following provisions apply:

Payment. The Fiscal Agent is directed to pay the principal of, and interest on, the Bonds by wire transfer to the Depository or its nominee in accordance with the Depository’s rules that are then in effect.

Transfers. The Bonds are transferable, only upon the Bond Register and only if the Depository ceases to act as securities depository for the Bonds and the Municipality appoints

a successor securities depository. If that happens, then upon the surrender of the Bonds to the Fiscal Agent, the Municipality will issue new fully registered Bonds in the same aggregate principal amount to the successor securities depository, and the Bonds will be recorded as transferred to the successor securities depository in the Bond Register.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Bonds, or (ii) with respect to any particular Bond, after such Bond has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Bonds to be redeemed. If a Bond has been called for redemption but less than all the principal amount of a specific maturity is redeemed, then on or after the redemption date and upon surrender to the Fiscal Agent of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

Section 10. Manner of Payment/Transfers/Redemption Notices Not Under Book-Entry System.

If on any date the Bonds are *not* being maintained in a Book-Entry System, then the following provisions apply:

Payment. The Fiscal Agent will pay the principal of each Bond upon its presentation and surrender on or after its maturity or earlier redemption date at the designated office of the Fiscal Agent, and the Fiscal Agent will pay, on each interest payment date, the interest on each Bond by wire or other electronic funds transfer, or by check of the Fiscal Agent sent by first class mail, to the person or entity in whose name the Bond is registered on the Bond Register at the end of the day on the applicable Record Date.

Transfers. Each Bond is transferable, only upon the Bond Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Bond shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Municipality will issue one or more new fully registered Bonds in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Bonds and upon the payment of a charge sufficient to reimburse the Municipality or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Bonds, or (ii) with respect to any particular Bond, after the Bond has been called for redemption.

Partial Redemptions. If less than all the principal amount of a specific maturity is to be redeemed, then the Municipality or the Fiscal Agent will randomly select the Bonds to be redeemed. If a Bond has been called for redemption but less than all the principal amount thereof is redeemed, then on or after the redemption date and upon surrender to the Fiscal Agent of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds shall be sent by first class mail not less than 30, and not more than 60, days before the redemption date to the registered owners of the Bonds to be redeemed at the respective addresses set forth in the Bond Register. A notice of optional redemption may be revoked by sending a notice by first class mail not less than 15 days prior to the proposed optional redemption date to the registered owners of the Bonds which have been called for redemption.

Section 11. Form of Bonds.

The Bonds shall be in substantially the form shown in Exhibit A hereto. Omissions, insertions, or variations are permitted if they are deemed necessary or desirable and are consistent with this resolution or any supplemental resolution. The Municipality may cause the approving opinion of bond counsel to be printed or reproduced on the Bonds.

Section 12. Execution of Bonds.

The Bonds shall be signed by the persons who are the Municipal Officers on the date on which the Bonds are signed. The Bonds shall be sealed with the Municipality's corporate seal (or a facsimile thereof), if the Municipality has one, and the Bonds shall also be authenticated by the manual signature of the Fiscal Agent.

The Bonds will be valid and binding even if before they are delivered any person whose signature appears on the Bonds is no longer living or is no longer the person authorized to sign the Bonds. In that event, the Bonds will have the same effect as if the person were living or were still the person authorized to sign the Bonds.

A facsimile signature may be used as long as at least one signature of a Municipal Officer is a manual signature or the Fiscal Agent's certificate of authentication has a manual signature. If a facsimile signature is used, then it will be treated as the officer's own signature.

Section 13. Continuing Disclosure.

The appropriate officers of the Municipality are directed to sign the Continuing Disclosure Agreement, and the Municipality agrees to comply with all its terms.

Section 14. Payable Only From Special Redemption Fund.

The Bonds and any Parity Bonds, together with interest thereon, will be payable only out of the Special Redemption Fund as provided in the Prior Resolutions and in this resolution. The registered owners of the Bonds and any Parity Bonds will have a valid claim only against the Special Redemption Fund and the revenues pledged to such fund.

Section 15. Pledge.

The Municipality pledges sufficient revenues of the System to the Special Redemption Fund to pay the principal of and interest on the Bonds and any Parity Bonds as provided in this resolution. Such revenues will be used for no purpose other than to pay the principal of and interest on the Bonds and any Parity Bonds on the dates on which such amounts are due. The Bonds and any Parity Bonds, together with the interest thereon, shall not constitute an indebtedness of the Municipality within the meaning of any constitutional or statutory limitation or provision and shall not constitute a general obligation of the Municipality or a charge against its general credit or taxing power. The Municipality will not be liable for the payment of the principal of and interest on the Bonds, except as provided in this resolution.

Section 16. Equality of Lien.

All Bonds and any Parity Bonds, regardless of issue dates, maturity dates, or series designations, will be secured equally by the pledge of the Net Revenues of the System and all amounts in the Special Redemption Fund.

Section 17. Parity Bonds.

Except as permitted by Section 21(a) of this resolution, the Municipality will issue no bonds or other obligations payable from the revenues of the System, or enjoying a lien on the revenues or property of the System, that have a priority over the Outstanding Bonds and the Bonds with respect to their payment or security. The Municipality may issue Parity Bonds on the terms and conditions set forth in the applicable section of each Prior Resolution and Section 21 of this resolution.

Section 18. Funds and Accounts.

(a) **Funds and Accounts.**

The Municipality affirms and continues or creates, as applicable, the following funds and accounts of the System, some of which were originally created under the 2005 Resolution (collectively, the “**Funds and Accounts**”), to provide for the collection, distribution, and use of the Gross Revenues and the proceeds of the Bonds:

- (1) Sewerage System Revenue Fund (the “**Revenue Fund**”), into which the entire Gross Revenues shall be deposited as received.
- (2) Sewerage System Operation and Maintenance Fund (the “**Operation and Maintenance Fund**”), which shall be used to hold amounts expected to be used for the payment of the reasonable and necessary expenses of operating and maintaining the System, including salaries, wages, materials, supplies, and insurance, and for the purposes described in Section 19(c)(1) of this resolution.
- (3) Sewerage System Special Redemption Fund, which will be divided into the following three accounts: (i) the “**Interest and Principal Account**”, (ii) the “**Earnings Account**”, and (iii) the “**Reserve Account**.” Amounts held in the Interest and Principal Account and the Earnings Account will be used only to pay interest on and principal of the Bonds and Parity Bonds as provided in this resolution. Amounts held in the Reserve Account will be used to pay principal of or interest on the Bonds or any Parity Bonds at any time when amounts in the Interest and Principal Account and the Earnings Account are insufficient to make those payments.
- (4) Sewerage System Depreciation Fund (the “**Depreciation Fund**”), which will be used to hold amounts expected to be used to pay for repairs, replacements, extensions, or additions to the System, provided that amounts in the Depreciation Fund can be used for any such purpose only if such amounts are not needed to make up any deficiency in the Interest and Principal Account or the Reserve Account.
- (5) Sewerage System Surplus Fund (the “**Surplus Fund**”), amounts in which will be used for the purposes described in Section 19(c)(4) of this resolution.
- (6) 2024 Sewerage System Construction Fund (the “**2024 Construction Fund**”), amounts in which will be used to pay (i) the costs of issuing of the Bonds (including fees for any bond insurance policies securing the Bonds) and the costs of the Project, or (ii) interest on the Bonds at any time when there shall be insufficient money in the Special Redemption Fund for that purpose. Any balance remaining in the 2024 Construction

Fund after completion of the Project shall be transferred to the Earnings Account.

