The Board of Health for the City of Appleton hereby **UPHOLDS** Humane Officer Fillebrown's determination of the Respondent's dog, Chewy, as a Dangerous Animal, under City of Appleton's Municipal Code 3-131, but **subject to only the following requirements:**

(a) ***Dangerous animals regulated.***

(1) No person may harbor or keep a dangerous animal within the city unless all provisions of this section are complied with. Any animal that is determined to be a prohibited dangerous animal under this division shall not be kept or harbored in the city.

(2) The issuance of a citation for a violation of this section need not be predicated on a determination that an animal is a dangerous animal.

(b) ***Registration.*** The owner of any animal declared dangerous, shall register it with the Police Department upon disposition, and annually thereafter on or before April 1 of each year, by providing a current color photograph of the animal and payment of a seventy-five dollar (\$75.00) registration fee.

(1) The animal must be kept within the fenced area of the owner's yard or on a leash no longer than four feet when outside of the owner's fenced yard.

(2) No person may permit a dangerous animal to be kept on a chain, rope or other type of leash outside its dwelling, kennel or pen unless a person who is sixteen (16) years of age or older, competent to govern the animal and capable of physically controlling and restraining the animal, is in physical control of the leash.

(3) A dangerous animal may be securely leashed or chained to an immovable object, with the owner or caretaker being in the physical presence of the animal at all times when it is so leashed or chained.

(4) A dangerous animal outside of the animal's dwelling, kennel or pen shall be muzzled in a humane way by a muzzling device sufficient to prevent the animal from biting persons or other animals.

(f) **Spay and neuter requirement.** Within thirty (30) days after an animal has been designated dangerous, the owner or caretaker of the animal shall provide written proof from a licensed veterinarian that the animal has been spayed or neutered.

(g) **Liability insurance.** The owner or caretaker of a dangerous animal shall present to the Health Officer or Humane Officer a certificate of insurance that the owner or caretaker has procured liability insurance in an amount not less than \$1,000,000 for any personal injuries inflicted by the dangerous animal. Whenever such policy is cancelled or not renewed, the insurer and animal's owner or caretaker shall notify the Health Officer or Humane Officer of such cancellation or non renewal in writing by certified mail.

If the Owner further contests this determination, the Owner may seek review of the Board of Health's decision by the Circuit Court within five (5) days of receiving this decision.
