OFFICE RUDEBECK REPORTING:

On 09-14-2024 I, Officer Rudebeck #9193, was assigned to the College Avenue detail from 2200-0300 hours. I was in full uniform and in squad 928.

At approximately 0112 hours, I had heard officers report that there was a disturbance in the alley behind Mr. Frogs located at 409 W College Ave, City of Appleton, Outagamie County, WI 54911. Upon arrival, I noticed there was a larger crowd in the parking lot of St. Joseph Catholic Church, located at 404 W Lawrence St, City of Appleton, Outagamie County, WI 54911.

I had observed several occupants yelling and appeared to have been in some sort of disturbance. While looking through the parking lot, I noticed a Hispanic male crouched between several cars and had his shirt off. Based on training and experience, I believed that the male was involved in a physical disturbance. When he proceeded to try and hide in between parked vehicles, I called out to him and blipped him with flashlight and had told him to stop. The male looked at me and began to run southbound through the parking lot. I announced myself as a police officer and again told him to stop. The male continued to run southbound and was later brought to the ground by Ofc. Biffert #9139. The male was later placed into handcuffs that were properly fitted and escorted to Ofc. Biffert's squad. For more information, please see Ofc. Biffert's supplemental report and other supplements.

The male at first claimed he did not have an ID and verbally identified himself as Manuel A Cerda with a DOB of 01-31-2000. A WI driver's license was later located on his person with a name of [REDACTED]. Based on physical features, I did not believe the ID belonged to him. While officers were searching Manuel, I had overheard that he admitted that he had marijuana on his person. For more information, please see the supplemental reports. Ofc. Biffert later transported Manuel to Outagamie County Jail, and I ended contact with him.

END OF REPORT

ARREST: Manuel A Cerda, M/U, 01-31-2005, was arrested for the following charges:

- Resisting/Obstruction an Officer SS. 946.41(1)
- Possession of Marijuana SS. 961.41(3G)(E)

CASE STATUS: Cleared by arrest.

RECORDING DEVICE: Axon on.

Supplemental Narrative

09/15/2024 06:22:17 9139 RYAN BIFFERT

On 09/15/2024 at approximately 0111 hrs. I, Officer Biffert #9139 heard officers report a physical fight between a large group of individuals at Mr. Frogs 409 W College Av. Appleton, WI 54911. I heard additional units being requested to the south alley behind the business.

Upon arrival, I noticed multiple people in the St. Joseph Parish parking lot. I then parked my squad at the intersection of Walnut St. and Lawrence St. with my emergency lights activated. While exiting my squad, I heard officers yell "Police Stop" towards a male that was running south through the parking lot not wearing a shirt. It should be noted that at this time, I was driving marked squad 1041 and wearing my full police uniform. After noticing the male running full speed towards me, I grabbed onto the male and lowered him to the ground using my weight. The male was later identified as Manuel Cerda. Manuel was subsequently placed in handcuffs while on the ground. I asked Manuel if he was injured and if he needed medical attention. Manuel stated no.

Manuel was asked prior to searching if he had anything illegal on him. Manuel admitted that he had some weed in his pocket. I located a package of "Strawberry Cannabis". According to the package the bag contained 7g of Cannabis flower. The package was located in Manuel's front pants pocket. I also located a WI DL belonging to [REDACTED] in Manuel's front pants pocket. At this time, Manuel gave officers a different name and officers were not able to positively identify him. Manuel was transported to the Outagamie County jail where Grand Chute Police was able to confirm identity using live scan that his name was Manuel Cerda. I issued a citation to Manuel for underage drinking/posses as Manuel was 19 years old and admitted to being on "the liquor" and

showed signs of intoxication and impairment. The citation was given to Manuel and the mandatory court appearance was explained. Manuel was then released to jail staff.

I tested the green bud like substance inside the package and the substance tested positive for THC using a Mobile Detect pouch. The package was then inventoried at the Appleton Police Department. I also inventoried the WI DL for [REDACTED] for safekeeping.

End of Report
Officer Biffert #9139

Supplemental Narrative

09/15/2024 23:32:39 9199 TURNER BOTZ

LIEUTENANT BOTZ REPORTING:

On 09/15/2024 I was working as a fully uniformed Patrol Lieutenant for the Appleton Police Department. While working in this capacity, I was conducting foot patrol in the 400 block of West College Avenue.

While in the area, I observed music stop playing within Mr. Frogs located at 409 West College Avenue. I immediately found it strange the music had stopped playing as I was aware the bar was currently full of bar patrons and it was not yet close to mandatory bar close. It has been my experience that when bar music suddenly stops playing with a large amount of patrons still inside the bar, it is likely due to a disturbance occurring within the confines of the bar.

When I made my way into the bar, I noticed the main dance floor primarily empty and a large group of people actively yelling and moving towards a back patio door that lead into Kimball Alley. I radioed to other Police Units of the disturbance and the need for additional resources.

When I got into the alley, I noticed the same group continuing to engage in disruptive behavior. I observed several people physically fighting with each other and other people with their shirts off yelling. In total, there was approximately 10-20 people engaged in this disruptive behavior.

I verbalized to the group, Police stop! A majority of the group immediately began running away from me and my current position. At this time, I saw other Officers begin to arrive in the area and was aware of one individual who was detained that was seen running from this immediate area.

At this point, I had no further involvement in this incident.

Original Narrative

09/22/2024 13:36:57

On 9/21/24 at approximately 1235hrs, I was dispatched to make a telephone call to [REDACTED] in reference to a disturbance that had occurred at Mr. Frog's, located at 403 W College Ave, between 0100-0200hrs.

Upon telephone contact, [REDACTED] advised that she had been having problems with a Deondra Lohrentz-Pamonicutt for several months. Earlier this morning, she had been at Mr. Frog's. After using the restroom, [REDACTED] was walking back into the bar area. [REDACTED] stated that Deondra came up from behind her and punched her in the cheek and traveling to her eye. Security initially broke up the fight, but when Deondra got away from security, [REDACTED] told me that she began fighting Deondra.

I asked [REDACTED] what she meant but she began fighting, and she told me that she punched Deondra at least twice to defend herself. [REDACTED] told me that she now had a black eye and possibly a broken finger. [REDACTED] had not gone to a doctor and did not plan to as she had already placed a splint on the finger.

I asked [REDACTED] if she would be willing to meet me at APD so I could observe her injuries, and she agreed. At approximately 1340hrs, [REDACTED] arrived at APD. I spoke to [REDACTED] in lobby conference room A. I immediately noticed [REDACTED] left eye was black.

I asked [REDACTED] how she knew Deondra, and she stated they had been roommates from January of 2024 to March of 2024 but things didn't work out. Deondra also believes that [REDACTED] owes her money for a security deposit which has caused Deondra to harass [REDACTED] for the last few months.

[REDACTED] stated that when she was at Mr. Frog's earlier in the morning, she did not know that Deondra was there. [REDACTED] stated that it wasn't until Deondra hit her in the face that she knew she was there. [REDACTED] denied any in person or electronic communication leading up to the disturbance. [REDACTED] advised that getting punched in the face caused her pain without consent.

I asked [REDACTED] how her finger got injured, and she stated it was from her punching Deondra in the face twice. [REDACTED] also did not recall if she punched Deondra before or after security broke the two of them up. Security removed Deondra from the bar and [REDACTED] was allowed to remain. Security had also told [REDACTED] that there would be surveillance video of the incident.

I provided [REDACTED] a VC information sheet and ended my contact with her. I also went over the no contact provision with [REDACTED] in the event that Deondra was located and taken into custody. The no contact will be in effect if Deondra is taken into custody.

On 9/22/24 at approximately 0930hrs, I called Deondra with no answer. I left Deondra a message to call me back at APD.

At the time of this report, Deondra has not contacted me. This case will be active pending contact with Deondra.

END REPORT

Sgt. Schneider #9165

Supplemental Narrative

09/26/2024 14:01:38 9165 DAVID SCHNEIDER

On 9/26/24 at approximately 1120hrs, Deondra arrived at APD to speak with me. I was handling another call for service and was unable to speak to Deondra. I requested Sgt. Hoffman complete the interview for me.

Sgt. Hoffman contacted me via telephone and briefed me on the interview. Based upon the interview, I requested Sgt. Hoffman take Deondra into custody for domestic battery and DC. Sgt. Hoffman confined Deondra at OCJ on those charges and provided her with the 72hr no contact provision.

At approximately 1350hrs, I completed a follow up phone call with [REDACTED] Sgt. Hoffman had relayed to me that [REDACTED] had been intentionally bumping into Deondra and her friends at the bar. I asked [REDACTED] about this, and she maintained her original story that she did not know Deondra was at the bar and was blindsided by Deondra when she left the restroom.

I requested night shift officers attempt to obtain video from the bar. However, at the time of this report, they have been unable to obtain the video. I will continue to attempt to make contact with the bar to obtain video footage. Harbor House was notified of the domestic arrest. [REDACTED] opts IN to sharing information with Harbor House and VCRs.

See Sgt. Hoffman's supplement for further information.

Arrest Custody:

Deondra was confined at OCJ for domestic battery and DC.

Case Status:

HOFFMAN**

On 09/26/2024 I Sgt Hoffman with the Appleton Police Department's Special Investigations Unit, was contacted by Sgt. Schneider. Sgt. Schneider stated he was investigating a disturbance that occurred the weekend before. He already spoke with one of the parties involved and the other party agreed to come into the lobby for an interview. I then responded to the Appleton Police Department lobby where I made contact with Deondra R. Lohrentz Panonicutt.

I spoke with Deondra in an interview room. I informed her that I was assisting Sgt. Schneider with his investigation into a disturbance that happened the previous weekend. Initially Deondra stated that she was not going to say anything because she did not want to incriminate herself. I informed her that I know there are two sides to every story and it was important that we hear her side of it. She indicated that she did not have anything to say. I then informed her that if that was the case I would only have one side of the story to go on and that she would be placed under arrest for battery. Deondra asked if she decided to talk to me, if she would still be arrested. I told her that it depended on the information she provided. She then agreed to speak with me. I explained to Deondra that she was not required to speak with me if she did not want to. Her statement would be

voluntary.

Deondra stated that she and [REDACTED], who was the other party involved in the disturbance, had been roommates for three months. She stated that they lived together in Green Bay. Deondra decided to move out prior to the lease agreement and there was a dispute over getting money back for the security deposit. Deondra stated that [REDACTED] owed her the money but refused to pay her.

Deondra stated that she and a group of friends went out to the bars together the night of the incident. They were at several other establishments prior to the fight. She indicated that she and [REDACTED] had several friends in common. Throughout the night she would see [REDACTED] around her group of friends. Deondra indicated that [REDACTED] would bump into her and her friends while walking through the bar.

Later in the evening they ended up at Mr. Frogs. While they were standing at the bar, [REDACTED] walked up and bumped into her again. At that point, Deondra stated that she turned around and shoved [REDACTED] [REDACTED] backed up like she did not want to fight. When Deondra turned around and faced away from her, [REDACTED] grabbed her by the hair and struck her in the face. That is when the fight ensued. Deondra stated that workers at the bar broke them up and told them to leave. She ended up leaving the bar after that. I asked if she suffered any injuries and she stated that she had a bruise on her left eyebrow. I looked, but could not observe any injury. It should be noted that Deondra did have make up on that could have concealed the injury. I asked Deondra where in the bar the fight occurred and she stated that it happened by the bar area.

I then contacted Sgt. Schneider and informed him of Deondra's statement. He stated that based on his investigation he wanted Deondra taken into custody for misdemeanor battery. I then informed Deondra that she would be taken into custody for the battery. She was walked to the Outagamie County jail. Deondra indicated that she had the money to post bond. She was handcuffed prior to walking into the jail. I had Deondra read and sign the 72 hour no contact form due to it being a domestic related arrest. She was then turned over to the Outagamie County Jail staff. A copy of the 72 hour no contact was provided to Deondra, the jail, and Sgt. Schneider.

Axon present.

Officer Ballweg Reporting #9167

On September 22nd, 2024, around 0218 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I operated an unmarked APD patrol car with the identification number #926. I was on foot in the 400 block of W College Ave, Appleton, WI 54911, Outagamie County. I observed a large crowd gathering in front of 409 W College Ave, Mr. Frogs. I then saw two females on the ground in front of the establishment. I informed Dispatch that there was an active disturbance and approached the disturbance.

I saw two females on the ground and a third female attempting to break up the fight. I announced "Police" and told both parties to end the fight. The female, later identified as [REDACTED] ceased fighting. The other female, identified as Izarian Lo, continued to hold onto [REDACTED] hair and was actively pulling it. I grabbed onto Izarian's hands in an attempt to make her let go of [REDACTED] I felt Izarian tense her muscles in her arm and pull, which caused a large chunk of [REDACTED] hair to be pulled out. I then started to pull Izarian away from [REDACTED] and saw Izarian kick at [REDACTED] as I was pulling her away. [REDACTED] did not attempt to reengage.

I continued to pull Izarian away from [REDACTED] Izarian stated "I will do it again,

take me to jail. It was fucking worth it." I secured Izarian in handcuffs and started to have her sit up. As I did that, she informed me that she would do it again. I took "it" to be fighting [REDACTED] Izarian was walked to Officer Jakobsen's squad and I informed her that she was under arrest. A person that Izarian seemed to know walked up to us and Izarian again stated "I'll do it again, it was worth it, it was worth it." Izarian also informed me that [REDACTED] had started the disturbance by swinging at her first. Izarian was secured in a squad car and buckled.

I then walked over to where [REDACTED] was speaking with Officer VanDinter #9148. [REDACTED] informed him that Izarian had ripped some of her hair out and just walked up to [REDACTED] and started to attack her. [REDACTED] explained that [REDACTED] brother and Izarian had a falling out, which led to issues between [REDACTED] and Izarian. [REDACTED] friend, [REDACTED] confirmed what [REDACTED] was saying. [REDACTED] felt pain from Izarian kicking and pulling her hair. [REDACTED] did not give consent for Izarian to hit her, kick her or pull her hair. [REDACTED] was provided a victim packet and opted into services. [REDACTED] was then released from the scene. See Officer Vandinter's supplement for further.