(b) **Limitation on the Use of Amounts in the Funds and Accounts.**

Amounts held in the Funds and Accounts shall be used only for the purposes described in this resolution.

(c) **Requirement to Maintain the Special Redemption Fund as a Separate Fund.**

The Special Redemption Fund shall be maintained as a separate fund in the treasury of the Municipality. The other Funds and Accounts may be combined in a single investment or bank account.

(d) **Investment of Amounts held in Funds and Accounts.**

Amounts in the Funds and Accounts may be invested in any manner permitted by the laws of Wisconsin, subject to the following limitations:

- (1) The investments in each Fund or Account shall be sold whenever necessary to provide funds for the purposes for which the Fund or Account was created.
- (2) In particular, amounts in the Reserve Account shall be invested so that sufficient funds will be available on each interest payment date for the Bonds and any Parity Bonds to make the required interest and principal payments in the event amounts in the Interest and Principal Account and the Earnings Account are insufficient to make the payments.
- (3) No investment may be purchased or retained if the purchase of the investment or its retention would cause any Bond to be an “arbitrage bond” (within the meaning of Section 148 of the Code or the Treasury Regulations promulgated thereunder).
- (4) All investments held in the Funds and Accounts shall be secured to the fullest extent required by the laws of Wisconsin.

(e) **Required Transfers of Earnings on Certain Funds and Accounts.**

All income from the investment of amounts in the Special Redemption Fund shall be transferred to the Earnings Account. All income from the investment of amounts in the 2024 Construction Fund shall be retained in the 2024 Construction Fund. All income from the investment of amounts in the Depreciation Fund shall be retained in the Depreciation Fund. All income from the investment of amounts in all other Funds and Accounts shall be deposited in the Revenue Fund and regarded as revenues of the System.

(f) **Rebate Matters.**

To comply with the rebate requirements of Section 148(f) of the Code and the related Treasury Regulations:

- (1) The Municipality shall cause a determination to be made, by engaging Bond Counsel or another qualified rebate determination provider, of the amount, if any, of rebate required to be paid with respect to the Bonds to the United States Treasury at least every five years (as of the anniversary date of the issuance of the Bonds) and upon the retirement of the last Bond. The Municipality may pay reasonable compensation to the rebate determination provider for the performance of such services.
- (2) The Municipality shall make required rebate payments to the United States Treasury with respect to the Bonds at such times and in such amounts and manner as are required by the Code and the related Treasury Regulations.
- (3) The Municipality shall keep records of the rebate determinations prepared and rebate payments made until three years after the April 15th following the retirement of the last Bond.

Section 19. Application of Revenues.

(a) **Deposits to Revenue Fund and Transfers From Revenue Fund.**

Until all Bonds and Parity Bonds, if any, have been retired, or until there is on deposit in the Special Redemption Fund an amount sufficient to provide for the payment of the principal of all outstanding Bonds and Parity Bonds, if any, together with the interest thereon to maturity, the Gross Revenues shall, to the extent permitted by law, be deposited as collected in the Revenue Fund and shall be transferred from the Revenue Fund and deposited in the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund and the Surplus Fund in the following order:

- (1) A sum sufficient of the money in the Revenue Fund for the purposes of the Operation and Maintenance Fund shall be deposited in the Operation and Maintenance Fund.
- (2) A sum sufficient of the money in the Revenue Fund for the purposes of the Special Redemption Fund shall be deposited in the Special Redemption Fund.
- (3) A sum sufficient of the money in the Revenue Fund for the purposes of the Depreciation Fund shall be deposited in the Depreciation Fund.
- (4) The remainder of the money in the Revenue Fund shall be deposited in the Surplus Fund.

Transfers from the Revenue Fund to the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund, and the Surplus Fund shall be made in the order indicated above, at such times as are necessary to carry out the purposes of the respective funds.

(b) **Transfers to the Special Redemption Fund.**

The Governing Body intends that the amount of money deposited in the Special Redemption Fund from all sources will be sufficient to (i) pay the interest on the Bonds and any Parity Bonds as the same becomes due, (ii) retire the principal amounts of the Bonds and any Parity Bonds at maturity, and (iii) provide for any required monthly deposits to the Reserve Account.

(c) **Transfers Among Certain Funds and Accounts; Uses of Amounts in Funds and Accounts.**

Amounts deposited in the following Funds and Accounts shall be held, used or transferred as follows:

- (1) *Operation and Maintenance Fund.* Amounts deposited in the Operation and Maintenance Fund shall be used for the purposes described in Section 18(a)(2) of this resolution, unless the balance in the Operation and Maintenance Fund exceeds the estimated operating and maintenance expenses of the System for the next succeeding sixty days, in which case (i) the excess amount shall be transferred to the Special Redemption Fund to remedy any deficiency in the Special Redemption Fund or, (ii) if or to the extent that no such deficiency exists, then the remaining excess amount shall be transferred to the Surplus Fund.
- (2) *Interest and Principal Account and Earnings Account.* Amounts deposited in the Special Redemption Fund shall first be used to deposit each month into the Interest and Principal Account an amount equal to one-sixth (1/6) of the next installment of interest due on the Bonds and Parity Bonds then outstanding, plus an amount equal to one-twelfth (1/12) of the next installment of principal of the Bonds and Parity Bonds coming due, until the full amount of such installments is on deposit in the Interest and Principal Account. The deposits shall be made first from the Earnings Account until it is depleted, and all moneys in the Earnings Account will be deemed to have been used first in payment of interest on the Bonds and Parity Bonds. Any funds remaining in the Earnings Account after each such transfer shall first be transferred to the Interest and Principal Account until there is on hand in the Interest and Principal Account an amount equal to the full amount of interest and principal coming due on the Bonds and any Parity Bonds then outstanding during the 12 months following the date of such transfer and after that either (i) be used to retire the Bonds or Parity Bonds in advance of maturity by redemption or by purchase of such bonds on the open market or an invitation and receipt of tenders of the

lowest dollar price or prices obtainable, but not exceeding the lowest price at which such bonds could be redeemed on the next succeeding redemption date or (ii) be invested so as to restrict the yield thereon to avoid the Bonds or Parity Bonds being classified as “arbitrage bonds” within the meaning of Section 148 of the Code or any Treasury Regulations promulgated thereunder. Notwithstanding the foregoing, unless the Municipality is provided with an opinion of Bond Counsel that the action specified below will not adversely affect the exclusion of interest on the Bonds or the applicable issue of Parity Bonds from gross income for federal income tax purposes (i) moneys in the Earnings Account that are allocable to “proceeds” (within the meaning of Treas. Reg. § 1.148-1(b)) of the Bonds or any issue of Parity Bonds may only be deposited in the Interest and Principal Account if such moneys will be used to pay interest on or principal of the issue to which such proceeds are allocable, and (ii) no moneys that are allocable to proceeds of the Bonds or any issue of Parity Bonds may be used to pay interest on or principal of obligations that are not part of the issue to which the proceeds are allocable.

