All right, moving on to 24-0420 is the Class B beer and reserve Class B liquor license application for Delaire's LLC, doing business as Delaire's, David Bollinger, agent, located at 823 West College Avenue, contingent upon approval from the health and inspections departments. Before we take a motion, I think if everyone's caught up on where we're at with this, there was a request made by the attorney for the applicant to hold this to a future date. Did not get any—I did not see any clarity as to what exactly that meant. I'm assuming our next meeting or, Clerk Lynch, did you want to comment? District three should be on.

Clerk Kami Lynch 46:37

So, this attorney's office contacted the clerk's office, I believe, on Thursday of last week, indicated that they were retained in the last few days by the applicant, and were requesting more time. I notified them that the next Safety and Licensing date meeting date after this one is January 8, and that they should put a request in hold to writing, and they could specify that date if they'd be ready, but there was no date provided.

Aldersperson Chris Croatt (District 14) 47:05

Okay. So, no date provided. Based on what we have in front of us and the request from the applicant, what would the committee like to do?

Aldersperson Denise Fenton (District 6) 47:14

I would move to hold it until our January 8 meeting.

Aldersperson William Siebers (District 1) 47:18

Second.

Aldersperson Chris Croatt (District 14) 47:19

Okay. And then we can take whatever is deemed appropriate action at that time. If there needs to be additional time, I guess the committee could entertain that. The committee could entertain that. Any questions on holding this one until our next meeting? All right, not seeing anyone. All those in favor of holding until January 8 signify by saying aye. All opposed? All right, five zero, that's held. All right, January 8 will have quite a few things on the agenda.