I had Officer Jakobsen transported Izarian to the Outagamie County jail. She would be confined on battery and disorderly conduct, due to her actions on the avenue. Izarian informed me of the following information unprompted. [REDACTED] had attacked her first earlier in the night and punched her in the eye. Later when they saw each other again Izarian approached [REDACTED] and told her to "do it again." Izarian explained that she reapproached [REDACTED] because if Izarian just walked away after being punched, she would have been made fun of on social media. [REDACTED] did appear to have a watery and red left eye but had also started to cry as soon as she was placed in the back of the squad car. She was unable to tell me where on the avenue [REDACTED] had punched her. [REDACTED] also continued to make several statements about how she would fight [REDACTED] again, but did not think it was fair that she was the one going to jail. Izarian was confined without incident.

I viewed the Avigilon cameras for the intersection of W College Ave and N Division St. It clearly showed the disturbance. At 0217 hours, Izarian can be seen standing in front of Sal's Pizza to the west of Mr. Frogs. Izarian appears to be looking toward Mr. Frogs, where [REDACTED] and [REDACTED] are standing. Izarian started to walk toward [REDACTED] and [REDACTED] and immediately, Izarian reached for [REDACTED] [REDACTED] was between them and can be seen attempting to push Izarian away. It appeared that Izarian grabbed onto [REDACTED] hair immediately and used that to move [REDACTED] around. Both parties fall the ground, which was when I observed them fighting. I attempted to view camera footage prior to the disturbance in an effort to figure out when [REDACTED] might have struck Izarian, but I was unable to track Izarian and [REDACTED] on the cameras to when they would have first had contact with one another. The video did confirm that the fight was only in front of Mr. Frogs and not related to inside the establishment.

Based on the observed actions, statements and camera footage, it appeared that Izarian initiated the disturbance and was the primary aggressor in the disturbance. The camera footage was logged as evidence. All parties were identified by WI DL.

FORENSIC EVIDENCE SPECIALIST NICOLE DEL PLAINE #9513:

INJURY PHOTOGRAPHY

On 09/23/2024 I, Forensic Evidence Specialist Nicole del Plaine #9513, was working my scheduled shift when I captured injury photographs of an individual in relation to a battery incident (A24044935). The individual, later identified as Izarian "Izzy" Arlene Lo (DOB: 02/21/2001; F/B), was currently in the police department's lobby.

I prepared my camera equipment. All photographs would be captured on the manual RAW-Large setting per department policy. I wrote all pertinent case information on a grey card. The first photograph that I captured was of the grey card. I collected the following:

* Item #2: Izarian "Izzy" A. Lo [DOB: 02/21/2001; F/B] injury photographs (09/23/2024 at 1123 hours).

F.E.S. Kourtney Hyland would accompany me and assist with scale throughout this process.

We met Izarian in the lobby and moved to a lobby conference room for privacy. I explained that I would be taking a series of photographs depicting all injuries made known to us. Moreover, I advised if she were uncomfortable at any time, to let us know, and we would halt the process.

I asked that Izarian stand against a plain wall to ensure a neutral background. I began by capturing overall photographs. These would depict who I was photographing. Next, I asked Izarian to identify areas of pain and/or injury, whether visible or not. I captured mid-range and close-up photographs of each area that was mentioned. These photographs were taken with and without scale.

Izarian stated that she had bruising around her left eye. I observed visible discoloration around her left eye (eye socket), which appeared to be inflamed. There was some light reddening visible on her sclera (white portion of the eye), left of her pupil. Izarian also pointed out reddening on her right eye. This eye appeared significantly more irritated than the left. I observed reddening that was more substantial in size and color. This reddening was located on her sclera just left of her pupil.

Izarian identified bruising on her right breast, as well. I observed discoloration above and to the right of her areola.

Izarian described an injury to her left hand's middle finger. She stated that she had sought medical treatment for the finger following the incident, and that personnel had originally believed the finger had sustained a sprain. Later on, she received a call from the medical professional who concluded that she had sustained a fracture that finger. I observed Izarian's middle finger to be swollen and bent unlike her other fingers. The distal phalanx (area above the knuckle) was pink/blue in color.

Finally, Izarian stated that she felt pain on the left side of her forehead. She was unsure if there was any visible bruise. I captured photographs of the area, including some discoloration. It is unknown whether the discoloration was part of Izarian's complexion or if it was an injury.

After all photographs had been captured, we informed Izarian that she could contact us if she wanted additional photographs taken in the future. Then, I returned to the Identification Unit and secured my camera equipment in the Evidence Hold area. The photographs that I had taken for this case remained in this secure location until they could be logged into BEAST and transferred to

the proper digital evidence storage location.

This concluded my involvement with this case at this time.

Original Narrative

11/03/2024 23:11:00

On 11/02/1014 at approximately 0404 hours in the City of Appleton, Outagamie County WI, I, Officer Samuel Vassar #9158, was dispatched to 1338 W Spencer St for an after the fact domestic disturbance which occurred at Mr Frogs, located at 409 W College Ave. The complainant, who I later identified verbally as [REDACTED] F/W DOB: [REDACTED] stated that the father of her child, identified fully through records as George Q Baggett Jr M/B DOB 09/23/2000 had choked her while they were in the bar. She was not requesting an ambulance, and was waiting for officers at her residence.

I responded with FTO Van Dinter and made contact with [REDACTED] at her address. We were invited

inside and I began to question her what happened after confirming she did not want any immediate medical attention. Through my conversation with [REDACTED] she identified the relationship with George to be former boyfriend-girlfriend. [REDACTED] said they never lived together and were never married, but they do share a child in common, who was verbally identified as [REDACTED] F/U DOB: [REDACTED]. [REDACTED] said there is no custody agreement in place, and [REDACTED] is primarily cared for by her, as George is out of the picture as a parent, only visiting occasionally.

[REDACTED] said that very consistently for the last four years, she and George have not seen each other or spoken to each other, with the exception that because they primarily reside near the downtown area of Appleton, they might see each other unintentionally infrequently, and [REDACTED] would avoid having contact with George. Earlier in the night, [REDACTED] was at Mr Frogs with her friend who she identified as [REDACTED] F/B DOB: [REDACTED]. After a while at that bar, they proceeded to a different bar called the Leg Lamp Lounge, located at 427 W College Ave, before returning to Mr Frogs. When the general time frame of bar close came around, at approximately 0230 hours, [REDACTED] told me she was still in the bar, near the front door when she noticed George entering the bar. George approached [REDACTED] directly, and according to her, he pushed her against the wall which is perpendicular to the main entry door frame. [REDACTED] said she felt what she described as a shock, likely due to the disruption of fluids in her body, and that after this happened, George used both of his hands, which he placed around her neck. [REDACTED] said she felt George squeeze or tighten his grip around her neck to the point that she felt dizzy, and felt the inability to breathe.

[REDACTED] recalled that George was calling her various vulgar slurs as he was doing this, but she could only recall for certainty that he was repeatedly calling her a bitch. [REDACTED] told me she could not recall exactly how long this was happening for, but the disturbance was broken up by bouncers at the bar. [REDACTED] told me that George was there with some of his friends, and she has knowledge that many of the employees are also friends with him, and she was questioning herself if anybody was going to help her because it took such a long time for intervention. After the physical aspect of the disturbance ended, [REDACTED] said George left, and she did immediately after, walking straight to her residence with [REDACTED]. I asked [REDACTED] if there was anything that could have provoked such a physical response from George, and she told me that she feels he was trying to get back into a relationship with her. Additionally, [REDACTED] told me that when she goes out in public with friends and George notices her, she sometimes would be approached by him or receive messages which indicated to her George becomes jealous if she talks to other people. [REDACTED] advised she did not consent to being touched, strangled, injured, or be a part of any disturbance.

[REDACTED] told me that she should never have had a child with George because he never used to be violently aggressive like this. [REDACTED] detailed an incident that occurred approximately two to three months ago in the church parking lot across from our police department, during the same time of the morning, where George approached her and slapped her across the face. [REDACTED] said that was the first time George was ever physically violent with her and she was surprised, but regretted not immediately reporting the incident to our department because she did not think it would continue to happen. [REDACTED] stated that when she and George were in a relationship years ago, there would be intense verbal arguments, but nothing became physical.

I spoke with [REDACTED] about the dangers of not seeking medical attention regarding strangulation cases, even if she did not immediately feel symptoms. FTO Van Dinter proposed to [REDACTED] the option to have a brief examination conducted at a hospital by a SANE nurse, and she agreed. A SANE nurse was requested by FTO Van Dinter via phone, and we were advised one would be paged to respond to ThedaCare Medical Center - Appleton. I completed a Domestic Abuse Worksheet with [REDACTED] at that time while Officer Thor collected initial photos of redness as an ID Tech.

While further questioning during completion of the Domestic Abuse Worksheet, [REDACTED] said George has injured her in the past one time, and that was previously described to happen approximately two to three months ago. He also has threatened to injure her, her family and/or friends with homicide, but George never provided a manner of doing this. [REDACTED] did mention that George usually conceals a firearm on his person although he is a felon, and he has easy access to them. During the strangulation, [REDACTED] said she suffered a difficulty breathing and felt light headed. [REDACTED] told me she has been getting over a cold, but her symptoms of a hoarse and raspy voice along with trouble swallowing have been worse since the disturbance. The lethality assessment

questionnaire was completed and I notified [REDACTED] she was scored for high danger. [REDACTED] did not want to immediately talk to an advocate, but she consented to me sharing her information. [REDACTED] confirmed the corm was completed with accuracy, and I provided her a Victim Information Packet.

I transported [REDACTED] to ThedaCare Medical Center - Appleton and evidence was collected pertaining to the strangulation. While listening in on the evidence collection, [REDACTED] made some concerning comments regarding her safety to the nurse to include "I'm scared to go to sleep", "I don't want to not wake up in the morning", and "[George] could've killed me". After the exam was completed, I provided [REDACTED] copies of already mentioned paperwork and confirmed she had no questions. I concluded my contact and transported the evidence kit to the Appleton Police Department where I packaged and entered it into the BEAST system. Harbor House was notified of this incident via phone call.

I was later notified that George was taken into custody by officers on 11/02/2024 at approximately 1137 hours and he was confined at the Outagamie County Jail. George did not wish to provide a statement. On 11/03/2024 at the start of 1900 shift, I attempted to make contact with [REDACTED] to obtain a witness statement, but was unsuccessful in person or by phone. I provided [REDACTED] in person a completed No Contact Prohibition form and explained to her what its contents meant, as she elected the period of no contact to be enforced for both three and five days as provided in Outagamie County. The scanned copy of the form was completed prior to George being taken into custody, and incorrect effective dates were later written on the form. I corrected the pink copy issued to [REDACTED] to include the effective dates. [REDACTED] was also questioned regarding when she last spoke to [REDACTED] and they recently did exchange text messages. [REDACTED] said she would ask [REDACTED] to contact our department when she leaves work in the City of Green Bay, WI later in the evening. Prior to concluding my contact, [REDACTED] was provided information regarding the use of Vine Link and CCAP website. She stated she had no questions and my contact concluded.

Attached to this report is a copy of the Domestic Abuse Worksheet, Lethality Assessment Screening, No Contact Prohibition, Conditional Release, BEAST Case Report, and ThedaCare Chain of Custody. Documents were digitally scanned. For more information, see supplements to this report.

It is requested that as part of bond conditions if George is provided the opportunity to post, for George to not enter any establishment whose primary purpose is sales of alcoholic beverages. George is also requested to not use any nonprescribed medication or consume any alcoholic beverages upon release as a significant amount of our department's contacts with George occur near bars.

OFFICER THOR #9133 SUPPLEMENT:

On 11/02/2024 at approximately 0435, I, Officer Thor #9133, was requested to respond to 1338 W Spencer St to take photographs. As an evidence technician, I have received proper training in scene photography and evidence collection.

I arrived on Spencer St and obtained the APD digital camera. After setting the digital camera up, I went inside the residence where Officer Vassar informed me that the victim, identified as [REDACTED] had injuries. I introduced myself and asked her about her injuries. [REDACTED] indicated that she had been strangled. [REDACTED] consented to having her injuries photographed.

I began with overall photos of [REDACTED] before moving closer to her injuries. I observed on [REDACTED] neck severe redness on her right, left, and center of her neck. I took several photos of these injuries at different angles, with and without flash. [REDACTED] stated that these were to only injuries that she had. I then left the residence.

On 11/02/2024 at approximately 2324 hours, I heard officers advised that they were out with George Baggett on the 400blk of W College Ave. I knew that Officer Vassar had probable cause to arrest George for charges related to this incident. I responded to the 400blk of W College Ave and upon arrival, George was in custody. While George was searched incident to an arrest, Officer Grier-Welch was given a tobacco packaging. Within the packaging, Officer Grier-Welch informed me that there was suspected marijuana inside. I took custody of this item and also observed a green leafy substance that I suspected to be marijuana based on my training and experiences.

George was placed in my squad and transported to the Appleton Police Department. I read George his Miranda Rights and when asked if he understood his rights, he would only answer "I guess". He would then ask why he was arrested multiple times. I tried explaining to George that I would like to talk to him, however as he was in custody, I needed to know if he understood his rights. George did not give me a valid answer. George wanted to know why he was arrested and I informed him that he was involved in a disturbance that occurred at Mr. Frogs. George would ask me about the disturbance, however at this time, George did not answer yes that he understood his rights. George would continue to ask about the disturbance, however I decided to stop talking to George as he was ignoring my question as to his understanding of his rights.