- (3) *Reserve Account.* The next available amounts in the Special Redemption Fund shall be used to make monthly transfers to the Reserve Account until there is on hand in the Reserve Account an amount equal to the Minimum Reserve Amount. Amounts in the Reserve Account shall be used whenever necessary to pay principal of or interest on the Bonds and Parity Bonds whenever the Interest and Principal Account and the Earnings Account are insufficient for that purpose. Any amounts in the Reserve Account in excess of the Minimum Reserve Amount shall be transferred to the Earnings Account. For the purpose of computing the Minimum Reserve Amount, all investments in the Reserve Account shall be valued semiannually, on each interest payment date, at then current market value. In the event that amounts are withdrawn from the Reserve Account or amounts on deposit in the Reserve Account on any valuation date are less than the Minimum Reserve Amount, the Municipality, from revenues of the System, shall restore any amounts so withdrawn or any shortfall so that 12 months following such withdrawal or shortfall the amount on deposit in the Reserve Account equals the Minimum Reserve Amount. If, 12 months following any withdrawal from the Reserve Account, the amount on deposit in the Reserve Account is less than the Minimum Reserve Amount, then the Financial Officer shall certify to the Governing Body the amount necessary to restore the Reserve Account to the Minimum Reserve Amount. Recognizing its moral obligation to do so, the Governing Body expresses its expectation and aspiration that, if presented with such a certification, it will make an appropriation of funds sufficient to restore the Reserve Account to the Minimum Reserve Amount. The Governing Body determines that the System and any appropriation of funds pursuant to this moral obligation pledge serves a public purpose by safeguarding the health and welfare of its citizens.

- (4) *Surplus Fund.* Amounts in the Surplus Fund shall first be used whenever necessary to pay principal of or interest on the Bonds and Parity Bonds when the Special Redemption Fund is insufficient for that purpose, and thereafter to remedy any deficiency in any of the Funds or Accounts, or if at the close of any Fiscal Year there is no such deficiency, then such amounts may be disbursed as follows:
- (i) to retire Bonds or Parity Bonds in advance of maturity by redemption or by purchase of such bonds on the open market or an invitation and receipt of tenders at the lowest dollar price or prices obtainable, but not exceeding the lowest price at which such bonds could be redeemed on the next succeeding redemption date; or
 - (ii) to rebate payments made by customers of the System pursuant to any plan adopted by the Governing Body of the Municipality; or
 - (iii) to the general fund of the Municipality.

All transfers and deposits within any Fund or Account or to any other Fund or Account required or permitted by this section shall be made at such times as are necessary to carry out the purposes of the applicable Fund or Account.

Section 20. Agreements and Covenants Regarding the Operation of the System.

The Municipality agrees and covenants with each and every registered owner of the Bonds and Parity Bonds as follows:

- (a) The reasonable cost and value of any service rendered to the Municipality by the System by furnishing utility services, including, but not limited to, fire, police, safety, and health protection, will, to the extent permitted by law, be charged against the Municipality and be paid by it monthly as the service accrues out of the current revenues of the Municipality collected or in process of collection, but not from Gross Revenues, and, if necessary, out of the tax levy of the Municipality made by it to raise money to meet its necessary current expenses.
- (b) The Municipality will faithfully and punctually perform all duties concerning the System required by the constitution and statutes of the State of Wisconsin, including the making and collecting of reasonable, lawful, and sufficient rates for services rendered by the System and the segregation and application of the revenues of the System as provided in this resolution.
- (c) The Municipality will not sell, lease, or in any manner dispose of all or any part of the System, or any additions or extensions that may be made to the System, until all Bonds and Parity Bonds have been paid in full, both principal and interest, or until provision has been made for the payment in

full of all Bonds and Parity Bonds, both principal and interest, unless the property to be sold, leased or otherwise disposed of has been found by the Governing Body not to be necessary or useful in the operation of the System. The proceeds received from any sale, lease, or disposal of any such property of the System shall be paid into (i) the Earnings Account of the Special Redemption Fund, if the property sold was acquired or improved with proceeds of the Bonds or any Parity Bonds that are tax-exempt obligations, or (ii) the Revenue Fund, in all other cases but shall not be permitted to reduce the amount otherwise required to be paid into said funds.

- (d) The Municipality will: (i) operate and maintain the System in good condition; (ii) charge and collect such lawfully established rates and charges for the service rendered by the System so that the Gross Revenues of the System will be sufficient to make the payments into the Funds and Accounts created or continued by this resolution and provide for Net Revenues at least equal to 1.20 times the highest combined annual interest and principal requirements on all Bonds and Parity Bonds then outstanding; and (iii) promptly take such actions as are necessary to adopt and enforce increased rates whenever such increase shall be necessary to fulfill any covenant of this resolution.
- (e) The Municipality will keep proper books and accounts relating to the System separate from all other records of the Municipality and will cause such books and accounts to be audited annually by a recognized independent firm of certified public accountants and will make available to the owners of any of the Bonds or Parity Bonds the latest balance sheet and the profit and loss statement of the System as certified by such accountants. The registered owners of any Bonds or Parity Bonds will have the right to inspect the System and the records, accounts and data of the Municipality relating to the System at all reasonable times. Each audit of the books and accounts of the System, in addition to whatever matters may be thought proper by the accountants to be included therein, shall include the following: (i) a statement in detail of the revenues and expenditures of the System for the Fiscal Year; (ii) a statement of the Net Revenues as herein defined for the Fiscal Year; (iii) a balance sheet as of the end of the Fiscal Year; (iv) the accountants' comment regarding the manner in which the Municipality has carried out the requirements of this resolution and the accountants' recommendation for any changes or improvements in the operation of the System; (v) a list of the insurance policies in force at the end of the Fiscal Year setting out as to each policy the amount of the policy, the risks covered, the name of the insurer and the expiration date of the policy; and (vi) the number and types of connections at the end of the Fiscal Year.
- (f) The Municipality will carry, for the benefit of the registered owners of the Bonds and Parity Bonds, insurance of a kind and in such amounts as

would usually be carried by private companies or other public bodies engaged in operating a similar utility system. All amounts received for losses under any of such insurance policies, except public liability, shall be used in repairing the damage or in replacing the property destroyed, unless the Governing Body finds that it is not advisable to repair such damage or replace such property and that the operation of the System will not be impaired if such property is not repaired or such property is not replaced, in which case such amounts shall be deposited in the Earnings Account, provided that any amounts deposited in the Earnings Account shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund.

- (g) The Municipality will grant no franchise for the operation of another System (or any part thereof) within the geographic limits of the Municipality, unless the denial of such franchise would be in violation of any law.
- (h) The Municipality will by resolution of its Governing Body require all buildings in the Municipality used for human habitation and located adjacent to service from the System, or located in a block through which service from the System extends, to be connected with service from the System.
- (i) The Municipality will not enter into any contract with any person or persons which would cause any Outstanding Bonds, that were issued with the intent that interest on the issue would be excluded from gross income for federal income tax purposes, or Bonds to become “private activity bonds,” within the meaning of Section 141(a) of the Code or any Treasury Regulations promulgated thereunder.
- (j) The Municipality will comply with all requirements of the Code that shall be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes, including, but not limited to, the rebate requirements set forth in the Code and the Treasury Regulations. The Municipality will comply with the provisions of the Tax Certificate delivered in connection with the issuance of the Bonds relating to these requirements.

