And our first action item, 25-0722 award unit F-27 sanitary and storm sewer cleaning and televising to Green Bay Pipe and TV LLC, in an amount not to exceed \$307,500. I have a motion.

**Aldersperson Josh Lambrecht (District 1) 01:47**

So move.

**Adrian Stancil-Martin (District 11) 01:48**

Motion to approve.

**Aldersperson Josh Lambrecht (District 1) 01:49**

And second.

**Aldersperson Vered Meltzer (District 2) 01:50**

All right, I have a motion and a second. And Did Director or Deputy Director like to speak on that? Go ahead Deputy Director Neuberger.

**Deputy Director Pete Neuberger (Public Works) 02:03**

Nothing specific, chair, but happy to answer any questions that the committee may have.

**Aldersperson Vered Meltzer (District 2) 02:08**

All right, and do we have any questions up here? All right, seeing none, let's go ahead and vote. All in favor say aye. Aye. Any opposed or abstaining? There are none. That is recommended, five zero for approval.

**Aldersperson Vered Meltzer (District 2) 02:21**

Moving down 25-0730, approve contract amendment number 2 to McMahon for phase one solids dewatering equipment upgrades for a deduct to design and construction management services in the amount of \$5,461 decreasing the contract amount from \$352,872 to \$347,411. Can I get a motion?

**Aldersperson Josh Lambrecht (District 1) 02:49**

So moved.

**Aldersperson Patti Heffernan (District 8) 02:49**

Second.

**Aldersperson Vered Meltzer (District 2) 02:51**

All right, we have a motion and a second. So, it's nice to see a contract whose cost is going down. Director Stempa or Director Jungwirth, did you want to speak? Which of you would like to? And I'm sorry, which mic is that? All right, go ahead.

**Director Chris Stempa (Utilities) 03:12**

If there's any questions on....Yes, you're right; you normally don't see a credit. And I'll just add that this is why we work with good engineers. They're not perfect, and when they recognize that there is maybe a slight design change in a large remodel project, they're crediting the project accordingly. So, I appreciate that.

**Aldersperson Vered Meltzer (District 2) 03:35**

Wonderful. I appreciate that too. Any comments or questions from the committee? Seeing none, let's go ahead and vote. All in favor say aye. Aye. Any opposed or abstaining? There are none. That is recommended for approval five zero.