George was ultimately transported to Outagamie County Jail. Once at the jail, I read George the 72-hour no contact prohibition. After George was taken out of hand cuffs, I signed that 72-hour no contact form. George was released to jail staff without incident. The 72-hour form was given to

Officer Vassar.

I later tested the suspected marijuana located on George. Before testing, I weighed the substance which was 0.23 grams. I then tested the substance with the Mobile Detect, specifically for marijuana/THC, which yielded positive for marijuana. The marijuana was logged into APD Evidence. I also logged the SD card I used to capture [REDACTED] injuries into APD Evidence. The evidence report for the items I logged in was attached to this report. I decided to issued George a citation for AC 10-32 Possession of Marijuana. I gave the Outagamie County Jail staff the citation.

This concluded my involvement.

Axon was on.

While in the 400 blk of W. College Ave. I observed a male subject identified as, [REDACTED], walking westbound on College Ave. towards my location. I knew that [REDACTED] had been hanging out with Baggett the night before on College Ave., thus I began to scan the subjects that were walking with [REDACTED] to see if Baggett was one of them. I noticed a subject walking with [REDACTED] that was wearing a pink balaclava. The balaclava was concealing his face however the subject eventually said something, and I immediately recognized the voice as Baggett's. I told Baggett he was under arrest. I assisted with taking control of Baggett's left arm while he was placed in handcuffs. He was eventually secured in a squad and confined at OCJ. For further details see officers' narratives.

SUPPLEMENTAL NARRATIVE:

On 11/03/2024 during my shift of 1500 hours to 2300 hours, I reviewed Avigilon Traffic Camera Surveillance during the time of this reported incident. Nothing was captured that happened inside the establishment, but [REDACTED] and [REDACTED] were seen rushing out of the establishment, pausing on the sidewalk area directly in front, and it appeared [REDACTED] was consoling [REDACTED]. Both parties left walking westbound and George Baggett exited shortly later walking in the same direction. The video was bookmarked and entered into BEAST.

I attempted contact in person with [REDACTED] and was unsuccessful. Several attempts were made to obtain a witness statement from her through a phone call but she did not answer, and I left a voicemail requesting a call back. I additionally attempted contact with the owner of Mr Frogs, identified through in-house records as Vanessa M Alvarado F/W DOB: 03/04/1990 at her registered DOT address but she did not appear to be home. I attempted phone contact with Vanessa but left a voicemail requesting a phone call back in attempt to obtain interior surveillance footage.

On 11/07/2024 during my shift of 1900 hours to 0700 hours, I attempted phone contact with both [REDACTED] and Vanessa again, but was unsuccessful and left voicemails requesting a callback. Follow up to continue attempting to obtain a witness statement from [REDACTED] and with Vanessa to obtain interior surveillance video if possible to show the incident.

Supplemental Narrative

02/24/2025 23:34:10 9158 SAMUEL VASSAR

SUPPLEMENTAL NARRATIVE

On 02/14/2025 I received a report of laboratory findings from the Wisconsin State Crime Laboratory. Upon review of the report, DNA Analyst [REDACTED] detailed that upon testing of item A1a, skin to skin contact bilateral neck swabs collected from [REDACTED], a four (4) person DNA mixture was identified with the DNA of at least one belonging to a male. Laboratory findings were digitally attached to this report.

On 02/17/2025 I was provided access to review phone calls made to and from George Baggett while he was confined at the Outagamie County Jail on charges from this case. A total of 277 phone calls were recorded. As time permitted, I began to review these records and took note of calls which held some evidentiary value relevant to this case. Noteworthy calls were made directly after George's confinement began and were documented as follows:

On 11/04/2024 at 1847 hours, George called [REDACTED]. This phone number is associated through in-house records to [REDACTED] F/B DOB: [REDACTED]. [REDACTED] was associated with George in previous reports as they were roommates. The female George speaks to, assumed to be [REDACTED] indicated that she spoke with [REDACTED]. During the call, [REDACTED] was telling George what [REDACTED] said to her. [REDACTED] told [REDACTED] that she was not trying to press charges, and that she forgot to tell the police that she was "kicking and smacking" George, but George needed to learn his lesson. George expressed frustration to [REDACTED] that he felt the police were too quick to make an arrest based off of one person's story. It is important to reiterate that when George was taken into custody by our department, he declined providing any sort of a statement to assist with finding the facts surrounding what occurred during this disturbance as he would not advise he understood his Miranda rights.

On 11/04/2024 at 1919 hours, George called [REDACTED]. Through an internet search, I identified the owner as [REDACTED] F/B DOB: [REDACTED] and confirmed that both she and George were associated through in-house records. I presumed the female speaking with George was [REDACTED]. [REDACTED] indicated she had recently spoken with [REDACTED]. [REDACTED] apparently told [REDACTED] that she was going to do everything she could with the police, including going to the hospital, in order to get George "locked up".

On 11/04/2024 at 1919 hours, George called [REDACTED]. I was unable to identify the owner of this phone number, but through context of the conversation, I confirmed the user of that phone number was a female who was pregnant with George's child. She indicated she also recently spoke with [REDACTED] and that [REDACTED] told her George got mad at her because she "fucked" someone he was associated with, although I was not able to determine what the supposed relationship was due to the quality of the audio. George rebutted by stating to the caller that he was approached by [REDACTED] while he was in the bar, and [REDACTED] was making statements to him, telling George that she felt sorry for him and she felt sorry that the caller was his "baby mama". George continued to state that [REDACTED] had approached him and some other people his was with several times with acting aggressive, including a point during a verbal disturbance where [REDACTED] kicked him and smacked his drink out of his hand.

At the start of my shift on 02/28/2025, I proceeded to [REDACTED] address in attempt to make contact with her for further questioning after review of these phone calls. I was advised by family members that [REDACTED] was out of town for the weekend, so I elected to make phone contact with her at that time. I explained my reasoning for following up with [REDACTED] and explained the context of the three (3) detailed phone calls. Aubrey confirmed that she was contacted by [REDACTED] who is actually George's mother very shortly after George was arrested. [REDACTED] did tell [REDACTED] what happened, and she did not recall telling [REDACTED] anything about forgetting to report that she was physically violent with George. [REDACTED] denied that any of this had happened, which aligned with her initial statement. I questioned [REDACTED] about her contact with [REDACTED] and I learned she had never met [REDACTED] but [REDACTED] did reach out to her at or around the time of the reported incident. This was the only time that [REDACTED] had spoken with [REDACTED] and she denied making any statements to [REDACTED] pertaining to George being arrested under malice. I also questioned [REDACTED] about the third phone call detailed in this supplement. [REDACTED] told me that she did have romantic relations with another male that George was friends with, and she said this did make George mad. [REDACTED] wished to not disclose the identity of this friend, as she no longer is in contact with him, and he had moved out of the area. [REDACTED] said she knew that George threatened this individual, saying he was going to kill the party. [REDACTED] explained George likely said this because of his jealousy which grows whenever he learns of [REDACTED] attempting to get in another relationship, as was detailed during the initial investigation.

Prior to concluding my contact with [REDACTED] she said that she received messages from George within days of his arrest which were threatening in nature, and she did save those, but the incident was not reported to us. I at that time had to abruptly end the phone conversation to attend to an unrelated matter, but I left [REDACTED] a voicemail with a request to reach back out to me if she wished for me to investigate further the messages she had received from George.

All audio files were downloaded to an external USB drive and entered as evidence for this complaint. Attached is a Beast Case Report. No further information.

SGT YULE #9168 REPORTS: I was assigned to assist in this investigation by obtaining a buccal swab of George Q Baggett, DOB 9/23/2000, in order to compare to DNA samples already sent to the WI State Crime Lab. I had attempted numerous times to contact Baggett's attorney, unsuccessfully. I was similarly unable to locate him so I could obtain a search warrant, until 3/21/2025. On that day, I found that he had been confined at the Winnebago County Jail. I obtained a search warrant for Baggett's DNA, and on 3/21/2025, I executed that warrant at the Winnebago County jail. After obtaining Baggett's DNA via buccal swabs, I logged the swabs into evidence at the APD, and notified the Identification Unit of the pending trial, and that evidence was entered post-discovery. I completed the warrant return on that same day. The execution of the search warrant was recorded via Axon Capture and uploaded.

Nothing further.

INVESTIGATION

On 11/03/2024 at approximately 01:43, I, Officer Joseph Basak #9124 with the Appleton Police Department, was assigned to the College Avenue Detail from 23:00 to 03:00, in full uniform, and on foot patrol in the 400 Block of West College Avenue, City of Appleton, Outagamie County, Wisconsin, 54914. While walking eastbound in the 400blk, I heard what sounded like a glass bottle brake near the doorway at Mr. Frogs; 409 West College Avenue. I then observed a male party fall down the stairs. The male appeared to be running from something.

I immediately asked the male if he was okay. The male advised he was okay, quickly stood up, and left westbound. Lieutenant West #9119 and other units were able to intercept the male

and identify him as CONTACT [REDACTED]. Moments after I checked on [REDACTED] I observed two adult males engaged in a pushing match in the entrance way. One male was trying to push into the bar and the other male was trying to keep him out of the bar. The males were holding onto each other however, they were not striking each other. I approached the the male who was trying to push his way into the bar, and instructed him to stop. Officers Ballweg #9167 and Grier-Welch #9102 secured the male's arms and stabilized him against the wall. I then detained the male by placing him in handcuffs. I checked the handcuffs for fit and comfort before safety locking them. That male was later identified via a Wisconsin identification card as CONTACT [REDACTED].

While units escorted [REDACTED] to there squad, I made contact with the other male who was trying to keep [REDACTED] outside. That male did not want to identify himself but explained he was working security for Mr. Frogs. The male explained he was trying to keep [REDACTED] outside because of a disturbance they were already dealing with inside. The male told me he was not injured, everyone was good, and he did not want anything to be done. After speaking with the male, I spoke with [REDACTED] [REDACTED] explained after observing a physical disturbance inside the bar, he exited. Once the disturbance was over, he tried to enter the bar again. At that point, the security guard told him not to come inside, which would have been when I observed the parties in a pushing match.

Another security guard walked over to me while I was speaking with [REDACTED] He told me [REDACTED] was good, was a regular, and they did not want anything done. Inconclusion, [REDACTED] was not involved in a disturbance inside the bar. I believed [REDACTED] was involved in the disturbance, which would explain him exiting the bar very quickly. According to Officers that spoke with [REDACTED] [REDACTED] reported that someone had slapped him and he slapped them back. [REDACTED] did not want anything done. The other person, who allegedly slapped [REDACTED] did not contact law enforcement or try to make a complaint. At this time, there is no action as there were no injuries or any "willing victims."

Ordinance

On 11/8/24 at approximately 2330 hours I was on foot patrol working College Avenue security. The bouncer for Brau Haus, [REDACTED], flagged me down to inform me a 20-year-old female just attempted to enter Brau Haus but he denied her entry after he saw her age on her license. [REDACTED] pointed the female out to me, who was walking east on the sidewalk in the 500 block of W. College Ave. I followed the female from a short distance away to see if she was going to try and enter any other bars. The female attempted to enter Speakeasy but the bouncer turned her away. The female then walked to Mr. Frog's, located at 409 W. College Ave., and walked right in. I could see from outside Mr. Frog's window that the female was in the middle of the dance floor and went deeper into the bar. I entered Mr. Frog's and approached the female, who was now at the back of the dance floor near the edge of the bar area and asked her for identification. The female, who was eventually identified by her Wisconsin license as Iyana Ransby, couldn't produce her ID. I asked Iyana to step outside with me. Iyana was confirmed to be 20 years old by her license.

Iyana claimed she showed her ID when she entered Mr. Frog's, yet she never was able to produce it. Iyana appeared under the influence of an unknown substance due to her eyelids being droopy and her words being slurred. Iyana submitted to a PBT which registered .000% BrAC. I later sent Iyana a citation via certified mail for Underage Person on License Premise.

Bryan Mendoza (aka Morales) was in front of Mr. Frog's and said he would try and pull up surveillance footage to see how Iyana entered the bar. Bryan gave me the impression he was working for Mr. Frog's by making this statement. Bryan never produced any video footage for me to review. As I began speaking with Bryan along with fellow Mr. Frog's employee Steven Wells, Bryan told me he was not on duty tonight for Mr. Frog's. Neither Bryan nor Steven gave a response as to how Iyana entered the bar without a bouncer stopping her.

On 11/11/24 I spoke with the owner of Mr. Frog's/license premise holder, Vanessa Alvarado, on the phone to discuss this incident. Vanessa stated her employees told her that Iyana was able to gain entry while the bouncers were engaged in shift change. Vanessa said "Jaron" was one of the bouncers working on Friday night but didn't know his last name (she thought it was possibly Wells but wasn't sure). I told Vanessa I was going to mail her a citation for Underage Person on License Premise and she understood.

APD Crime Analyst Sue Gallagher was able to save video footage from a City camera that is aimed south toward D2/Mr. Frog's/Sal's Pizza. The footage shows Iyana entering the bar then exiting a few minutes later after I located her. This video footage was logged as evidence.

ARREST/CUSTODY: Iyana M. Ransby, DOB: 05/12/04, and Vanessa M. Alvarado, DOB: 03/14/90, were mailed ordinance citations for Underage Person on License Premise.

INVESTIGATION:

On 11/10/24 at approximately 0208 hours, I, Officer Christopherson, was working uniformed patrol in the City of Appleton, Outagamie County, Wisconsin. I was on foot patrol in the 400 block of W College Ave watching the bar crowd during bar closing time.