Section 21. Additional Bonds.

The Municipality will issue no notes, bonds, or any other obligations of any kind or nature payable from or enjoying a lien on the Gross Revenues, the Special Redemption Fund or properties of the System on a parity with or having a priority over the Outstanding Bonds or the Bonds, except as provided in this Section:

- (a) Notes (including bond anticipation notes) or bonds may be issued having a priority over the Bonds and Parity Bonds if either (i) such notes or bonds

are issued, wholly or in part, for the purpose of paying, and will provide an amount sufficient, together with the earnings thereon and all other funds legally available therefor to pay, the entire principal of and all interest on the Bonds and Parity Bonds to their maturity or early redemption; or (ii) immediately upon the issuance of such notes or bonds, the Municipality has discharged all Bonds and Parity Bonds in the manner provided in Section 23 of this resolution.

- (b) Additional notes (including bond anticipation notes) or bonds may be issued on a parity with the Bonds and Parity Bonds if such notes or bonds are issued for the purpose of refunding any of the Bonds or Parity Bonds which either (i) have matured or (ii) will mature not later than 90 days after the date of delivery of such refunding notes or bonds if there is insufficient amounts in the Special Redemption Fund to provide for the required payments.
- (c) Additional notes (including bond anticipation notes) or bonds may be issued on a parity with the Bonds and Parity Bonds if all of the following conditions have been satisfied:
 - (1) Either (A) the Net Revenues of the System for the last completed Fiscal Year were at least 1.20 times the highest combined annual interest and principal requirements on all bonds and notes then outstanding payable from the Gross Revenues of the System (other than bonds being refunded) and the bonds or notes so proposed to be issued for any succeeding Bond Year in which there will be a principal maturity on such outstanding bonds or notes; provided, however, that if, prior to the authorization of such additional bonds or notes, the Municipality has adopted and put into effect a revised schedule of rates, then the Net Revenues of the System for the last completed Fiscal Year which would, in the written opinion of an Independent Consultant employed for that purpose, have resulted from such rates had they been in effect for such period, may be used in lieu of the actual net income for the last completed Fiscal Year; or (B) the need for such financing is evidenced by a certificate or certificates of an Independent Consultant with recognized expertise in utility ratemaking before the Public Service Commission of Wisconsin employed for that purpose, giving a detailed description of the proposed projects to be financed, an estimate of the cost of the proposed projects including proposed capitalized interest, if any, and an estimate of the time of completion of the proposed projects, and showing the feasibility of such financing with reference to projected Net Revenues based on rates and charges projected to be in effect upon completion of such projects; provided, that such feasibility shall not be deemed shown unless the projected Net Revenues for each of the two full Fiscal Years next succeeding the estimated date of completion of such projects shall be equal to at least equal to 1.20 times the highest combined annual interest and principal requirements on all bonds and notes then outstanding

payable from the Gross Revenues of the System (other than bonds being refunded) and the bonds or notes so proposed to be issued for any succeeding Fiscal Year in which there shall be a principal maturity on such outstanding bonds or notes. For purposes of this subsection, actual Net Revenues for any Fiscal Year will be the Net Revenues shown in the audit of the System's books and accounts for the Fiscal Year required by Section 20(e) of this resolution.

- (2) The payments required to be made into the Funds and Accounts created or continued pursuant to Section 18 of this resolution shall be current.
- (3) There shall be on hand in the Reserve Account, immediately upon the issuance of such additional bonds or notes, an amount not less than the Minimum Reserve Amount.
- (4) The additional bonds or notes shall be payable as to principal on May 1 of each year and as to interest on May 1 and November 1 of each year.
- (5) The proceeds of the additional bonds or notes shall be used solely to refund Bonds or Parity Bonds, or to provide for purchasing, acquiring, leasing, constructing, extending, adding to, improving, conducting, controlling, operating, or managing the System.

In the case of bond anticipation notes, the provisions of the Act shall govern with respect to all matters relating to the lien and sources of payment of such notes.

Section 22. Resolution a Contract; Remedies of Bondholders.

The provisions of this resolution constitute a contract between the Municipality and the registered owners of the Bonds. After the issuance of the Bonds no change or alteration in the provisions of this resolution may be made, except as provided in Section 24 of this resolution and in the definition of "Fiscal Year" in Section 1 of this resolution, until all Bonds have been paid in full as to both principal and interest.

The registered owners of any of the Bonds will have the right, in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce their rights against the Municipality, the Governing Body, and any and all officers and agents thereof, including, but not limited to, the right to require the Municipality, the Governing Body, and any other authorized body to fix and collect rates and charges fully adequate to carry out all provisions and agreements contained in this resolution, and the right to have a receiver appointed for the System in the event of a default in the payment of principal of or interest on the Bonds.

Section 23. Discharge and Satisfaction of Bonds and Covenants.

The agreements, covenants, liens and pledges entered into, created, or imposed pursuant to this resolution may be fully discharged and satisfied with respect to any or all of the Bonds in any one or more of the following ways:

- (a) By paying the Bonds when they become due and payable, or upon their prior redemption in the manner provided in this resolution;
- (b) By depositing with the appropriate fiscal agent(s) for the Bonds funds in the amount necessary, without consideration of any reinvestment thereof, to pay the principal of and interest on the Bonds until their maturity or earlier redemption; provided that if the Bonds are to be redeemed prior to their stated maturities, then (i) the Bonds shall have been irrevocably called for redemption by the Governing Body, and (ii) provision shall have been made for the required notice of the redemption in the manner provided in this resolution; or
- (c) By depositing with a trustee or an escrow agent, in trust for such purpose, on or before the date of maturity or redemption, money or direct obligations of, or obligations the principal of and interest on which are fully guaranteed by the United States of America, in such amount as, together with the income or increment to accrue thereon without consideration of any reinvestment thereof, will be fully sufficient to pay or redeem (when redeemable) the Bonds at or before their respective maturity dates; *provided, that* if a Bond is to be redeemed prior to its stated maturity date, then (i) the Bond shall have been irrevocably called for redemption by the Governing Body, and (ii) provision shall have been made for the required notice of the redemption in the manner provided in this resolution; *provided, further,* that any such deposit can only be made if the deposit will not adversely affect the exclusion of interest on the Bonds from gross income of the owners thereof for federal income tax purposes.

Upon a payment or a deposit of money or investments in the amount and manner required by this section, all liability of the Municipality with respect to the relevant Bonds will cease, determine, and be completely discharged, and the registered owners of any Bonds that are not then retired will be entitled only to payment out of the money and investments deposited as required by this section.

Section 24. Amendment of Resolution.

Amendment Without the Consent of the Owners. This resolution may be amended from time to time without the consent of the registered owners of the Bonds to make any change that does not adversely affect the registered owners of the Bonds, including, without limitation, to cure any ambiguities, inconsistencies, or typographical errors that may be contained in this resolution.

