Thank you. There was an item that my colleague Alder Schultz abstained from at committee. I was just wondering if we should separate that one out as well. That was 25-0789, about the parklet.

Mayor Jake Woodford 22:35

If there are no objections, we can, we can—we can go back. Okay, so we have a withdrawal of the motion, and then the seconder was, I think Alder Lambrecht. Do you withdraw? Okay. Oh, was it? Yeah, oh, I should look at the screen. Alder Smith. Well, it did the it did the wheel thing. All right. Alder Smith, so the motion to approve the balance has been withdrawn. So, we're back to order of the day. Could you just state that committee an item number again, please?