I noticed a verbal disturbance between two groups of people outside of Mr. Frogs (409 W College Ave). Officers were splitting up the argument as a female, later identified with Wisconsin Identification card as Mia Averill, had come running eastbound down the sidewalk. As Mia was running, she struck an unidentified male in the back of the head with her right hand. She then continued to walk away from the scene. I stopped Mia and detained her by placing handcuffs behind her back with Officer Derge. We checked them for proper fit and safety locked them. We then brought Mia to Officer Berens squad where I searched her person and advised her she was being charged with Disorderly Conduct. While searching Mia, I located a plastic bag branded "Drench" that stated it contained cannabis. I later logged that package into evidence and queued it for destruction. Due to the large crowd gathering in the area, Officer Berens and I transported Mia to the Appleton Police Department.

Once we arrived at the police department, I obtained Mia's ID out of her purse. As I was doing so Mia stated "That motherfucker, If I did do something, he needed to get hit 'casue he be fucking everybody's bitch" I then completed a citation for Disorderly Conduct (AC 10-9). I explained the citation to Mia and she had no further questions or concerns. Handcuffs were then removed from Mia and she was released from the police department.

It should be noted the male Mia struck had left the scene prior to being identified.

Narratives**Original Narrative****12/16/2024 07:26:02****OFFICER RUDEBECK REPORTING:**

On 12-13-2024 I, Officer Rudebeck #9193, was assigned to the College Avenue Detail from 2200-0300. I was dressed in full uniform and in marked squad 956. At approximately 2306 hours, I was dispatched to a disturbance located at Mr. Frogs located at 409 W College Ave.

Dispatch had indicated that a female was throwing bottles at the door of Mr. Frogs, had ripped off a door handle from the front entrance, and was trying to break a window. The reporting party had mentioned that the female suspect had left and had walked into Chadwicks located at 413 W College Ave. While arriving on scene, dispatch had said the female suspect was white, heavier set, and was wearing a brown jacket.

I located a female matching the description walking westbound in front of The Bar located at 427 W College Ave. The female was identified by a social security card and Spillman in-house as Sarah George. Sarah had claimed that while inside of Mr. Frogs, several males started to grab her and removed her from the bar. Sarah claimed she was unsure why the male parties had done this. Sarah insinuated that she was being targeted because she was a female. While I spoke with Sarah, she began to yell at other pedestrians and was swearing. Due to her continued behavior of doing this after I had told her to stop, Sarah was detained and was placed into handcuffs that were properly fitted and double locked. Sarah was escorted to a nearby squad so I could speak with the manager and an employee at Mr. Frogs.

When I spoke with Bryan Mendoza, who was a manager at Mr. Frogs, I was told that Sarah had caused a disturbance inside of Mr. Frogs and that the bouncers including himself had removed Sarah from the bar. While Sarah was outside the bouncer who was verbally identified as Anthony Little, closed the door to prevent Sarah from coming back inside. Bryan said that Sarah had kicked the door and pulled on the door handle hard enough that the handle was ripped off. Bryan said that to repair the door it would cost approximately \$1,000.00-\$2,000.00. After the door handle was ripped off, Bryan had watched Sarah walk into Chadwicks with the door handle in her hand and shortly after exited Chadwicks and continued to walk westbound. Ofc. Vandinter #9148 had taken photos of the damaged door to Mr. Frogs and uploaded them to Axon Capture. Ofc. Thor #9133 had informed me that there was video footage of the disturbance on traffic camera. Bryan said that he would email me video of the disturbance inside of Mr. Frogs at a later date.

I spoke with Anthony who was a bouncer for Mr. Frogs and was told that he noticed that Sarah was pushing other customers and had thrown a drink. Anthony began to escort Sarah out and due to her refusing to leave the bar, Anthony had to wrap his arms around her to walk her out. Once Sarah was outside of the Mr. Frogs, Sarah began to kick the door, which was described as a mule kick by Anthony. Anthony mentioned that Sarah had pulled onto the door handle of the front

entrance trying to open the door and had ripped off the door handle.

I later arrived at Chadwicks and spoke with [REDACTED] who was identified verbally. [REDACTED] said that he recalled Sarah walking into the bar and noticed that she was holding a door handle. [REDACTED] had told Sarah that she was not allowed in the bar and Sarah exited. [REDACTED] mentioned that Sarah had left the door handle inside of the bar and had later retrieved it and handed it to me. The door handle was later logged into BEAST for evidence.

After I had finished speaking with [REDACTED] I was advised that Sgt. Zieman #9112 had located a small plastic baggie with a white powdery substance. Based on my training and experience, I believed that it was cocaine. Sgt. Zieman also mentioned that Sarah had an open case through Outagamie as well. For more information, please reference Ofc. Zieman's supplemental report. Sarah was later transported by Ofc. Thor #9133 and Ofc. Vandinter #9148.

When I returned to the PD, I reviewed traffic cameras and observed Antony Little push Sarah out of Mr. Frogs at approximately 2304 hours. Anthony then closed the door and Sarah walked back up the steps and attempted to open the door. I observed the door open slightly due to how hard Sarah was pulling against the door while Anthony attempted to keep the door closed. Sarah then started to mule kick the door several times. After Sarah had kicked the door several times, Sarah again began to pull onto the door handle, which caused it to rip off. Sarah then lost her balance and fell down the stairs with the door handle in her hand. The video that I had observed was logged into evidence.

On 12/13/24 at approximately 2314 hours I arrived at College/Walnut as I saw Officer Rudebeck detaining a female suspect (Sarah George) in handcuffs. There was a purse on the ground next to Sarah, and I heard Officer Rudebeck inform her that we would take possession of her purse. Sgt. Zieman informed me Sarah was under arrest for Misdemeanor Bail Jumping.

I began to search Sarah's purse incident to arrest. There was a wallet inside the purse. Within one of the wallet's compartments I observed a clear plastic corner cut baggie containing a white powdery substance I suspected to be illegal drugs (possibly cocaine). Sgt. Zieman was next to me when I located the suspected drugs. I turned the wallet and suspected drugs over to Sgt. Zieman.

This concluded my involvement in this case.

ZIEMAN**

SUPPLEMENTAL REPORT

On 12/13/24 at approximately 23:06, I, SSgt. Thomas Ziemann #9112, responded to Mr. Frogs at 409 W. College Ave. for a reported disturbance along with Ofcs. Rudebeck #9193, VanDinter #9148, and Thor #9133. The initial information provided was that a "bigger" white female was acting wildly, and had pulled the door handle off of the entry door and was hitting it against the glass.

Shortly after dispatch, Ofc. Rudebeck and I arrived on scene along with Ofc. VanDinter and Ofc. Thor shortly thereafter. As we were dismounting from my squad, a Dispatch provided an updated description that the female was now walking toward The Bar, near a male in a black and white jacket. It was at this time that we located a female party matching the given description and made contact with her on W. College Ave. at Walnut St.

The female immediately made unsolicited remarks about being at Speak Easy and getting kicked out and pulling off the door handle, which she later clarified as actually being Mr. Frogs. As such, it was apparent that this was the suspect we were looking for. I asked the female for an ID, to which she ultimately provided to me her social security card. I then returned to my squad and subsequently identified her as ADULT OFFENDER Sarah George by social security number, WI DOT photo, and previous booking photo. I then checked WI CCCP and found that she had an open case under 2024CM000019 through Outagamie Co. with the specific bond information listed as active:

01-08-2024 Signature bond signed for George, Sarah M.
\$750.00

Additional text:

The defendant shall appear on all court dates; give written notice to the Clerk of Court within 48 hours of any change of address or telephone number; shall not commit any crime; shall neither directly nor indirectly threaten, harass, intimidate or otherwise interfere with victims or witnesses in this action. Call the Outagamie County Sheriff's Dept. at (920) 832-5633 within 48 hours for fingerprints and/or photos (to be completed within 21 days). The Defendant is to maintain absolute sobriety for pendency of case, except for prescribed medication. No Contact with JJ Maloney's Bar.

Based on my previous contact with Sarah where I could plainly smell the odor of intoxicating beverages from her person, I determined she was in violation of her open bond. As such, I returned to Ofcs. Thor and Rudebeck, who already had Sarah detained and were securing her in the car. I informed them of the open case and my intention on arresting and confining her on the bail jumping, as she previously held a bench warrant for the same case several months prior, and therefore had a demonstrated history with not complying with bond/court orders.

Since Sarah was now in custody, Lt. Goodin #9182 began a search of her property, incident to arrest. As he was searching Sarah's wallet that she had earlier shown me with her cards in it, I saw a small, plastic tied off bag end containing a white powder inside one of the pockets in the wallet. Based on my training and experience as a drug detector K9 handler, I suspected that the baggie contained cocaine due to its composition and packaging. I then took the wallet from Lt. Goodin and completed the search, and later fielded tested the substance using Serchie cocaine field test wipe, which tested positive for the presence of cocaine. This item was retained and logged into APD as evidence. At the same time, I also assisted in logging in the door handle that Sarah had pulled off from Mr. Frogs as evidence.

While conducting the drug component of the investigation, Ofcs. VanDinter and Rudebeck completed their investigation regarding the disorderly conduct and property damage committed by Sarah. See their reports for detail. After this was done, Sarah was then transported and booked into the Outagamie Co. Jail by Ofcs. Thor and VanDinter.

OFFICER THOR #9133 SUPPLEMENT:

On 12/14/2024 at approximately 2305 hours, I, Officer Thor #9133, responded to assist officers for a disturbance at Mr. Frogs, 409 W College Ave. The call notes stated that a "bigger" female white was trying to break the window with a metal bar.

As I arrived, additional call notes stated that the female was wearing a brown jacket and walking towards The Bar. I observed a female matching the description and exited my squad. I then told the female, later identified as Sarah George, stop after announcing that I was from the Appleton Police Department. Sarah stopped and Officer Rudebeck #9193 interviewed her while I checked traffic footage. I viewed Alta Aware traffic footage and later informed Officer Rudebeck that the incident was on the video footage.

Sarah was detained in handcuffs by Officer Rudebeck due to her behavior. Sarah was placed in the rear of my squad. Sgt. Zieman then informed me that Sarah was under arrest as she violated her bond conditions. Sarah asked why she was under arrest and I informed her that she had an open Outagamie Court Case with a specific rule to maintain absolute sobriety. Sarah stated that was sober and requested a PBT. I administered a PBT which the result was .110.

After completion of Officer Rudebeck's investigation, I transported Sarah to the Outagamie County Jail where was booked and released to jail staff. This ended my involvement with this incident.

Axon was on.

Upon arrival I spoke with Anthony J. Little Jr; M/B DOB:10/15/1989, who is an employee for Mr. Froggs. Anthony stated the female, later identified as Sarah M. George, F/W DOB:09/02/1982, was talking to another unknown male patron in the tavern when she got upset and threw her beverage in his face. Anthony stated he escorted her out of the business after she refused to leave. Anthony stated once Sarah was outside she began kicking on the front access door to the business with her heel. Original Narrative

12/22/2024 23:14:53

On 12/22/2024 at approximately 0115 hrs. I, Officer Biffert # 9139, was working routine patrol in the City of Appleton, Outagamie County. I was wearing my police uniform and driving marked squad 1041. At around 0115 hrs., Lt. Botz #9199 observed Joshua Howard walk into Mr. Frogs 409 W College Av. Appleton, WI 54911. Lt. Botz was aware of Joshua having warrants for his arrest. The warrants were subsequently verified to be valid with the Outagamie County Dispatch Center. I reviewed a photo of Joshua as well prior to making contact.

Myself, Lt. Botz #9199 and Officer Ballweg #9167 then made contact with Joshua inside Mr. Frogs bar. I walked behind and past Joshua while Lt. Botz made contact with him. I heard Lt. Botz tell Joshua that he had a warrant and that he was under arrest. It should be noted that Joshua was in between Lt. Botz and I at that time. Joshua started to lift his arm like he was going to put it in his pocket. I then grabbed Joshua's left arm and held it in an escort position. It should be noted that Joshua was pulling away and trying to free his arm at that time. Joshua was escorted outside. Once outside Joshua was informed to put his hands behind his back and not to resist. Joshua continued to try to pull his left arm away from me. This forced me to have to physically force his left arm behind his back. While this was happening, due to Joshua's resistant behavior, he was stabilized on a nearby electrical box. I was then able to force both his left and right hands behind his back where I placed handcuffs on him behind his back. Joshua was escorted across College Av. towards the Performing Arts Center. I checked the handcuffs for proper fit and safety locked them at that time. I then completed a search incident to arrest. I located a baggie of white powdery substance in Joshua's left front coat pocket. I located a WI DL with Joshua's information on it in his left front jeans pocket. Also, in his left front jeans pocket was \$963.08. I located multiple baggies of white powdery substance in Joshua's right front jeans pocket. Also in his right front pocket was an iPhone with a Kevin Durant phone case. All of Joshua's property was placed in a paper bag and released to Officer Ballweg at that time.

Joshua was then placed in the rear right seat of squad 1041 and secured with the squad seatbelt. It should be noted that the rear seat of squad 1041 was searched before and after transport. Joshua was then transported to the Outagamie County Jail. Upon arrival, Joshua exited the squad, and I grabbed his left arm to maintain custody of him while he was in handcuffs. Joshua became upset with me for holding onto him and thrashed his arm in attempt to loosen my grip. Officer Derge #9147 and I then had to force Joshua to walk into the jail by assisting him forward. Due to Joshua's uncooperative behavior, he was handcuffed to the wall hook within the booking room. Outagamie County Jail staff then responded downstairs and took custody of Joshua.

I requested the Outagamie County Dispatch Center to confirm Joshua's felony warrant out of the Appleton Police Department for Failure to Appear and a misdemeanor warrant from the Outagamie County Sheriff's Office for Failure to Appear. Both confirmation forms were attached to this report. While at the jail, a CCAP check was conducted on Joshua. Joshua had one open felony case ref

2024CF000458. Joshua had bond conditions stating that he shall not commit any crime. Also within the case was a misdemeanor charge of possession of illegally obtained prescription. The CCAP return was attached to this report.