Amendment With the Consent of the Owners. This resolution may also be amended from time to time with the written consent of the registered owners of not less than two-thirds in outstanding principal amount of the Bonds and any Parity Bonds (not including any Bonds or Parity Bonds that are held or owned by or for the account of the Municipality) if such

amendment affects the owners of any Parity Bonds; however this resolution may be amended only with the unanimous written consent of:

- (a) The registered owners of the Bonds (not including any Bonds that are held or owned by or for the account of the Municipality):
 - (i) To make any change in the stated maturity date of or interest rate on any Bond; to modify the terms of payment of principal of or interest on any Bond; or to impose any conditions with respect to payment of principal of or interest on any Bond;
 - (ii) To materially affect the rights of the owners of less than all Bonds then outstanding; or
 - (iii) To reduce the required outstanding principal amount of the Bonds for which consent shall be given to effect any future amendments to this resolution; and

- (b) The registered owners of any series of Parity Bonds (not including any Parity Bonds of the series that are held or owned by or for the account of the Municipality):
 - (i) To make any change in the stated maturity date of or interest rate on any Parity Bond of the series; to modify the terms of payment of principal of or interest on any Parity Bond of the series; or to impose any conditions with respect to payment of principal of or interest on any Parity Bond of the series;
 - (ii) To materially affect the rights of the owners of less than all Parity Bonds of the series then outstanding; or
 - (iii) To reduce the required outstanding principal amount of Parity Bonds of the series for which consent shall be given to effect any future amendments to this resolution.

Notice. If the Municipality proposes to amend this resolution under any provision of this section, then the Municipality shall cause notice of the proposed amendment (the “**Amendment Notice**”) and, if consent is required, a form of consent to the proposed amendment (the “**Consent**”) to be (i) sent by certified mail to all registered owners of the Bonds and, if appropriate, any Parity Bonds, and (ii) filed with the Bond Purchaser. The Amendment Notice shall briefly describe the nature of the proposed amendment and shall state that a copy of the proposed amendment is on file for public inspection in the office of the Recording Officer. The Consent shall refer to the proposed amendment, specifically evidence consent to and approval of the proposed amendment, and be dated by the owner of the Bonds and, if appropriate, any Parity Bonds, upon execution of the Consent. The Amendment Notice and Consent may be one instrument.

If, on any date prior to one year after the date of the sending of the Amendment Notice and Consent, the Recording Officer receives Consents executed by the owners of the Bonds and Parity Bonds owning not less than the required outstanding principal amount to approve the amendment, then the Governing Body may adopt a resolution effecting the proposed amendment and, upon the adoption of the resolution effecting the proposed amendment, the proposed amendment will become effective and binding upon the registered owners of all of the Bonds and any Parity Bonds issued after the Bonds.

Any Consent given by the registered owner of a Bond or Parity Bond pursuant to the provisions of this section will be irrevocable for a period of six months from the date of the Consent and will be conclusive and binding upon all future registered owners of the same Bonds or Parity Bonds during the six-month period. A Consent may be revoked on any date after the six-month period by the registered owner who gave the Consent or by a successor in title by filing notice of such revocation with the Recording Officer; provided that a revocation will not be effective if the Recording Officer has already received Consents from registered owners of the Bonds and Parity Bonds owning not less than the required outstanding principal amount to approve the amendment, evidencing their consent to and approval of the proposed amendment that was the subject of the Consent.

Section 25. Sale of Bonds.

The Municipality awards the sale of the Bonds to the Bond Purchaser at the Purchase Price, plus any accrued interest from the Original Issue Date to the date of delivery of the Bonds. The Municipality approves and accepts the Bond Purchase Agreement. The Municipal Officers are directed (i) to sign the Bond Purchase Agreement in the Municipality's name and (ii) to take any additional actions needed to complete the sale of the Bonds, including arranging for a specific date, time, and location of closing of the sale.

The Municipal Officers are directed to sign the Bonds and to deliver the Bonds to the Bond Purchaser through the facilities of DTC in accordance with the Bond Purchase Agreement and this resolution. The Bonds may be delivered to the Bond Purchaser upon payment by the Bond Purchaser of the Purchase Price, plus any accrued interest, as required by this resolution.

Unless waived by the Bond Purchaser, the delivery of the Bonds is conditioned upon the Municipality furnishing the following items to the Bond Purchaser:

- (a) The Bonds, together with the written, unqualified approving opinion of Bond Counsel, evidencing the legality of the Bonds and that interest on the Bonds will be excluded from gross income for federal income tax purposes.
- (b) A transcript of the proceedings relating to the issuance of the Bonds.
- (c) A certificate showing that no litigation has been threatened or is pending that would affect the legality of the Bonds or the right of the Municipality to issue them at the time of their delivery.

Section 26. Disposition of Bond Proceeds; Transfers.

The proceeds from the sale of the Bonds shall be disbursed as follows:

- (a) Any accrued interest shall be deposited into the Interest and Principal Account of the Special Redemption Fund.
- (b) \$ _____ of the sale proceeds of the Bonds shall be deposited in the Reserve Account of the Special Redemption Fund.
- (c) The remaining proceeds from the sale of the Bonds shall be deposited into the 2024 Construction Fund and used as described in Section 18(a)(6).

Section 27. Official Statement.

The Municipality ratifies and approves the preliminary offering document prepared and distributed in connection with the sale of the Bonds, and the Municipality authorizes and directs the final version of such document (the “**Official Statement**”) to be prepared and distributed prior to the issuance of the Bonds; *provided, however*, that the Official Statement shall be substantially in the form submitted to this meeting, with such modifications as the Municipal Officers approve. The Municipal Officers are directed to deliver copies of the Official Statement to the Bond Purchaser and, if the Bond Purchaser requests, execute one or more copies on behalf of the Municipality. Execution and delivery of the Official Statement will conclusively evidence the approval of the Municipal Officers.

Section 28. Publication of Notice.

The Recording Officer is directed to publish notice that the Municipality has agreed to sell the Bonds. The notice shall be published in the Municipality’s official newspaper as a class 1 notice under Chapter 985 of the Wisconsin Statutes promptly after the execution of the Bond Purchase Agreement. The notice shall be in substantially the form shown in Exhibit B hereto. The Recording Officer shall obtain proof, in affidavit form, of the publication and shall compare the notice as published with the attached form to make sure that no mistake was made in publication.

Section 29. Authorization of Officers.

The appropriate officers of the Municipality are directed to prepare and furnish the following items to the Bond Purchaser and the attorneys approving the legality of the Bonds:

- (i) Certified copies of proceedings and records of the Municipality relating to the Bonds and to the financial condition and affairs of the Municipality.
- (ii) Other affidavits, certificates, and information as may be required to show the facts about the legality of the Bonds as such facts appear on the books and records under the officer’s custody or control or as are otherwise known to the officer.

All certified copies, affidavits, certificates, and information furnished for such purpose are representations of the Municipality as to the facts they present.

Section 30. Tax Law Covenants.

The Municipality covenants that it will comply with all requirements of the Code, and the Treasury Regulations promulgated thereunder, that shall be satisfied so that interest on the Bonds will be excluded from gross income for federal income tax purposes.

Section 31. Further Authorization.

The Municipality authorizes its officers, attorneys, and other agents or employees to do all acts required of them to carry out the purposes of this resolution.

Section 32. Conflict with Prior Acts.