I was then notified by Officer Ballweg that the individual baggies containing the white powdery substance field tested positive for cocaine and the weight including the packaging was just under 15g. Please see Officer Ballweg's supplement report for further details regarding details on the evidence.

In total, Joshua was observed walking into Mr. Frogs. It was verified that he had valid warrants for his arrest that we could arrest him on. Contact was made with Joshua. Joshua was escorted out and was able to drop a baggie of white powder out of his pocket while being escorted out. This was observed by Officer Ballweg. Joshua resisted arrest by pulling away from officers requiring officers to force his hands behind his back. Joshua had multiple baggies of cocaine individually packaged and separated by size in different pockets. Joshua also had a large amount of cash on him. Based on my training and experience, Joshua was charged with possession with intent to distribute cocaine. The money located and phone on Joshua was seized for evidence.

Supplemental Narrative

BALLWEG**

Officer Ballweg Reporting #9167:

On December 22nd, 2024, around 0115 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I operated a marked APD patrol car with the identification number #1039. I responded to 409 W College Ave, Mr. Frogs, Appleton, WI 54911, Outagamie County.

Officer Biffert #9139 and Lt. Botz #9199 knew that Joshua Howard was inside of the establishment, and he had warrants for his arrest.

I walked into Mr. Frogs with the other officers and positioned myself in a way that allowed me to view Officer Biffert and Lt. Botz make contact with Joshua at the bar. I could not hear what was said due to my distance, but I saw them lead Joshua outside. I was further behind them and as they took Joshua out the front door, I observed his right hand go into his right jean pocket. His hand was bladed when it entered the pocket. He then immediately withdrew his hand, and I saw it was now in a fist. He then opened his hand and dropped something onto the ground. I was right behind them at that point and saw that it small plastic baggie Joshua had dropped. I picked up the baggie and observed a white powdery substance inside of it. I maintained scene security, while Officer Biffert and Lt. Botz took Joshua into custody. Several people approached and were upset that we had arrested Joshua.

Joshua was walked toward Officer Biffert's squad and a search was conducted by Officer Biffert. Officer Biffert showed me he had located similar baggies of white powder on Joshua's person. Officer Biffert also located \$963.08 on Joshua's person. I collected the items located and transported them to the police department. The items were placed in a paper bag and remained in the paper bag until I arrived at the police department. At that point I laid out all of Joshua's personal property. The items were the following: One Breeze Vape device, a set of car keys, a WI DL for Joshua Howard, one black iPhone 14 or 15, \$963.08, glasses and four tied off baggies containing an unknown white powder. The four baggies matched the baggie that Joshua had dropped on the ground.

The \$963.08 was made up of three \$100, one \$50, Twenty seven \$20, six \$10, two \$5, two \$1. There was also three penny's, one nickel and four quarters. I counted the money and it was when counted and confirmed by Officer Biffert.

I utilized the TruNarc Handheld Narcotics Analyzer to test the unknown white powder. I performed a self-check (5217). I then tested the largest bag of the white powder, which weighed 5.99 grams with packaging. The bag tested positive for Cocaine (5218). Another self-check was completed (5219). All testing was conducted according to my training. The other four bags of Cocaine weighed: 1.48 grams, 1.75 grams, 1.72 grams, and 3.75 grams. The total weight of all the baggies weighed 14.70 grams. I informed Officer Biffert of my findings.

The five individual packaged baggies of Cocaine and amount of money that Joshua had on his person led me to believe that he was selling the Cocaine. Joshua also tried to drop one of the baggies, which showed that he knew the bags contained an illegal substance that he did not want us to find on his person. The Cocaine, \$963.08 and the phone were logged into evidence. The rest of the items were placed in Joshua's property at Outagamie County jail. I will be writing a search warrant for Joshua's phone.

LIEUTENANT BOTZ REPORTING #9199

On 12/22/2024 at approximately 0115 hours, I was working as a fully uniformed Patrol Lieutenant for the Appleton Police Department. While working in this capacity, I observed a male who I knew from prior Law Enforcement experience to be Joshua Howard enter Mr. Frogs located at 409 West College Avenue in the City of Appleton, Outagamie County, Wisconsin. I was aware Joshua had

active warrants out for is arrest. Officer Biffert was with me at this time and I informed him of Joshua and his active warrants. Officer Biffert began arranging other units to respond to assist while I confirmed with the Outagamie County Dispatch Center that Joshua still had active warrants out for his arrest. Joshua's warrants were confirmed to still be active.

Officer Biffert, Officer Ballweg and I entered Mr. Frogs where we were able to locate Joshua. I made contact with Joshua and told him he was under arrest due to his active warrants. Initially, Joshua was hesitant to want to exit the bar and stated he did not have any warrants. I again told Joshua he was under arrest. It was at this time I observed Joshua begin to try and use his left hand to reach for something inside his front left pants pocket. I told Joshua to stop reaching for things and to exit the bar with Officers. I grabbed Joshua's right arm to begin trying to escort him out of the bar. Due to the large amount of people who had surrounded us and were watching what was occurring, I let go of Joshua's right hand to turn my body around to begin leading Joshua and other Officers out of the bar. Prior to letting go of Joshua's right arm, I confirmed Officer Biffert maintained control of Joshua's left arm.

Once Joshua and Officers were outside, I again gained control of Joshua's right arm. It was again verbalized to Joshua that he was under arrest and for him to bring his hands behind his back. I was able to transition Joshua's right hand to the small of his back where he was then properly handcuffed. During this process, I heard Officer Biffert tell Joshua to stop resisting. Once Joshua was handcuffed, he was walked to a nearby squad car. Prior to being placed in the squad, Officer Biffert completed a search of Joshua. I remained on scene until Joshua was fully searched and placed in the back of a squad car. At that time, I had no further involvement with this incident.

Officer Ballweg Supplement #9167:

On December 23rd, 2024, around 0610 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I operated a marked APD patrol car with the identification number #1039. I went to the Outagamie County Jail to attempt to speak with Joshua Howard. Joshua was still in a booking cell as he had not spoken to correction deputies since he had been booked in.

I spoke with Joshua through the serving door of the cell. I explained to him why I was there and informed him that I had seized his phone and would be writing a search warrant for his phone. I asked if he would provide me with the password for the phone. He refused. I asked if he was interested in me reading him Miranda to talk about the incident and he told me he did not want to speak to me. I did not speak with him further.

On 12/28/2024 I, Forensic Evidence Specialist Falyenne Gerisch, was asked by Ofc Ballweg to complete a fentanyl test on the substance from item 2. Based on information he received; he wanted to see if there was fentanyl present.

I retrieved item 2. I completed the fentanyl field test that utilizes a swab, a buffer solution and a test strip. When opening item 2, there were 5 baggies present with a white powdery substance. 1 of the baggies appeared to have a more yellowish appearance. I selected that one and the larger bag with white powder to field test. I laid down a clean sheet of butcher paper in the fume hood before beginning. I also changed gloves between each test.

The following is the process of how these 2 baggies were tested: I opened the baggie, placed the swab into the buffer solution to wet the swab slightly, then dabbed up some of the substance from inside the baggie. The swab was placed into the buffer solution and left to sit for a minute. Then the test strip was placed into the buffer solution. After a short time, I removed the strip. Looking at the strip, it had 2 lines on it. According to the key, 2 lines indicates a negative result. This was the case with both tests that I completed.

Mobile detect results will be attached. Ofc Ballweg was informed of the results.

Original Narrative

12/26/2024 06:06:19

On 12/26/24 at approximately 01:17 hours, I, Officer Looker 9170, was dispatched to Mr. Frogs at 409 W College Ave for a male that was laying outside that business that needed an ambulance. Upon arrival, I found Tracy Bass on his knees outside the entrance to Mr. Frogs. Tracy had a red substance that appeared to be blood, based on my police training and experience, on his snow pants and hands. Tracy was holding his hand out and I saw that his middle finger on his right hand had a open wound and had what appeared to look like bone showing.

I requested a medic, and medic 7 took Tracy and brought him to St. E's.

Officer Derge 9147 spoke with the bouncer, Jaron Cashaw, and Mr. Frog's employees. Officer Derge 9147 also received video surveillance footage from bar staff of the disturbance between Tracy and Jaron. Please see Officer Derge's 9147 supplement for more information.

Officer Derge 9147 showed me the video surveillance footage. In the footage, Tracy is seen entering the bar and the bouncer, Jaron, was attempting to escort Tracy out. Tracy then used an open palm to strike Jaron near the face region. Jaron then "threw" Tracy out of the bar, where Tracy then hurt his hand.

Please see Officer Derge's supplement for information on his conversation with the bouncer, Jaron.

Based upon the video surveillance footage, the information provided by Officer Derge from Jaron, I cited Tracy an ordinance violation for Disorderly Conduct. I noticed Tracy was on probation and had several rules:

[REDACTED]

Tracy broke DOC rule SP 014 DV as he engaged in physical behavior that was violent in nature, SP 023 SU - as he was on the premise of an establishment whose primary purpose was the sale or distribution of alcohol, including but not limited to bars, taverns, liquor stores, and beer tents. I called DOC After Hours who requested a hold on Tracy.

I went to St. E's and advised Tracy of his Disorderly Conduct ordinance violation and of his probation hold. Tracy's finger was taken care of by medical staff, and he was medically cleared. I placed handcuffs on Tracy in the front due to his finger injury, and checked them for fit. I then safety locked the handcuffs. I searched Tracy prior to placing him in the back of my squad. Nothing was found on Tracy. I transported Tracy to OCJ where he was transferred over to jail staff.

CASE STATUS/DISPOSITION:
CAA

ARREST/CUSTODY STATUS:
Tracy Bass was confined at OCJ for a Probation Violation. I provided Tracy a Disorderly Conduct ordinance violation.

OFFICER DERGE #9147 SUPPLEMENT:

On 12/26/2024 at approximately 0117 hours, I, Officer Derge #9147 with the Appleton Police Department, responded to Mr. Frogs, located at 409 W College Ave, Appleton, Outagamie County, WI, for a 911 misdial. The RP, later identified as Tracy Bass, reported he had been at a bar on college and was pushed down. Lt Botz #9199 advised he observed on traffic camera footage a male on the ground outside of the bar.

Upon arrival, I observed Tracy sat near the stairs to the entrance of Mr Frogs. I noticed Tracy had been bleeding from his right hand. His middle finger appeared to be out of place, there was a 1 inch laceration was bleeding, and there was swelling around the injury location. Medical was requested at that time. I then turned my attention to a male, identified via WI ID as Jaron Cashaw, who stated he was the bouncer working.

Jaron informed me Tracy had come to the bar an hour prior and was denied entry as he did not have an ID. Tracy later entered the bar without Jaron's knowledge. When Jaron noticed Tracy in the bar, he told Tracy to leave. Tracy refused to leave. Jaron escorted Tracy by his arm. Tracy began to resist this action to guide him out of the bar. Tracy then began to grab at Jaron. When they were near the front door, Tracy pushed Jaron's face with an open hand. Jaron then pushed Tracy out of the business.

Jaron stated Tracy did not cause him pain. Jaron did not wish to pursue charges. Jaron provided camera footage of the incident. The camera footage was consistent with Jaron's statement. Video was obtained and uploaded via Axon Capture.

Tracy was brought to St Elizabeth's Hospital where he was treated for his injuries. While at the hospital, I assisted Officer Looker #9170 in taking Tracy into custody where he was later transported to OCJ for a probation violation.

Officer Ballweg Reporting #9167:

On February 16th, 2025, around 0137 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I operated a marked APD patrol car with the identification number #1015. I was on foot at the intersection of W College Ave and N Division St in Appleton, WI 54911, Outagamie County. Officer Berens #9183 and I observed a crowd starting to form in front of 409 W College Ave, Mr. Frogs, Appleton, WI 54911, Outagamie. We could hear people in the crowd talking

about fighting.

We walked over toward the crowd, and I was able to identify [REDACTED] and [REDACTED] based on prior incidents. [REDACTED] and [REDACTED] appeared to be trying to get people in the crowd to walk away from one another. Once we were next to the crowd, [REDACTED] asked me to have a female, later identified as Clea Bowden, walk away from the rest of the people. [REDACTED] told me that Clea was trying to fight other people in the crowd. I requested that [REDACTED] and [REDACTED] have the people they were with walk away and [REDACTED] refused to do that. I spoke with Clea and asked her to walk away from the group. Clea asked if I could give her the names of the people in the group. I explained to Clea that I could not give her that information and asked her to walk away from the scene to avoid an escalation of issues. She then asked what would happen if she would "demolish" the other individuals and I informed her that she would then be arrested if she started a physical fight.

The other people kept arguing and continued to yell about Clea. Clea and another female started to walk toward each other, so I put myself between them and put a hand on Clea's shoulder to keep her away from the other female, since Clea had already made the statement regarding "demolishing" the other individuals. I continued to tell Clea to walk away and Clea stepped back from me and the other people. I then watched her plant her feet, remove her jacket and drop it to the ground. As she did that, I saw her staring over my shoulder at the female that had been arguing with her. Clea started to walk toward me while staring at the other female. Based on Clea dropping her coat and doing what I knew to be a thousand yard stare, both of which was pre-attack postures, I believed Clea was going to assault the female. I grabbed Clea by both her shoulders and stepped in front of her. She continued to try to push past me and turn her shoulders, which I believed was her attempted to break my grip. I then started to push her back and she continued to try to move forward. At that point, I could hear louder yelling behind me and was concerned about other individuals involving themselves. I determined that I would be unable to effectively detain Clea while she was standing, since she was not cooperating with me. I put my right foot behind her legs and utilized a modified leg wheel to decentralize her. As I did that my left foot slipped on ice and snow that was on the sidewalk. Clea landed on her back, and I landed on my right side. Officer Beren's and I were able to move Clea to her stomach and attempted to bring her arms behind her back, while giving her commands to put her arms behind her back. Clea straighten her arms and originally prevented us from placing her arms behind her back. We were eventually able to get her arms behind her back, but I could feel that her arms were tensed the entire time.

Clea was secured into handcuffs, and the handcuffs were checked for fit and double locked. Clea told me that she had been attacked and that she did not do anything. Clea had not mentioned being attacked when I was asking her to leave the area. We stood her up and started to walk her to a squad across the street. The other involved female left the area while officers were with Clea. I informed Clea that she was under arrest. Clea told us that her knee was injured and then started to limp. She had not been limping prior to that. We asked if she needed medical attention, and she requested an ambulance. I wanted to remove Clea from the avenue to prevent any further issues, so Gold Cross was requested to meet us at the Appleton Police Department. I searched Clea and she was placed in my squad car. Clea's property was held by Officer Allen #9134. I transported Clea to the Appleton Police Department.

While at the police department, I asked Clea to identify herself and she originally refused to do so. There was no form of identification located in her property. Clea told me her identification had been stolen. Clea eventually verbally identified herself as [REDACTED]. She provided an address that matched the DOT return for [REDACTED] which had been updated in 2024. The DOT was similar. It was later discovered that Clea was not [REDACTED] and had falsely identified herself. Clea made several statements about how officers would burn for what they were doing. She informed us that it was a promise. Clea also explained that she had been attacked inside of Mr. Frogs. She had been struck three times. Clea was unable to provide any specific information regarding that incident.

Medical services arrived to assess Clea and Clea explained that her knee was out of place due to the incident. Medical applied pressure to Clea's knee and she did not react. Medical asked her what injury she had, since she was not reacting and she became uncooperative with and refused further treatment. I transported Clea to the Outagamie County jail. When walking her into the booking

room, Clea was walking without issue and attempted to pull away from me again. Clea did not start limping again until after the handcuffs were removed. Clea was originally confined under the name of [REDACTED]

Shortly after that, I was contacted by correction deputies, who informed me that Clea was not [REDACTED]. There had been several people call the jail asking about a Clea and when talking on the phone Clea said "It's Clea, I mean [REDACTED]". I reviewed a prior booking photo for Clea and Clea's Facebook <https://www.facebook.com/Itzmebytch>. Correction deputies and I agreed it was actually Clea. Clea was on parole. I contacted the after-hours and advised them of the situation. After-hours advised that Clea would be placed on a hold.

On February 16th, 2025, around 1930 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I operated a marked APD patrol car with the identification number #1015. I attempted to contact [REDACTED] to see if she had given Clea consent to falsely use her information. I was unable to get in contact with [REDACTED] by the phone numbers that I located for her. I left voicemails and will wait for a response.

The camera footage of the incident on Avigilon and Alta Aware was bookmarked and logged into evidence.

Officer Allen #9134 had completed his supplement and ended his shift before Clea was correctly identified. When he referred to [REDACTED] in his supplement, that was actually Clea.

On Sunday, February 16, 2025 at 0135 hours, I, Officer Charles Allen 9134, was assigned to the College Avenue detail from 2200-0300 hours, in a marked squad car, and body camera activated. I was standing in the 400 block of W. College Avenue near a group of people. There was a black female, wearing a black jacket and black hat standing near the group and the group had indicated they wanted her to walk away from them; the female was later identified as [REDACTED]. At one point, the group had someone trying to keep the parties separated and Officer Ballweg had tried talking with [REDACTED] and the group to keep them separated. [REDACTED] then started to walk towards the group and Officer Ballweg stepped in between. [REDACTED] then took off her jacket, in what appeared to be a

Officer Ballweg Reporting #9167:

On March 1st, 2025, around 2115 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I was operating my marked patrol squad #1015. I responded to 409 W College Ave, Mr. Frogs, Appleton, WI 54911, Outagamie County. I had received a request for follow up from the Outagamie County District Attorney's office. They were requested I check if Mr. Frogs had any camera footage of the incident.

I spoke with a staff member, who informed me that the only person able to view the cameras was Sandra Munoz. While I was at the establishment, I observed that there did not appear to be any cameras inside of the building that were pointing outside and the exterior camera at the front appeared to be pointed away from the sidewalk and back toward the interior of the building. I called Sandra and she informed me that she did not have access to the cameras and provided me with the information for Vanessa Alvarado. Vanessa was the owner of the establishment and would be able to review footage with me.

I eventually spoke with Vanessa, who informed me that she was the only one with access to the cameras. They saved the camera footage for approximately one month. She went on to explain that she would not have a good time that she would be able to review the camera footage with me and also mentioned that there were not any cameras that would have shown the sidewalk in front of the business. The only exterior camera was angled toward the front to make sure that bouncers were checked identification. I sent her an AXON community upload link and requested that she send all of the camera footage from 0130 till 0140 hours for 2/16/25. She informed me that she would upload the footage when possible. Once the footage is uploaded a further supplement will be completed.

Vanessa and Sandra were identified verbally over the phone.

On March 5th, 2025, around 1900 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I was operating my marked patrol squad #1015. I had received confirmation that Vanessa had uploaded three videos via the Axon Community Link. I reviewed that videos and saw that the videos were from 0130, 0145, and 0200, on February 16th, 2025. The videos are not able to capture any of the disturbance outside of the bar. The camera at 0130 hours showed [REDACTED] and [REDACTED] speaking with the unidentified female that had later left the scene. Clea was not seen in the camera footage provided.

Narratives**Original Narrative****03/06/2025 02:57:45**

Officer Ballweg Reporting #9167:

On March 3rd, 2025, around 0208 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I was operating my marked patrol squad #1015. I was dispatched to 409 W College, Mr. Frogs, Appleton, WI 54911, Outagamie County for a physical disturbance taking place outside of the establishment. One of the people was being kicked and it was also in the middle of the roadway. Due to the nature of a physical disturbance, I responded to the scene with my emergency lights and my siren active. As I was arriving at the scene, Officer Basak #9124 informed responding officers that the individuals involved were going back into to the bar. I

believed it was likely that individuals would attempt to flee from the back door of the bar. I pulled into the alleyway behind the bar and did not locate anyone.

Officer Geurts #9208 and I walked into the bar and made contact with Michael Jimenez. He was in the bathroom of Mr. Frogs and after several knocks on the door, he walked out. I observed that Michael's collar appeared to be torn. We asked Michael to speak with us and he started to walk away. We told him to identify himself and he continued to walk away. Michael was placed into handcuffs and Officer Geurts removed him to the bar. See Officer Geurts supplement.

Officers had everyone else remain inside the bar. We identified [REDACTED], Mario Perez, Rolando Lima Pedraza, [REDACTED] and Michael Mason. The bartender was Nayeli Tierrablanca.

[REDACTED] informed officers that he was waiting for Nayeli to be done with work because he was taking her home. He had not been involved in the disturbance and did not really know why it had occurred. [REDACTED] would later be released without any citations.

Rolando and [REDACTED] did not provide a statement as to what happened.

[REDACTED] and [REDACTED] originally stated that they were in the bathroom and did not see the disturbance. They had been coming out of the bathroom as I walked into the bar. After reviewing camera footage, it was determined that [REDACTED] and [REDACTED] were not actively fighting but had observed the entire fight. [REDACTED] had been recording the disturbance on her phone, which I could see on the traffic camera footage. I confronted [REDACTED] about the footage, and she informed me that she had deleted the video. I continued to speak with her about it and she refused to show me the video footage on the phone. I advised that I knew she was not actively involved, I just wanted to get all the footage of the disturbance. She continued to refuse to provide me the footage. I informed her that I would seize her phone and write a warrant for it, if she refused to provide us with the footage. At that point she was willing to show us the footage on her phone. [REDACTED] was observed in all of the footage attempting to separate the involved parties.

Officer Felmer #9114 and I had spoken with [REDACTED] and eventually took him into custody for an unrelated warrant. The warrant was documented under A25009722.

At that point, I reviewed the Alta Aware footage from the camera on N Division St. The following was observed.

A male, later identified as Joseph Nieto, walks out of the bar. He took off his jacket and throw it away from himself. He then turned around toward Michael, who can be seen following him out of the bar. Michael appeared to swing at Joseph as Joseph swung at Michael. They started to fight, and Joseph fell to the ground. Michael gets on top of Joseph and continued to hit him as Mario and Rolando inserted themselves into the fight. They originally appeared to be trying to pull Michael away from Joseph, but as they are fighting on the ground, Mario kicked at Joseph's back. They eventually got back on their feet. Joseph had a hold of Michael's shirt, which was likely why it was stretched out. Rolando and Mario are holding Joseph and continued to pull him away from Michael. Michael hit Joseph several more times and then they separated. Nayeli was also outside and appeared to be telling Joseph to walk away. Joseph continued to point toward Michael, Mario and Rolando. Suzette pulled Rolando back toward the front door and eventually everyone except Joseph goes back inside. Joseph then went back to the front door, and it appeared that he yelled into the bar.

Mario and Rolando come outside of the bar again. Rolando took off his shirt as Mario and him continued to approach Joseph. Joseph backed into the street and Michael also exited the bar. Joseph then punched Mario in the face and started to swing at Rolando. Michael took off his shirt and Michael, Mario and Rolando started to hit Joseph. Joseph eventually fell to the ground and Michael continued to hit him. It appeared that Rolando was talking to Joseph and Joseph hit Rolando. Joseph and Rolando threw several more punches at one another. All parties eventually separated, and Joseph was the only one outside of the bar as law enforcement arrived.

Based on the videos, I determined that Mario, Rolando, Michael and Joseph would all be receiving citations for their actions in the disturbance. They all appeared to be mutual combatants in a physical disturbance that took place on the avenue. I spoke to Joseph about the incident.

I observed a cut above Joseph's left eye. I asked if he wanted medical attention, and he informed me that he did not. I asked if he wanted to press charges, and he said yes but then told me that he did not want to be involved in the incident. He confirmed that no consent was given, and he felt pain. He wanted the other parties to know not to mess with him if he saw them again. I explained that if Joseph wanted to not be involved then all parties would be receiving citations, himself included. Joseph claimed that he was attacked by Mario, Rolando and Michael, so he did not understand why he was receiving a citation as well. I asked him to explain to me why he had walked out of the bar first and took off his jacket. Joseph would not answer my question and kept changing the conversation. Eventually, Joseph asked if I had wanted him to get beat up inside of the bar and that he had left the bar to fight outside. I had nothing further for Joseph and he still did not want medical attention. I advised him that he was free to leave.

I then spoke with [REDACTED]. [REDACTED] was the original caller and had been watching the disturbance from down the street in his car. [REDACTED] had informed Dispatch that the heavysset man, Joseph, had been the primary aggressor when they were outside the bar.

I assisted Officer Geurts with transporting Mario to Outagamie Jail for his warrant. Mario explained the whole disturbance had started because Joseph was speaking down to Mario, Michael and Rolando. Joseph was also buying everyone drinks, but then trying to talk to [REDACTED] who was with Rolando. Joseph then started to brag about how much money he made and was instigating a fight.

All Avigilon and Alta Aware footage was bookmarked and uploaded to evidence. After reviewing the footage, Mario, Rolando, Mario were all issued citations for Disorderly Conduct Battery AC 10-9. Joseph received a citation for Disorderly Conduct AC 10-9.

I called and spoke with Vanessa Alvarado, the license holder for Mr. Frogs and the individual who had access to cameras. She informed me that she would upload the camera footage via the Axon Community link. A supplement will be added once that is completed.

OFFICER FELMER 9114 REPORTING:

On Monday, March 3, 2025, at 0208 hours, I, Officer Felmer, working in full uniform, operating a fully marked patrol vehicle #1032, assigned to the Southern District, with the Appleton Police Department, responded to Mr. Frogs; 409 W College Avenue, in the City of Appleton, Outagamie County, WI for a disturbance. Dispatch notes indicated there was an in progress physical fight with 4-5 men in the middle of College Ave.

Due to the nature of the call, I activated my emergency lights and siren and proceeded to the area. While responding, Officer Basak confirmed there was people fighting still.

Upon arrival, I observed a male standing outside on the sidewalk with blood on his face and appeared to be involved in the fight. Officer Basak was speaking with that male and advised that the others involved returned inside of Mr. Frogs. Officer Reader and I then entered the bar; while entering, I observed a few people still inside the bar and advised other Officers responding, to respond to the rear of the bar incase the others fled through the back door.

I then began identifying the party's in the bar and attempted to gather who was involved. I identified 3 party's, Mario Ruben Perez, Rolando Aldo Lima Pedraza, and [REDACTED]. Mario was identified via his passport, Rolando was identified via Mexico ID, and [REDACTED] was identified via Wisconsin DL. While gathering their identity's, I observed on the sleeve of Mario's flannel shirt, some red substance, of which I believed of blood. I asked Mario about that and asked to see his knuckles to determine if he was involved. I did not observe any redness on Mario's knuckles. Mario denied being involved and advised he was trying to break up the fight.

After identifying several party's, I returned to my patrol vehicle to watch Avigilon traffic cameras as it was being reported that the fight occurred outside of Mr. Frogs on the sidewalk. Upon observing the camera's, I observed Joseph Nieto exit the bar and take his jacket off and throw it on the ground before turning around and "squaring" up with Michael Jimenez. Joseph and Michael then began striking each other and while this was occurring, several others exited the bar and began striking what I believed to be Joseph. Due to the "scrum" that occurred, it was difficult to see who was striking who. Once I determined that all party's had an involvement in the disturbance, I relayed this to Officer Ballweg.

I stood by until dispatch advised me that Mario had a warrant through the Appleton Police Department. I then went over where Mario was seated at the bar and requested, he stand up and placed him in handcuffs advising him that he had a warrant. I then escorted Mario out of the bar and to my patrol vehicle where I conducted a search of his person, not locating anything of evidentiary value. Mario was cooperative and I secured him in the rear of my patrol vehicle.

Officer Hruby then stood by maintaining visual of Mario.