In case any part of a prior action of the Governing Body conflicts with this resolution, that part of the prior action is hereby rescinded, except that this section shall not be interpreted as rescinding any part of the Prior Resolutions.

Section 33. Severability of Invalid Provisions.

If a court holds any provision of this resolution to be illegal or invalid, then the illegality or invalidity shall not affect any other provision of this resolution.

Section 34. Effective Date.

This resolution takes effect upon its adoption and approval in the manner provided by law.

SEWERAGE SYSTEM REVENUE BOND, SERIES 2024

<u>Interest Rate</u>	<u>Maturity Date</u>	<u>Original Issue Date</u>	<u>CUSIP</u>
_____ %	May 1, 20__	August 28, 2024	038132 ____

REGISTERED OWNER: CEDE & CO.

PRINCIPAL AMOUNT: _____ DOLLARS

THE CITY OF APPLETON, WISCONSIN (herein called the “**Municipality**”) hereby acknowledges itself to owe and for value received promises to pay the Principal Amount to the Registered Owner, only from the income and revenues hereinafter specified, on the Maturity Date, and interest on the Principal Amount from the Original Issue Date at the annual rate of the Interest Rate. Interest is payable on each May 1 and November 1, beginning on May 1, 2025, until the Principal Amount has been paid. Interest is computed on the basis of a 360-day year of twelve 30-day months.

This Bond is one of a duly authorized issue of revenue bonds (the “**Bonds**”) of the Municipality of an aggregate principal amount of \$12,910,000, all of like tenor, except as to denomination, interest rate, maturity date, and redemption provisions, issued by the Municipality pursuant to Article XI, Section 3 of the Wisconsin Constitution and Section 66.0621 of the Wisconsin Statutes, and acts supplementary thereto.

This Bond, together with interest hereon, is payable in lawful money of the United States of America, together with the Municipality’s outstanding (i) \$5,245,000 Sewerage System Revenue Refunding Bonds, Series 2018, dated October 9, 2018, (ii) \$10,850,000

Sewerage System Revenue Refunding Bonds, Series 2020, dated August 6, 2020, (iii) \$8,845,000 Sewerage System Revenue Refunding Bonds, Series 2021, dated August 11, 2021, and (iv) \$11,710,000 Sewerage System Revenue Bonds, Series 2022, dated June 15, 2022 (collectively, the “**Outstanding Bonds**”), only from the income and revenues to be derived from the operation of the Municipality’s sewer utility (the “**System**”) and set aside in the “Sewerage System Special Redemption Fund,” which was created by a resolution adopted by the governing body of the Municipality on September 21, 2005, and affirmed and continued by subsequent resolutions, including a resolution adopted by the governing body of the Municipality on August 7, 2024 (the “**2024 Resolution**”). The 2024 Resolution is entitled “A Resolution Authorizing and Providing for the Sale and Issuance of \$12,910,000 Sewerage System Revenue Bonds, Series 2024 and All Related Details”. Reference is hereby made to the 2024 Resolution for a more complete statement of the revenues from which and conditions under which this Bond is payable, the provisions pursuant to which this Bond has been issued, and the conditions under which bonds may hereafter be issued on a parity with this Bond. The Bonds rank on a parity with the Outstanding Bonds. This Bond does not constitute an indebtedness of the Municipality within the meaning of any constitutional or statutory limitation or provision.

This Bond is a valid claim of the registered owner hereof only against the Sewerage System Special Redemption Fund and the revenues of the System pledged to the Sewerage System Special Redemption Fund. Sufficient revenues of the System have been pledged to the Sewerage System Special Redemption Fund and will be used for no other purpose than to pay the principal of and interest on the Bonds and all other obligations payable from the revenues of the System (including the Outstanding Bonds) that are issued on a parity and equality with the Bonds and the Outstanding Bonds, as the same becomes due.

On the date of their initial delivery, the Bonds will be maintained in a system in which no physical distribution of certificates representing ownership of the Bonds is made to the owners of the Bonds but instead all outstanding Bonds are registered in the name of a securities depository appointed by the Municipality (a “**Depository**”), or in the name of the Depository’s nominee, and the Depository and its participants record beneficial ownership and effect transfers of the Bonds electronically (a “**Book-Entry System**”). So long as the Bonds are maintained in a Book-Entry System, the principal of, and interest on, this Bond will be paid by wire transfer to the Depository or its nominee in accordance with the Depository’s rules that are then in effect by the Director of Finance of the Municipality or any successor fiscal agent appointed by the Municipality (hereinafter, the “**Fiscal Agent**”), which will act as authentication agent, paying agent, and registrar for the Bonds.

If on any date the Bonds are *not* being maintained in a Book-Entry System, then (i) the principal of this Bond will be paid by the Fiscal Agent upon its presentation and surrender on or after its maturity date or prior redemption date at the designated office of the Fiscal Agent, and (ii) the interest on this Bond will be paid by the Fiscal Agent, on each interest payment date, by wire or other electronic funds transfer, or by check of the Fiscal Agent sent by first class mail to the person or entity in whose name this Bond is registered in the register (the “**Register**”) maintained by the Fiscal Agent at the end of the day on the 15th day (whether or not a business day) of the calendar month just before each regularly scheduled interest payment date (the “**Record Date**”). The Municipality and the Fiscal Agent may treat the entity or person in whose name this Bond is registered on the Register as the absolute owner of this Bond for all purposes.

The Bonds maturing on or after May 1, 2033 are subject to redemption prior to their stated maturity dates, at the Municipality’s option, in whole or in part, in the order of maturity selected by the Municipality, on May 1, 2032 and on any date thereafter. The redemption price will be 100% of the principal amount redeemed plus accrued interest to the redemption date, and no premium will be paid. If payment of a Bond called for redemption has been made or provided for, then interest on the Bond stops accruing on the stated redemption date. If less than all outstanding Bonds are redeemed, then the Bonds will be redeemed in \$5,000 multiples as described below[, and if a portion, but not all, of a maturity that is subject to mandatory partial redemptions by operation of a sinking fund (as described below) is being redeemed, then the Municipality will select the amounts to be redeemed on future Sinking Fund Redemption Dates (as defined below) that are reduced as a result of the partial redemption].

[The Bonds maturing on May 1 in the years 20__ and 20__ (the “**Term Bonds**”) are also subject to mandatory partial redemptions prior to their stated maturity dates, by operation of a sinking fund. On the following redemption dates (each a “**Sinking Fund Redemption Date**”) the Municipality will redeem the following principal amounts (subject to reduction as provided in the immediately preceding paragraph) of the Term Bonds:]

Term Bonds Maturing May 1, 20

Sinking Fund Redemption Date (May 1)	Principal Amount To be Redeemed
20	\$,000
20 (Stated Maturity)	,000

Term Bonds Maturing May 1, 20

Sinking Fund Redemption Date (May 1)	Principal Amount To be Redeemed
20	\$,000
204	,000
20 (Stated Maturity)	,000

[The redemption price will be 100% of the principal amount so redeemed, plus accrued interest thereon to the Sinking Fund Redemption Date, and no premium will be paid. The particular Term Bonds to be redeemed will be selected in the manner described below, and the Municipality will give notice of the redemption in the manner described below.].