Once it was determined that all party's would be receiving citations for their involvement in the disturbance, I transferred Mario to Officer Geurts patrol vehicle due to my shift ending. See Officer Geurts supplement for further information on the transport of Mario to jail.

This concludes my involvement in this case.

SUPPLEMENTAL REPORT

On 03/03/2025, I- -Officer Joseph Basak #9124- -was working as a fully uniformed Police Officer for the City of Appleton. I was working the 19:00 to 03:00 patrol shift, assigned to the Southern District, and operating fully marked patrol squad 978. At approximately 02:08, numerous units were dispatched to Mr. Frogs; Located at 409 West College Avenue, City of Appleton, Outagamie County, Wisconsin, 54911, reference a physical fight between four to five people. Additional call notes indicated one person was getting kicked.

At the time of dispatch, I was at the intersection of South Superior Street and West College Avenue. Due to my close proximity to this incident and the severity, I activated my emergency equipment and responded to the location. While westbound on West College Avenue, I observed numerous individuals still engaged in a physical altercation. As I approached North Division Street, the subjects returned inside. At this time, other units were arriving with me. As I exited my squad car, I observed a male walk towards Officer I. Hruby #9190, who was parked on West College Avenue, just west of North Division Street. I observed that the male was bleeding from his left eye. I identified the male via a Wisconsin Driver's license as ADULT OFFENDER Joseph Nieto. I asked Joseph if he wanted medical attention at which point he advised he was fine. Since Joseph's eye looked like it was cut, possibly in need of stitches and relatively severe, I asked Joseph another time if I could request an ambulance for him. Joseph again denied any medical treatment.

Since other units were interviewing other parties involved, I began to speak with Joseph. Joseph mentioned that he had spent approximately \$200.00. Joseph told me he was buying drinks for everyone. Joseph mentioned he had purchased drinks for girls at the bar but he also purchased drinks for there guys. Joseph explained multiple people were fighting with him. Joseph told me that he was also kicked. Joseph mentioned he was able to knock down a couple and seemingly was able to hold his own. Joseph continued to repeat that he was worried about getting knocked out because he did not know what would have happened to him if he was knocked out. Joseph also brought up the fact that he had a wife and children.

I stood by with Joseph while he continued to speak with me reference being able to hold his own and getting attacked by numerous individuals. Officer M. Ballweg #9167 was able to speak with him. Once Officer Ballweg finished

speaking with Joseph, I cleared from this incident.

My Axon BWC was activated throughout this contact.

Supplemental Narrative

03/07/2025 04:58:43 9208 OWEN GEURTS

On 03/03/2025, I, Officer O Geurts 9208, was working as a sworn Police Officer for the City of Appleton. I monitored a call for a disturbance at Mr. Frog's, in which 4-5 men were physically fighting.

I arrived on scene and entered the bar. I noted that the men's bathroom was locked and am aware that they only lock from the inside. I knocked on the door several times to get the person inside to come out. The individual inside had blood on his hands and a ripped shirt collar, as though they had just been involved in a fight. The male was detained, and identified by WI DL as Michael Jimenez.

I took Michael out to a squad car to speak to him. I asked Michael if he was injured. He stated that he was not injured and then proceeded to inform me that he was attacked by a "chubby" male. This male hit Michael and others in the face, according to Michael. Michael then began to complain of rib pain. I again asked Michael if he would like an ambulance to come and check him out. He denied medical. Michael then went on to say that the other male was "causing problems" but he and his friends did not want to get involved. Then the male just started hitting them. Michael then expressed confusion as to why he was getting arrested because it was all "the other guy". I then asked Michael to point out the individual that struck him and his friends, and he identified a male speaking with Officer Basak 9124. Michael then advised that he tried to "separate" the people who were fighting. It should be noted that I noted a strong odor of intoxicants coming from Michael, and he was slurring his speech. It should be noted that the only questions I asked Michael were regarding his injuries, and to identify the individual that struck him. This was all the information that Michael provided.

I then assisted with transporting a male who had a warrant to jail. After this was completed, I had no further involvement in this case.

Officer Ballweg Reporting #9167:

On March 3rd, 2025, around 0208 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I was operating my marked patrol squad #1015. I had responded to 409 W College Ave, Mr Frogs, Appleton, WI 54911, Outagamie County. I was there for the disturbance that was documented under A25009721. While investigating the disturbance, I was made aware of an ordinance violation.

The bartender for Mr Frogs, Nayeli Tierrablanca, had people inside of the establishment past 0200 hours. After reviewing Alta Aware and Avigilon Camera footage, it showed that people were still inside of the establishment after 0200 hours. The footage was uploaded to evidence. The physical disturbance under A25009721 did not take place until 0207 hours. Video showed the individuals involved coming out of the bar at that time to fight. Several of them were then brought back into the bar by Nayeli. I spoke with Nayeli and she informed me that the disturbance had taken place outside of Mr Frogs, so the establishment could not be held accountable for the situation. Nayeli also informed the patrons inside to tell officers that the entire disturbance had taken part outside, so that "It could not be used against Frogs."

After officers confronted Nayeli about the open after-hours violation, she explained that the disturbance had started inside of the bar, and she was unable to remove the patrons on time because they were being disruptive. When asked why she did not call the police to remove the

patrons before violating the ordinance, she did not have an answer. Lt. West #9119 also spoke with Nayeli and determined that she was intoxicated while working.

On March 5th, 2025, around 2000 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I was operating my marked patrol squad #1015. I contacted Vanessa Alvarado to speak with her about the ordinance violation. Vanessa was the license premise holder for the establishment. I spoke with Vanessa over the phone. She wanted to know if they would be cited for the open after-hours AC 9-52(4). I explained that they would likely receive a citation, but I wanted to review the cameras from the inside of the bar before I issued one. I wanted to see if Nayeli had been honest about the disturbance occurring inside, which was why she was unable to remove the patrons prior to 0200 hours. Vanessa informed me that she would send me the camera footage to review. I also informed Vanessa that Nayeli was intoxicated at time of contact, which Vanessa had not been aware of. Vanessa informed me that Nayeli typically worked on Saturday nights. I asked if Nayeli knew that the bar had to be shut down by 0200 hours on Mondays and Vanessa stated "No, we told her, we told her, she's just not the brightest."

I will wait for Vanessa to send me the camera footage before issuing a citation.

Officer Ballweg Reporting #9167:

On March 10th 2025, around 1527 hours, I, Officer Ballweg #9167, was working uniformed patrol for the City of Appleton Police Department. I wore a complete police uniform with all required gear, such as an APD police badge on my chest to identify me as a Police Officer and a department-issued Axon body-worn camera. I was operating my marked patrol squad #1015. I was notified that Vanessa had uploaded the requested security camera footage from the interior of Mr. Frogs. I reviewed the two videos that had been uploaded.

The first video started to record at 0203 hours. It would have already been passed the hours that the bar was allowed to be open. Majority of the patrons could be seen sitting at the bar and talking. Nayeli was observed placing something in front of one of the patrons but does not appear to be asking any of them to leave. There are also no signs of a disturbance taking place inside except for arguing by some patrons, but Nayeli did not appear to be attempting to break that up.

The second video also started recording at 0203 hours on March 3rd, 2025. That video showed the interior of the bar and most of the parties involved in the disturbance are observed outside. They then make their way back into the bar as law enforcement arrived and could be seen running around the interior and toward the back door. The actual time was not shown on the footage, but based on the traffic cameras, it was likely after 0208 hours.

Due to what was observed in the camera footage, I determined that a citation would be issued for

open after hours. Mr. Frogs still had patrons inside and was making no effort to have the patrons leave despite it being after the allowed hours of operation. Nayeli's statements to officers about not being able to shut down on time due to a disturbance inside also does not appear to be the case.

Original Narrative

On Sunday, 03/23/2025, I, Officer Reader #9171, was working as a fully uniformed patrol officer for the City of Appleton Police Department. At approximately 01:54 hours, I was working the College Avenue Detail when I heard Lieutenant West call out a disturbance at Mr. Frogs (409 W College Ave). When I arrived, Lieutenant West escorted a female towards a patrol vehicle. She was later identified as Olivia Alanis-Torrez (F/W DOB: 12/25/2000). I assisted by stabilizing Olivia against a patrol vehicle unit Lieutenant Meyer secured her in handcuffs. I then escorted her to Officer Waters's patrol vehicle and seated her in the back.

I attempted to interview Olivia about what had happened. However, she appeared heavily intoxicated and unclear about specific details. The following is what I gathered from my conversation with her and others on scene. Olivia was in Mr. Frogs with her friend, [REDACTED] when she went to the bar to see if they had her purse. The bartender, Nayeli Teirrablanca (F/W DOB: 08/19/2003), informed Olivia that no purse had been found matching her description. The argument about the purse caused the bouncer, Steven Wells Jr (M/B DOB: 08/21/1996), to assist Olivia out of the bar.

I reviewed traffic camera footage of this, and it looked like as Olivia was being removed from the bar, she tried punching Steven. Another male who was not identified was pushing Olivia away from the entrance area, and Olivia looked like she tried to strike this male as well.

Olivia was with [REDACTED] during this incident. But after watching the traffic camera footage, it appeared like she was separated from Olivia early in the disturbance. Shortly after Olivia was removed from the entrance area, I could see on the camera that a male wearing black approached her. Olivia then used her right hand and struck this person in the face. The male who separated her initially, along with a security guard, took hold of Olivia and brought her to Lieutenant West. During

my investigation, I learned that Olivia had two active warrants for her arrest. She was transported to Outagamie County Jail by Officer Waters. See A25013471 for further. Because Olivia engaged in violent behavior that appeared to provoke a disturbance, I mailed her one citation for AC 10-9 Disorderly Conduct. The traffic camera video was uploaded to Evidence.com via Axon Capture.

Original Narrative

On April 26th, 2025, I, Officer Waters 9128, was working as a fully uniformed Officer for the City of Appleton Police Department working the Downtown College Ave Detail. I was positioned at the intersection of N Division St and W College Ave within my marked patrol vehicle facing 409 W College Ave; Mr Frogs. I saw that a verbal disturbance was erupting outside of this bar as the bouncers were kicking a group of females out. I began approaching as this verbal disturbance transpired. As I was approaching, the group of females began throwing punches at each other. I began running toward this group and pulled one of the females off of the other as other Officers pulled the other female away.

I then pulled the female I had pulled away to the side of one of the nearby buildings. I asked her to explain to me what had happened while identifying her. The female appeared distressed as she was crying and appeared injured. She showed me her tooth where it appeared chipped and potentially damaged beyond that. This female was identified verbally as Emma Seymour (DOB: 02/16/2000). Emma had explained to me that she had been minding her own business before her cousin attacked her outside of the bar. Emma later identified her cousin as Anna Popovich (DOB: 03/08/2003).

I asked Emma why her cousin hit her. Emma said she did not know. Emma said that she had been caused pain without consent as a result of the injuries caused by Anna. Emma claimed to have not thrown any punches back at Anna. Additionally, Emma said that she did not want to be a victim of this incident. I then regrouped with other Officers. I was informed that Anna stated she had been in the bar when Emma was making claims that Anna was a bad mother. This began an argument which transpired outside of the bar. A fight ensued between the two shortly after. I was also informed by other Officers that camera footage existed of the incident. I watched this camera footage and it showed that Anna threw the first punch before a total of 4 females began hitting each other.

Two of the females remained on scene while others fled. It appeared in the video that both Anna and Emma were throwing punches at each other after the first punch had been thrown. Neither Emma nor Anna had any interest in pursuing charges against one another. I asked other Officers to search for the other involved parties. They were unable to locate them. Due to the mutual combatants within this situation, acting in a loud and boisterous manner within a populated area, I made the decision to charge both parties with Ordinance Disorderly Conduct. I created citations for both Anna and Emma and issued them accordingly.

I later logged the traffic camera into Evidence and ended my investigation.

SUPPLEMENTAL NARRATIVE:

On Saturday, 4/26/2025, at 00:52 hours, I, Officer R. DiFrancesco (9201) was working as a sworn Patrol Officer for the City of Appleton Police Department. On the above date, I was working the College Ave. detail from Friday, 4/25/2025 at 22:00 hours to Saturday, 4/26/2025, at 03:00 hours. I was working this detail with Officer W. Waters (9218). On the above date and time, we in a marked squad parked on N. Division St. at W. College Ave. facing south towards the College Ave. bars. Specifically, we were across from Mr. Frogs, located at 409 W. College Ave. (City of Appleton).

As I watched the front of Mr. Frogs, I observed there to be a group of women standing outside of the doorway on the sidewalk and a female subject just outside of the doorway to the bar. I heard a female's voice get louder and as I did, simultaneously, Officer M. Ballweg (9167) radioed to keep an eye on the group of people in front of Mr. Frogs. As I watched the group of women in front of Mr. Frogs, I observed the group of women all move out onto the sidewalk. I then observed a physical confrontation ensue between numerous women.

I ran across the street with other officers to intervene in this incident. Once across the street I grabbed onto one of the women. I verbally identified this woman later as Anna Popovich. I handed Anna to Officer C. Christopherson (9156) and began questioning another female subject standing in front of Mr. Frogs. I verbally identified this woman as [REDACTED]

[REDACTED] advised she was out with Anna when they saw Emma and her two friends at Mr. Frogs. [REDACTED] said there was tension inside the bar, but that Emma and her two friends left. [REDACTED] advised Emma

returned and that Emma and [REDACTED] exchanged words inside the bar, which resulted in them being told to leave. [REDACTED] said once outside of the bar, Emma and her two friends were in Anna's face and were recording her, saying how she was a bad mother and that they should call CPS. [REDACTED] said she saw Emma and her two friends get into a physical altercation with Anna and that she intervened to defend Anna. At this time I ended my contact with [REDACTED]

Officer Thor and I went into Mr. Frogs to look for the other two women involved, but did so with negative results. I returned to Officer Waters' location and provided him with the information I obtained. This concluded my involvement with this incident. Axon on.

OFFICER CHRISTOPHERSON REPORTS:

On 05/10/25 at approximately 0127 hours, I, Officer Christopherson, was working uniformed patrol in the City of Appleton, Outagamie County, Wisconsin. I was patrolling the bar crowd in the 400blk of W College Ave when I observed staff at Mr. Frogs (409 W College Ave) forcefully removing someone from the bar. Officer made contact with the male who was being removed (later identified with a Wisconsin Driver's License as Preston Nelson) and detained him in handcuffs.

I entered the bar and made contact with Jaron Cashaw who was staff. Jaron explained that Preston had to use the restroom near the rear of the bar, but somebody was inside. He began knocking and requesting to enter, but was not able to as it was locked and being used. Eventually Preston forced entry into the restroom, damaging the door. At that point bar staff escorted him out of the bar where officers detained him. Jaron estimated the damages on the door to cost approximately \$500.00 and did not give anyone permission to damage it. I took photographs of the damage and uploaded them to evidence.com under this case number.

I then made contact with Officer Hruby who advised Bryan Mendoza (visually identified based on past contacts) had video footage of the incident. I sent him an Axon Community link and he was able to upload the video. I later reviewed the video which showed a male, who I was able to identify as Preston, knocking and hitting the door with his shoulder until he eventually lowered his shoulder into the door, forcing it open.

Officer Hruby issued Mr. Frogs an Outagamie County Victim Rights packet and they opted out of additional services.

Based on Preston's violent and disorderly behavior and the damage he caused to the door, I decided to issued him citations for Disorderly Conduct (AC 10-9) and Destruction of Property (AC 10-23). I made contact with Preston and issued and explained the citations to him. He had no further questions or concern's. He was then released.

On 5/17/2025 I, Officer Biffert #9139 was working a College Ave. detail from 2200-0300 hrs. On 5/18/2025 at 0020 hrs. I was waived into Mr. Frogs (409 W College Av. Appleton, WI 54911) by a bouncer for a fight that occurred inside of the bar. Upon arrival, the bar was busy and multiple people were being escorted out. The individuals being escorted out were [REDACTED]. While exiting the bar, I was notified of another individual involved being described as a tall male/black wearing a white t-shirt. Witnesses on scene pointed the male out who was identified by WI DL as Antonio Lewis. Lt. Botz #9199 stopped Antonio to speak with him about the disturbance. I also walked over to Antonio and observed that Antonio was wearing a white t-shirt that had blood on it.

I then spoke with [REDACTED] across the street. [REDACTED] was identified verbally and asked what happened. [REDACTED] stated that she did not know exactly what happened. [REDACTED] stated that there was a lot of

pushing and pulling. [REDACTED] stated that the man (Antonio), came after her. I asked [REDACTED] how this happened. [REDACTED] stated that he grabbed her shirt. While speaking with [REDACTED] [REDACTED] along with others that did not want to identify themselves also approached me.

I then spoke with [REDACTED] (id by WI DL). [REDACTED] advised that [REDACTED] was his girlfriends mother. While speaking with [REDACTED] [REDACTED] and others continued to yell across the street towards Antonio and others. [REDACTED] continued by saying he was by the bathrooms in the bar and saw a male trying to swing on [REDACTED] [REDACTED] stated that he was then trying to separate the two. [REDACTED] then stated that a tall male/black in a white shirt got into his face and started to swing on him. [REDACTED] said that the male then grabbed him and punched him from behind. [REDACTED] then admitted that he was able to get his hand on his back and hold him down until he was pulled away. [REDACTED] was bleeding from his right eye and had a fresh cut. I then asked [REDACTED] again how this altercation started. [REDACTED] stated that people were getting loud but admitted that he did not see anything physical. I asked [REDACTED] why someone would hit him. [REDACTED] advised that he did not know and again described how he was trying to hold people back. [REDACTED] then described his interaction again with the male (identified as Antonio). [REDACTED] said that Antonio said "what,what". [REDACTED] then said he asked Antonio if he had a problem. [REDACTED] then stated that Antonio started to grabble with him and it became physical.

I then spoke with [REDACTED] (verbal ID). [REDACTED] stated that he was trying to get his mom ([REDACTED]) away from the situation and a male came up behind him and put him in a choke hold. [REDACTED] then stated that he saw the tall male black (Antonio) sucker punching [REDACTED]

Officer Justice #9129 spoke with Antonio about the incident. Antonio told officers that he was just trying to separate people. Antonio then continued and stated that if someone hit him or jumped on him that he would react to it. Antonio ultimately denied punching anyone. It should be noted that Antonio was wearing the white t-shirt but also had a distinct black coat with lettering on it.

All of the parties were separated and left for the night. I spoke with bouncers at Mr. Frogs at around 0230 hrs. after they closed. The first bouncer I spoke with told me that they did not have video and that there was no disturbance. I told him that a different bouncer waived me into the bar in reference to a fight and also noticed multiple cameras in the ceiling. I then spoke with a different bouncer who ultimately stated that there was a disturbance but he did not see what actually happened. I also spoke with the bartender that noticed the disturbance and stated that she turned the lights on because of it but did not see what happened.

I contacted Vanessa Alvarado (owner/manager) in reference to video. I left Vanessa a voicemail on 5/21/25 requesting the video. On 5/23/25 I spoke with Vanessa and was advised that she would send me the video via axon link. I sent Vanessa the axon link after our conversation. On 5/25/25 I followed up with Vanessa by leaving her a voicemail because I had not received any video. On 6/2/25, I still had not received any video and left Vanessa another voicemail. On 6/6/2025 I was notified that Vanessa had submitted the video evidence. I reviewed the video and observed Antonio wearing the distinct black jacket. I then observed Antonio take the jacket off and swing multiple times at someone. The video quality was poor and I could not see who Antonio was hitting but I could distinguish Antonio due to the jacket he was wearing and then the white t-shirt. I could not see any type of disturbance prior to this.

Based on the following, Antonio was mailed a citation for disorderly conduct. Multiple witnesses pointed him out walking out of Mr. Frogs as being involved. Antonio admitted that he was trying to break the disturbance up and made the comment that if someone hit him he would react. Antonio was wearing a distinct black jacket and white shirt. Video evidence showed Antonio trying to hit someone. Antonio also had blood on his shirt. [REDACTED] and [REDACTED] both stated that Antonio was hitting [REDACTED] [REDACTED] also had visible injuries.

Original Narrative

05/21/2025 20:18:44

On 5/18/2025 at approximately 0207 hrs. I, Officer Biffert #9139 was inside Mr. Frogs in reference to A25023583. At that time, I noticed a bouncer with Mr. Frogs later identified as Ronni Leavitt inside yelling at some individuals at the front door. It should be noted that the bar was closed and the door was locked. The individuals outside appeared to be asking for a lost phone. I then heard Ronni go up to the door and yell at the group of people saying "who the fuck you talking to". Ronni said this multiple times. Ronni then said "meet me in back", "meet me in the back alley", "meet me in the alley", "you better have a switch on you" "goofy ass nigga" "cornball".

Ronni was then separated and said that I did not know what the other guy was saying. I explained to Ronni that it was not appropriate and obtained updated information for follow up.

It should be noted that after leaving Mr. Frogs, I noticed Ronni start walking south on Walnut St. from College Av. towards the back alley behind Mr. Frogs. I then lost sight of him and observed the other male waiting in a vehicle in the St. Joseph Parish parking lot. That vehicle left shortly after I drove through the lot.

I attempted to follow up with Ronni in reference to this however have not been able to get ahold of him.

Based on my training and experience, Ronni was trying to incite a fight with another individual. I also know the term switch as an attachment to a weapon that turns the weapon into an automatic. Based on these statements and the fact that Ronni was observed walking back towards the area where he told the other guy to meet him, I am issuing Ronni a disorderly conduct citation. The citation was mailed to the current address Ronni provided me.

Ronni Leavitt cited for DC (AC 10-9) for trying to incite a fight with another.

Original Narrative

06/14/2025 20:19:28

On 06/14/2025, at 19:45, I, Ofc. Reader #9171 was conducting alcohol compliance checks within the City of Appleton and was assigned CSO Tyler Piton (M/W [REDACTED]) as an underage individual to work with me. Prior to beginning the compliance checks, I took a photograph of CSO Piton to document his appearance during the checks. The photograph was later uploaded to Axon Capture. CSO Piton went into Mr. Frogs, located at 409 W College Ave. CSO Piton spoke with the bartender, later identified verbally as Nayeli Tierrablanca (F/U DOB: 08/19/2003) who failed to identify him or ask for an ID. Nayeli sold CSO Piton a bottle of Pabst Blue Ribbon for \$5.10. The sale was completed through an exchange of cash. CSO Piton returned to me outside of the bar and informed me of the sale. CSO Piton stated the bartender was wearing a neon yellow dress. I entered the premise and immediately noticed that Nayeli was wearing the neon yellow dress. I spoke with Nayeli, who indicated she sold the beverage to CSO Piton without checking his identification. I issued Nayeli a summons and Officer Berens answered her questions regarding it. The alcoholic beverage purchased was still on the bar top when officers entered. It was photographed and uploaded into Axon Capture. Lt. Goodin was notified of the incident.

In the event the structure of the Premises is damaged as a result of any neglect or negligence of Tenant, their employees, agents, business invitees, or any independent contractors serving the Tenant or in any way as a result of Tenant's use and occupancy of the Premises, then the Tenant shall be primarily responsible for seeing that the proper claims are placed with the Tenant's insurance company, or the damaging party's insurance company, and shall furthermore be responsible for seeing that the building is safeguarded with respect to said damage and that all proper notices with respect to said damage, are made in a timely fashion, including notice to the Landlord, and the party or parties causing said damage. operation and business activity into compliance with any law or regulation of a federal, state, or local authority.

Furthermore, Tenant agrees not to keep upon the Premises any articles or goods which may be prohibited by the standard form of fire insurance policy, and in the event, the insurance rates applicable to fire and extended coverage covering the Premises shall be increased by reason of any use of the Premises made by Tenant, then Tenant shall pay to Landlord, upon demand, such increase in insurance premium as shall be caused by said use or Tenant's proportionate share of any such increase.
- XV. SUBLET/ASSIGNMENT.** The Tenant may not transfer or assign this Agreement or any right or interest hereunder or sublet said leased Premises or any part thereof without first obtaining the prior written consent and approval of the Landlord.
- XVI. DAMAGE TO LEASED PREMISES.** In the event the building housing the Premises shall be destroyed or damaged as a result of any fire or other casualty which is not the result of the intentional acts or neglect of Tenant and which precludes or adversely affects the Tenant's occupancy of the Premises, then in every such cause, the Rent herein set forth shall be abated or adjusted according to the extent to which the leased Premises have been rendered unfit for use and occupation by the Tenant and until the demised Premises have been put in a condition at the expense of the Landlord, at least to the extent of the value and as nearly as possible to the condition of the Premises existing immediately prior to such damage. It is understood, however, in the event of total or substantial destruction to the Premises that in no event shall the Landlord's obligation to restore, replace or rebuild exceed an amount equal to the sum of the insurance proceeds available for reconstruction with respect to said damage.
- XVII. INDEMNIFICATION.** The Tenant hereby covenants and agrees to indemnify, defend, and hold the Landlord harmless from any and all claims or liabilities which may arise from any cause whatsoever as a result of Tenant's use and occupancy of the Premises, and further shall indemnify the Landlord for any losses which the Landlord may suffer in connection with the Tenant's use and occupancy or care, custody, and control of the Premises. The Tenant also hereby covenants and agrees to indemnify and hold harmless the Landlord from any and all claims or liabilities which may arise from any latent defects in the subject Premises that the Landlord is not aware of at the signing of the lease or at any time during the Term.
- XVIII. BANKRUPTCY - INSOLVENCY.** The Tenant agrees that in the event all or a substantial portion of the Tenant's assets are placed in the hands of a receiver or a Trustee, and such status continues for a period of 30 days, or should the Tenant make an assignment for the benefit of creditors or be adjudicated bankrupt; or should the

Tenant institute any proceedings under the bankruptcy act or any amendment thereto, then such Agreement or interest in and to the leased Premises shall not become an asset in any such proceedings and, in such event, and in addition to any and all other remedies of the Landlord hereunder or by law provided, it shall be lawful for the Landlord to declare the Term hereof ended and to re-enter the leased land and take possession thereof and all improvements thereon and to remove all persons therefrom, and the Tenant shall have no further claim thereon.

- XIX. SUBORDINATION AND ATTORNMENT.** Upon request of the Landlord, Tenant will subordinate its rights hereunder to the lien of any mortgage now or hereafter in force against the property or any portion thereof, and to all advances made or hereafter to be made upon the security thereof, and to any ground or underlying lease of the property provided, however, that in such case the holder of such mortgage or the Landlord under such Agreement shall agree that this Agreement shall not be divested or in any way affected by foreclosure, or other default proceedings under the said mortgage, obligation secured thereby, or agreement, so long as the Tenant shall not be in default under the terms of this Agreement. Tenant agrees that this Agreement shall remain in full force and effect notwithstanding any such default proceedings under said mortgage or obligation secured thereby.

Tenant shall, in the event of the sale or assignment of Landlord's interest in the building of which the Premises form a part, or in the event of any proceedings brought for the foreclosure of, or in the event of exercise of the power of sale under any mortgage made by Landlord covering the Premises, attorn to the purchaser and recognize such purchaser as Landlord under this Agreement.

Tenant shall not conduct or permit to be conducted upon the Premises any business or permit any act which is contrary to or in violation of any law, rules or regulations and requirements that may be imposed by any authority or any insurance company with which the premises is insured, nor will the Tenant allow the Premises to be used in any way which will invalidate or be in conflict with any insurance policies applicable to the building.