So long as the Bonds are being maintained in a Book-Entry System, the following provisions apply:

Transfers. The Bonds are transferable, only upon the Register and only if the Depository ceases to act as securities depository for the Bonds and the Municipality appoints a successor securities depository. If that happens, then upon the surrender of the Bonds to the Fiscal Agent, the Municipality will issue new fully registered Bonds in the same aggregate principal amounts to the successor securities depository and the Bonds will be recorded as transferred to the successor securities depository in the Register.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Bonds, or (ii) with respect to any particular Bond, after such Bond has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Depository and its direct and indirect participants will select the beneficial owners of the Bonds to be redeemed. If a Bond has been called for redemption but less than all the principal amount of a specific maturity is redeemed, then on or after the redemption date and upon surrender to the Fiscal Agent of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds will be sent to the Depository, in the manner required by the Depository, not less than 30, and not more than 60, days prior to the proposed redemption date. A notice of optional redemption may be revoked by sending notice to the Depository, in the manner required by the Depository, not less than 15 days prior to the proposed optional redemption date.

If on any date the Bonds are not being maintained in a Book-Entry System, then the following provisions apply:

Transfers. Each Bond is transferable, only upon the Register, for a like aggregate principal amount of the same maturity and interest rate in denominations of \$5,000 or any multiple thereof. A transfer may be requested by the registered owner in person or by a person with a written power of attorney. The Bond shall be surrendered to the Fiscal Agent, together with a written instrument of transfer satisfactory to the Fiscal Agent signed by the registered owner or by the person with the written power of attorney. The Municipality will issue one or more new fully registered Bonds, in the same aggregate principal amount to the transferee or transferees, as applicable, in exchange for the surrendered Bonds and upon the payment of a charge sufficient to reimburse the Municipality or the Fiscal Agent for any tax, fee, or other governmental charge required to be paid with respect to such registration.

The Fiscal Agent will not be required to make any transfer of the Bonds (i) during the 15 calendar days before the date of the sending of notice of any proposed redemption of the Bonds, or (ii) with respect to any particular Bond, after such Bond has been called for redemption.

Partial Redemption. If less than all the principal amount of a specific maturity is to be redeemed, then the Municipality or the Fiscal Agent will randomly select the Bonds to be redeemed. If a Bond has been called for redemption but less than all the principal amount thereof is redeemed, then on or after the redemption date and upon surrender to the Fiscal Agent of the Bond, the Municipality will issue one or more new Bonds in the principal amount outstanding after the redemption.

Notice of Redemption. Notice of the redemption of any of the Bonds shall be sent by first class mail not less than 30, and not more than 60, days before the redemption date to the registered owners of any Bonds to be redeemed, at the respective addresses set forth in the Register. A notice of optional redemption may be revoked by sending a notice by first class mail not less than 15 days prior to the proposed optional redemption date to the registered owners of the Bonds which have been called for redemption.

The Municipality certifies, recites, and declares that all acts, conditions, and procedures required by law to exist, to have happened, and to be performed, leading up to and in the issuing of this Bond and of the issue of which it is a part, do exist, have happened, and have been performed in regular and due form, time, and manner as required by law; and that a sufficient amount of the income and revenue to be received by the Municipality from the operation of the System has been pledged to and will be set aside into a special fund for the payment of the principal of, and interest on, this Bond.

IN WITNESS WHEREOF, the Municipality, by its governing body, has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signatures of its Mayor and Clerk, and to be sealed with its corporate seal (or a facsimile thereof), if any, all as of the Original Issue Date.

CERTIFICATIONS BY CLERK

I, Kami Lynch certify that I am the duly qualified Clerk of the City of Appleton, Wisconsin (the “**Municipality**”), and as such I have in my possession, or have access to, the complete corporate records of the Municipality and of its Common Council (the “**Governing Body**”), and that attached to this certificate is a true, correct, and complete copy of the resolution (the “**Resolution**”) entitled:

A Resolution Authorizing and Providing for the Sale and Issuance of \$12,910,000 Sewerage System Revenue Bonds, Series 2024, and All Related Details

I further certify as follows:

1. **Meeting Date.** On August 7, 2024, a meeting of the Governing Body was held beginning at _____ p.m.
2. **Posting.** On August ____, 2024 (and not less than 24 hours prior to the meeting), I posted, or caused to be posted, at the Municipality’s offices in Appleton, Wisconsin a notice setting forth the date, time, location, and subject matter of said meeting. The notice specifically referred to the Resolution.
3. **Notification of Media.** On August ____, 2024 (and not less than 24 hours prior to the meeting), I communicated or caused to be communicated, the date, time, location, and subject matter of said meeting to those news media who have filed a written request for such notice and to the official newspaper of the Municipality. The communication specifically referred to the Resolution.
4. **Open Meeting Law Compliance.** The meeting was a regular meeting of the Governing Body that was held in open session in compliance with Subchapter V of Chapter 19 of the Wisconsin Statutes and any other applicable local rules and state statutes.
5. **Members Present.** The meeting was duly called to order by the Mayor (the “**Presiding Officer**”), who chaired the meeting. Upon roll call, I noted and recorded that there were ____ members of the Governing Body present at the meeting, such number being a quorum of the Governing Body.
6. **Consideration of and Roll Call Vote on Resolution.** Various matters and business were taken up during the course of the meeting without intervention of any closed session. One of the matters taken up was the Resolution. A proper quorum of the Governing Body was present for the consideration of the Resolution, and each member of the Governing Body had received a copy of the Resolution. All rules of the Governing Body that interfered with the consideration of the Resolution, if any, were suspended by a two-thirds vote of the Governing Body. The Resolution was then introduced, moved, and seconded, and after due consideration, upon roll call, ____ of the Governing Body members voted Aye, ____ voted Nay, and ____ Abstained.

7. **Adoption of Resolution.** The Resolution was supported by the affirmative vote of a majority of a quorum of the members of the Governing Body in attendance. The Presiding Officer then declared that the Resolution was adopted, and I recorded the adoption of the Resolution.

8. **Approval of Presiding Officer.** The Resolution was approved by the Presiding Officer on August ____, 2024, and I have recorded the approval. The approval is evidenced by the signature of the Presiding Officer on the copy of the Resolution to which this certificate is attached.

9. **Publication of Notice.** I have caused the Notice to Electors, in the form of Exhibit B to the Resolution, to be published in the place specified in the Resolution.

IN WITNESS WHEREOF, I have signed my name and affixed the seal of the Municipality, if any, on this certificate on August ____, 2024.

RE: Emergency Green Ramp Repairs
Our File No. 24-0336

This memo accompanies the Emergency Green Ramp Repairs and Reconstruction Resolution. Wis. Stat. § 62.15(1b) allows a public emergency exception to certain requirements for public works contracts, stating:

The provisions of sub. [\(1\)](#) ... are not mandatory for the repair and reconstruction of public facilities when damage or threatened damage thereto creates an emergency, as determined by resolution of the board of public works¹ ... , in which the public health or welfare of the city is endangered.

If the Finance Committee determines through resolution that the damage to the barrier panels in the Green Ramp create an emergency in which the public health or welfare of the City is endangered, the City can immediately contract for the emergency repairs and reconstruction of the damaged Green Ramp barrier panel.

¹ In 2013, the Charter Ordinances of the Municipal Code of the City of Appleton were changed to repeal the Board of Public Works and assign all their previous duties to the Finance Committee.

RESOLUTION
Emergency Green Ramp Repairs and Reconstruction

WHEREAS, a vehicle recently struck and severely damaged a sixth-floor concrete barrier panel at the City’s Green Ramp; and

WHEREAS, the damage to the sixth-floor concrete barrier panel was so significant that it presents an immediate danger to the public health and safety and further threatens to deteriorate into a more significant danger without emergency repairs and reconstruction; and

WHEREAS, Wisconsin State Statute § 62.15(1b) allows for the Finance Committee, as a board of public works, to determine that an emergency has been created by the damage or threatened damage to a public facility in which the public health or welfare is endangered; and

WHEREAS, City staff have identified a qualified contractor that can immediately begin addressing the emergency repairs and eventual reconstruction of the damaged barrier panel through emergency procurement; and

NOW THEREFORE, BE IT RESOLVED, that the Finance Committee determines that the danger to the public health and welfare from the damage to the sixth-floor concrete barrier panel at the Green Ramp creates an emergency for repair and reconstruction to a public facility pursuant to Wis. Stat. § 62.15(1b).

Adopted this 7th day of August 2024.

MEMORANDUM

Date: 08/01/2024
To: Finance Committee
From: Pete Neuberger, Deputy Director of Public Works
Subject: Approve single-source contract with Restoration Systems, Inc. to complete Phase 1 of the Green Ramp Barrier Panel Emergency Repair in an amount not to exceed \$47,230.00.

The Department of Public Works (DPW) is requesting approval of a single-source contract with Restoration Systems, Inc. (RSI) to complete Phase 1 of the Green Ramp Barrier Panel Emergency Repair in an amount not to exceed \$47,230.00.

A vehicle struck and severely damaged a sixth floor concrete barrier panel, necessitating emergency panel replacement and related work. The Phase 1 work involves the installation of a temporary engineered shoring system extending from level 6 down to ground level. This shoring system will be designed to hold the damaged panel, aid in removal of the panel, and provide a working surface for the replacement of the panel.

RSI is currently under separate contract to conduct scheduled maintenance and repairs in all three ramps. RSI's prior prequalification process for ramp repairs and their ongoing excellent work on the previously scheduled repairs provide strong evidence to DPW of their capability to perform this emergency repair swiftly, effectively, and safely.

To date, DPW has hired a consultant to prepare a condition assessment report, construction feasibility assessment, and design of a new panel. DPW has also contracted with a shoring contractor to design the engineered shoring system.

Future contract(s) will be needed for the removal and construction of the panel.

MEMORANDUM

Date: July 16, 2024
To: Utilities Committee
From: Pete Neuberger, Deputy Director
Luke Vandenberg, Project Engineer
Subject: Award Apple Hill Farms Pond 4 Outlet Pipe Repair Contract to Advance Construction, Inc. in an amount not to exceed \$28,000.

The storm sewer outlet pipe serving Apple Hill Farms Pond 4 consists of approximately 40 linear feet of 19"x30" elliptical concrete pipe. Per the latest pipe inspection video report, staff have determined that extensive rehabilitation work is required.

The Department of Public Works (DPW) issued a Request for Quotes (RFQ) in May 2024 with responses due back to DPW June 21, 2024, to complete the work. The RFQ was sent to seven contractors specializing in stormwater sewer installations and repairs. Four of the seven contractors provided lump sum quotations as directed in the RFP and as listed below.

Advance Construction	\$28,000.00
Carl Bowers Construction	\$38,000.00
Kruczek Construction	\$45,524.15
Scott Lamers Construction	\$72,500.00

Project funding is provided under the 2024 5221.6408 Stormwater Pond Maintenance budget.

Based on the above quotations, DPW recommends award of Apple Hill Farms Pond 4 Outlet Pipe Repair Contract to Advance Construction, Inc. in an amount not to exceed \$28,000.

MEMORANDUM

Date: July 24, 2024

To: HR/IT Committee, Common Council

From: Corey Popp, I.T. Director

Subject: Request to Approve RingCentral SaaS for \$209,000

I am seeking approval to convert the City of Appleton telephone systems and service to a 5-year agreement with RingCentral, a Software-as-a-Service (SaaS) telephone service provider.

RingCentral is estimated to cost \$80,000 annually plus one-time hardware procurement and implementation fees estimated at \$102,000 for a Year 1 total of \$182,000.

I am requesting a 15% contingency budget of \$27,000 for a grand total Year 1 budget not to exceed \$209,000.

Cost Summary

The City's current three Mitel phone systems running on two AT&T telephone circuits cost the City \$136,000 annually to maintain. To continue using this system into 2025, the City must spend \$144,000 to replace an out-of-support voicemail server and 300 desk phones that are incompatible with the newest network security protocols. The total cost to run the City's existing telephone system into 2025 is \$280,000.

The annual cost savings to move to RingCentral is estimated to be \$56,000, and the total cost savings over the next 12 months, including hardware, implementation, and annual costs, is \$98,000 (\$71,000 if the contingency is used).

Technology Overview

On RingCentral, most desk phones are eliminated. Staff use a USB headset plugged into their computer to operate a softphone, a telephone application that runs on computers and smartphones. The City retains all of its existing telephone numbers, and any potential new numbers will be within the City's standard 920 area code. The service includes voicemail, voicemail transcription, voicemail via email, hunt groups, automated attendants, call recording, e911 service, and HIPAA compliant faxing.

Encrypted telephone calls ingress and egress over any high-speed Internet connection, so calls are facilitated by way of the softphone wherever the user resides. Callers on the other

end remain unaware of the connection type. RingCentral untethers staff from City premises, intrinsically solving telephone access for work-from-home staff and continuation of City services in the event an emergency prevents staff from entering the workplace.

I.T. has been researching this technology for 15 months, including discussions with RingCentral competitors and local companies using similar services. During this time, the entire I.T. Department, Dr. Charles Sepers of the Health Department, Valley Transit General Manager Ron McDonald, and Mayor Woodford successfully completed a 45-day proof-of-concept using the RingCentral service.

AN ORDINANCE AMENDING SECTION 12-58(c) OF CHAPTER 12 OF THE MUNICIPAL CODE OF THE CITY OF APPLETON, RELATING TO WEED COMMISSIONER; DESTRUCTION OF WEEDS BY CITY.

(Municipal Services Committee – 7-17-2024)

The Common Council of the City of Appleton does ordain as follows:

Section 1: That Section 12-58(c) of Chapter 12 of the Municipal Code of the City of Appleton, relating to weed commissioner; destruction of weeds by City, is hereby amended to read as follows:

Sec. 12-58. Weed Commissioner; destruction of weeds by City.

(c) The Weed Commissioner shall destroy or cause to be destroyed noxious weeds; and, is further empowered to enter upon public and private lands to cut or remove the accumulation or growth of weeds, grass, brush or other rank or offensive vegetation, which has grown to a height greater than the following heights:

- (1) On developed lots, regardless of location in the city, eight (8) inches;
- (2) On undeveloped lots, regardless of location in the city, twelve (12) inches.

Section 2: This ordinance shall be in full force and effect from and after its passage and publication.
